Battle Creek, Mich., Dec. 21st, 1858.

Pror. Woon:—Thee wilt please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to abtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last ce.t I had on earth for a two dollar bottle of thy Hair Restorative about the first of August last. I have faithfully followed the directions and the baid spot is now covered with hair thick and black, though short, it is also coming in all over my head. Feeling confident that another large bottle would restore itentirely and permanently, I feel anxious to persevere in its use, and being destitute of means te purchase any more, I would ask thee if thee woulds not be willing to send me an order on thine agents for a builting to send me an order on thine agents for a

Pror. O. J. Wood: Dear Sir:—In the latter part of the year 1852, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months, the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more easual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquainces were to recognize me at all.

I at once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair could again be restored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to make a druggist as hairs, the most registed University as the most registed University and the statement of the programment of the program year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. Ayer's Sarsaparilla.

AYER'S CATHARTIC Brazil PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptons are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Fills, and and should be averted by a timely use of the right rem-edy. Take Ayer's Pills, and cleanse out the disordered hu-mors—purify the blood, and let the fluids move on unob-structed in health again. They stimulate the functions of the body into vigorous ac-

structed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, curefly the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

Dr. AFRE: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

From Dr. Edward Boyd, Baltimore.

Dean Bro. Aver: I cannot answer you what complaints I have cured with your Pills better than to say all that we per treat with a puryative medicine. I place great dependence on an effectual cathartic in my daily contest with tese, and believing as I do that your Pills afford us the we have, I of course value them highly.

DR. J. C. ATER. Sir I have been repeatedly cured of the worst headache any hody can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they change at they cleanse at once.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious constants.

Department of the Internation, Washington, D. C., 7th Feb., 1856.
Sir.: I have used your Fills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstimate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses follows dysentery and diarrhea. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. From Rev. J. V. Himes, Pustor of Advent Church, Boston.
Dr. Ayer: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Yangia, Montreal, Canada.

Too much cannot be said of your Pilts for the cure of costienesses. I fothers of our frate-mity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe contreness to originate in the liver, but your Pills affect that organ and cure the disease. From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural scenarios when wholly or partially suppressed, and also very effectual to cleanse the stanach and expel worns. They are so much the best physic we have that I recommend no other to my patients.

PULASKI House, Savannah, Ga., Jan. 6, 1856.

Honordd Sar, I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in any limbs and brought on excruciating neurolgic pains, which ended in chronic rheumation. Notwithstanding I had the best of physicians, the disease grow worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.
