"We take great pleasare in calling the attention of our readers to the advertisement of Prof. Wood's Restorative Cordial and Blood Renovator, in another column of our paper. It is seldom we take any notice of patent medicines, but we cannot refrain from speaking of this Cordial, and do justice to the afflicted as well as ourselves. We have withed the progress of this Cordial since its first introduction to the public, and we are satisfied that there is nothing in use for cleansing the system and renovating the blood, that can be compared with Prof. Wood's Cordial. Any one suffering from general debility, after using one bottle will see its beneficial effects. We have had a long acquaintance with the proprietor, and know him to be skilled in the science of medicine; and anything compounded by him the public can rely upon as being just what it is recommended. We would advise all sick or well to get a bottle. It is pleasant to the tate. and exhiberating to the system. But we refrain from further comments, as any one, after using one bottle, will be satisfied as to its effects.

We invite special attention to the adver-We invite special attention to the advertisement of Prof. W od's Restorative Cordial and Blood Renovator, in another column. For weakness and generally debility there is nothing like it; it will strengthen, exhilerate, create an appetite at once, regulate the bilious system, aid digestion, and in short, restore the weakened organs to all their original vigor and strongth. So valuable a Tonic Cordial should be in the hands of every invalid and in every family. Reader, try it.

We congratula'e our readers upon the discovery of a sure cure for Rheumatism, Gout and Neuralgia, and all Mercurial Diseaser, which is effected without the use of internal medicines which destroy the constitution and give temporary relief only. In fact it is the only known remedy effecting a perfect cure, and we feel warranted, from its recommendations, in calling the attention of the afflicted and those baving friends suffering from Rheumatism, Gout, Neuralgic or the pernicious effects of Mercury, to the advertisement in another column of our paper, of Dr. Leland's Anti Rheumatie Band.

#### PROF. O. J. WOOD'S RESTORATIVE CORDIAL BLOOD RENOVATOR.

Sprecisely what its name indicates, for while pleasant to the taste, it is revivifying, exhilterating and strengthening to the vital powers. It also revivifies, reinstates and renews the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of discount of the system in the system in a very strength of the system in the system in a very strength of the system in the system in a very strength of the system in th ease. It is the only preparation ever offered to the world in a popular form so as to be within the

rach of all,

So chemically and skillfully combined as to be
the most powerful tenic, and yet perfectly adapted so as to act in perfect accordance with the lare
of nature, and hence soothe the weakest stomach and tone up the digestive organs, and allay all nervous and other irritation. It is also perfectly a hilberating in its effects, and yet it is never folhilarating in its effects, and yet it is never followed by lassitude or depression of spirits. It is composed entirely of vegetables, and those thoroughly combining powerful tonic and soothing properties, and consequently can never injure.—
As a sure preventive and cure of Communities Bronchitis. Indigestion, Dyspepsia Loss of Appetite. Faintness, Nervous Irritability, Neuralgia, Palpitation of the Heart, Melancholy, Hypochondria, Night Sucotts, Languer, Giddiness, and all that class of cases so fearfully fatal called FEMALE WEAKNESS, AND IRREGULARITIES.

AND IRREGULARITIES.

THERE IS NOTHING ITS EQUAL. Also, Liver Derangements or Torpidity, and Liver Complaints, Diseases of the Kidney, or any general derangement of the Urivary organs.
It will not only cure the debility following CHILLS and FEVER, but prevent all attacks arising from Missmatic influences, and cure the diseases at once, if already attacked.

Travelers should have a bottle with them, as it will infalliably prevent any deleterious consequences following upon change of climate and

Mothers should use it, for it is a perfect relief, taken a month or two before the final trial, she will pass the dreadful period with perfect case and

safety.

There is no mistake about it.

THE CORDIAL IS ALL WE CLAIM FOR IT!!
MOTHERS TRY IT!! MOTHERS TRY IT!!

And to you we appeal, to detect the illiess or decline not only of your daughters before it be to late, but also your sons and husbands, for while the tormer from false delicacy, often go down to a premature grave, rather than let their condition be known in time, the latter are often so mixed up with the excitement of business, that if it were not for you, they too, would travel in the same downward path until it is too late to arrest their fatal fall. But the mother is always vigilant, and to you we considerely appeal; for we are sure to you we considered; appeal; for we are sure your never-failing affection will uncrringly point you to PROF. WOOD'S RESTORATIVE CORBIAL AND BLOOD RENOVATOR as the remedy which should be always on hand in time of need.

GREAT CURE. DR. LELAND'S

ANTI RHEUMATIC BAND, IS THE ONLY KNOWN REMEDY FOR RHEUMATISM, GOUT AND NEURALGIA. AND A SURE CURE FOR

ALL MERCURIAL DISEASES. ALL MERCURIAL DISEASES.

It is cenveniently a ranged Band, containing a medicated compound, to be worn around the Waist, in habits of living is required, and it entirely removes the disease from the system, with out-producing the injurious effects arising from the use of powerful internal medicines which weaken and destroy the constitution, and give temporary relief only. By this treatment, the anedicinal properties contained in the Band, come in contact with the blood and reaches the diseases, through the pores of the skin, effecting in every instance a perfect cure, and restores the parts afflicted to a healthy condition. This band is also a most powerful ANTI-MERCURIAL agent, and will entirely relieve the system from the pernicious effects of Mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficocy in aggravated cases

te use, with fu from all the dra twholesale of or can be sent by mail or express, with full directions for uso, to any part of the country, direct from the Principal Office.

WORD TO THE PUBLIC. Whereas the Spring Creek Woolen Manufactory, during the present season, has been patronized to the full extent of ts producing abilities, and in anticipation of a ts producing abilities, and in anticipation of a still greater patronage the coming season, the proprietors have been induced to add more new machinery of the very latest improvements. This machinery will facilitate our operations very much and at the same time will improve the real value of out cloths at least ten per cent, while our prices shall remain as heretofore; it being our ambition to build up a reputation for this establishmen', that will add all things thereto. From the facts here n set forth we confidently believe that wool growers and all other good people can now deal with us very much to their own advantage.—While there are many things alike in business of this kind, there is also much that is different. AYER'S Sarsaparilla FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints: Scrofala and Scrofulous Affections, such as Tumors, Vicers, Sores, Eruptions, Pimples, Pustles, Blotches, Botts, Blains, and all Skim Diseases.

Glaims, and all Skin Diseases.

Oakland, Ind., 6th June, 1859.

J. C. Aver 2 Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having isherfied a Scrofulous infection. I have suffered from it in various ways for years. Sometimes it burst out is Ulers on my hands and arms; sometimes fit twrace inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and leathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the thospel Messenger that you had prepared an alterative (Sarsaparille), for I have from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cared ms. I took it, as you advise, in smil does so fa saspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scale, which after a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am asying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully.

Dr. J. B. S. I have cured many inveterate cases of Leucorrheas by it, and some where the complaint was caused by ulcoration of the ulcrus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala, writes, "A dan gerous ovarian tumor on one of the females in my family, which had defied all the remedies we could comploy, had at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of you. Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

New Orleans, 25th August, 1859.

Dr. J. C. Aver. Skr. I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have curred with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Veneral and Mercurial Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his month. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by nearcury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excurciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.

Dr. J. C. Ayer. Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the
skill of physiciaus, and stuck to me in spite of all the
remedies I could find, until I tried your Earsapavilla. One
bottle cured me in two weeks, and restored my general,
health so much that I am far better than before I was
attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been
afflicted for years with an affection of the Liver, which
destroyed my health. I tried every thing, and every thing
failed to relieve me; and I have been a broken-down man
for some years from no other cause than derangement of
the Liver. My beloved pastor, the Rev. Mr. Espy, advised
me to try your Sarsaparilla, because he said he knew you,
and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood
as to make a new man of me. I feel young again. The
best that can be said of you is not half good enough."

This is a remedy so universally known to surpass any other for the cure of threat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellesce for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
