DR. HOOFLAND'S BALSAMIC CORDIAL, FOR THE SPEEDY CURE OF Coughs, Croup, Hoarseness, Bronchitis, Pneumonia, Diseases of the Bowels, arising from Cold, Consumption, and for the relief and (if at all possible) cure of Patients in advanced stages of the latter.

THE Balsamic Cordial is entirely a Vegetable production, combining the healing properties of the Balsam, with the invigorating qualities of the Cordial, producing a combination so well adapted to the present condition of the country, and far less cases of disease which will not, at an early period, succumb to its healing and life giving properties. For ages, has the treatment of pulmonary diseases occupied the greater portion of the attention of the scientific of the medical world, but none acquired more eminence in his treatment of these diseases, than the celebrated Prussian Dr. Hoofland, the originator of the Balsamic Cordial. His life was devoted to the production of remedies that would stand untried. How well he has succeeded, the American people are able to judge; and we positively assert, that no preparations that have ever been placed before them, have conferred the same amount of benefits on suffering humanity, or have elicited so many testimonials from all classes of society, as the remedies of Dr. Hoofland, prepared by Dr. C. M. Jackson & Co., of Philadelphia.

The Cordial is designed for a class of diseases more general and more fatal than any other to which the people of this country are subject—those springing from a "right cold." That eminent authority, Dr. HARRIS, has dissolved no less than 250,000 bottles of this Cordial, and he has positively asserted, that no preparations that have ever been placed before them, have conferred the same amount of benefits on suffering humanity, or have elicited so many testimonials from all classes of society, as the remedies of Dr. Hoofland, prepared by Dr. C. M. Jackson & Co., of Philadelphia.

Read what the eminent Glass Manufacturer, JOHN M. WHITALL, says of the BALSAMIC CORDIAL. Dr. C. M. Jackson—Respected Friend: Having for a long time been acquainted with the virtues of thy BALSAMIC CORDIAL in Coughs, Colds, Inflammation of the Lungs, &c., I thus freely testify to its efficacy. For several years I have never been without it in my family. It also gives me pleasure to state that I have used it with entire success in the treatment of Bowel Complaints. Truly, JOHN M. WHITALL, Fifth Mo. 17, 1858. Race St., above 4th, Phil'a.

PROF. O. J. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR. Pleasant to the taste, it is invigorating, exhilarating and strengthening to the vital powers. It also reinvigorates, restores and renews the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all.

It is chemically and skillfully combined to be the most powerful tonic, and yet perfectly adapted so as to act in perfect accordance with the laws of nature, and hence soothe the weakest stomach and tone up the digestive organs, and allow all nervous and other irritation. It is also perfectly exhilarating in its effects, and yet it is never followed by lassitude or depression of spirits. It is composed entirely of vegetables, and those thoroughly combining powerful tonic and soothing properties, and consequently can never injure. As a sure preventive and cure of Consumption, Bronchitis, Indigestion, Dyspepsia, Loss of Appetite, Faintness, Nervous Irritability, Neuralgia, Palpitation of the Heart, Melancholy, Hypochondria, Night Sweats, Languor, Giddiness, and all that class of cases so fearfully fatal called FEMALE WEAKNESS, AND IRREGULARITIES.

Also, Liver Derangements or Torpidity, and Liver Complaints, Diseases of the Kidney, or any general derangement in the Urinary organs. It will not only cure the debility following CHILLS and FEVER, but prevent all attacks arising from Miasmatic influences, and cure the disease as it comes, if already attacked. Those who should have it in their hands, as it will infallibly prevent any deleterious consequences following upon change of climate and water.

It prevents costiveness, strengthens the digestive organs, it should be in the hands of all persons of sedentary habits. Ladies not accustomed to much out-door exercise should always keep it in their hands. Mothers should use it, for it is a perfect relief, taken a month or two before the final trial, and will pass the dreadful period with perfect ease and safety.

There is no mistake about it! THE CORDIAL IS ALL WE CLAIM FOR IT! MOTHERS, TRY IT! And to you who expect your children to be healthy and strong, I would advise you to have it in your hands, as it will infallibly prevent any deleterious consequences following upon change of climate and water.
