PILLS. Are you sick, feeble, and complaining? Are you out of order, with your system dernaged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the vight remcleanse out the disordered h mors—purify the blood, at let the fluids move on uno structed in health agai They stimulate the function

A cold settles somewhere in the body, and its natural functions. These, if not relieve pun themselves and the surrounding organs, peneral aggravation, suffering, and dise While in this condition, oppressed by the degrangements, take Ayer's Pills, and see how directly they restore the natural action of the systems, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these-fills, will neglect to employ them when suffering from the disorders they cure.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. From a Forwarding Merchant of N. Louis, ren. 9, 1000.

Dr. Ayer: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Fills, and they have cured her.

ASA MONGRIDGE.

As a Family Physic. From Dr. E. W. Carturight, New Orleans.
Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Meadache, Foul Stomach Hendache, Sick Meadache, Foul Stomach.

From Dr. Edward Boyd, Ballimore.

Dear Bro. Aven: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with use, and believing as I do that your Pills afford us the we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

Dr. J. C. Ayer. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It; seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion Bilious Disorders - Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is we thy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856. }

Sin: I have used your Pills in my general and hospits practice ever since you made them, and cannot hesitate teay they are the best cathartic we employ. Their regulating action on the liver is quick, and decided, consequently they are an admirable remedy for derangement of that organ. Indeed, I have seldom found a case oblious disease so obstinate that it did not readily yield them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine, Hospital Dysentery, Diarrhea, Relax, Worms.

Your Pills have had a long trial in my practice, and I loid them in esteem as one of the best sperients I have ever found. Their alterative effect upon the liver makes hem an excellent remedy, when given in small doses for citious dysentery and diarrhese. Their sugar-coating makes them very acceptable and convenient for the use I women and children.

Dyspepsia, Impurity of the Blood. From Rev. J. V. Himes, Pastor of Advent Church, Boston Dr. Aver: I have used your Pills with extraordinar Success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them my friends.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. 2: Yaugim, Montreal, Canada.

Too much cannot be said of your Pills for the cure of costiceness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe castieness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Sluart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural scenariom when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

HONORED Shr: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excriating neutralgie pains, which ended in chromic rheumatisms. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I fried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

Invalids so long bed-ridden as to have become forgotten in their own neighborh ods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female Sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the physician has no name.

hysician has no name. In Nervous Affections of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salu-tary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overheating; and gently, regularly aperient, even in the most obstinate cases of costiveness without ever being a gastric purgative, or inflicting a disagreeable

sensation.

It is this latter property, among others which makes it so remarkably effectual and permanent a remedy for *Piles*, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them. In DYSPEPSIA, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendent Costiveness.

This is a purely vegetable compound, prepared on strictly
scientific principles, after the manner of the celebrated
Holland Professor, Bechave. Its reputation at home produced its introduction here, the demand commencing with
those of the Fatherland scattered over the face of this
mighty country, many of whom brought with them and
handed down the tradition of its value. B is now offered
to the American public, knowing that its truly wonderful
medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose
constitutions may have been impaired by the continuous use
of ardent-spirits, or other forms of dissipation. Generally
Instantaneous in effect, it finds its way directly to the seat
of life, thrilling and quickening every nerve, raising up the instantaneous in effect, it finds its way directly to the east of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.
