

THE CENTRE DEMOCRAT.

Entirely Vegetable. No Alcoholic Preparation.

DR. HOOFLAND'S GERMAN BITTERS,

PREPARED BY DR. C. M. JACKSON & Co., Phil'a., Pa.

LIVER COMPLAINT, DYSPEPSIA, JAUNDICE, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

Such as Constipation, Inward Piles, Fullness or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering of the Pit of the Stomach, Swinging of the Head, Harried and Difficult Breathing, Fluttering of the Heart, Choking or Suffocating sensations when in a lying posture, Dimness of Vision, or watering of the Sight, Pain and Dull pain in the Head, Headache, and all other similar symptoms.

The Proprietors, in calling the attention of the public to this preparation, do so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new untried article, but one that has stood the test of a long and successful experience, and its reputation and sale that are unrivaled by any similar preparations extant.

The testimony in its favor given by the most prominent and well-known Physicians in all the principal parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietors, and to be had gratis of any of their Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

From J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson of this city, because I was prejudiced against them for years, under the impression that they were a fraudulent and imposture.

It was not until I was induced to try them by a friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and encouragement to try them, when suffering from a long continuing Rheumatism, that I was induced to try three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not enjoyed for many years, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. NEWTON BROWN, Oct. 29, '61.

PROF. O. J. WOOD'S RESTORATIVE CORDIAL

AND BLOOD RENOVATOR.

It is precisely what its name indicates, for while many preparations are made, it is revivifying, exhilarating and strengthening to the vital powers. It also revitalizes, reinstates and renews the blood in all its organs, and restores to its proper condition the entire system, and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all.

So chemically and skillfully combined as to be the most powerful tonic, and yet perfectly adapted so as to act in perfect accordance with the laws of nature, and hence soothe the weakest stomach and tone up the digestive organs, and allay all nervous and other irritation. It is also perfectly exhilarating in its effects, and it is never followed by lassitude or depression of spirits. It is composed entirely of vegetables, and does not contain any poisonous or deleterious substances, and consequently can never injure. As a sure preventive of Cholera, Indigestion, Dyspepsia, Consumption, Bronchitis, Indigestion, Depression, Loss of Appetite, Fatigue, Nervous Irritability, Neuralgia, Paralysis of the Heart, Melancholy, Hypochondria, Night Sweats, Leucorrhoea, Gleet, &c. It is also a class of cases so fearfully fatal as called FEMALE WEAKNESS, AND IRREGULARITIES.

THERE IS NOTHING BUT EQUAL Also, Liver Derangements or Torpidity, and Liver Complaints, Diseases of the Kidney, or any general derangement of the Urinary organs. It will not only cure the debility following CHILLS and FEVER, but prevent all attacks arising from Miasmatic influences, and cure the disease at once, if already attacked. It is composed entirely of vegetables, and does not contain any poisonous or deleterious substances, and consequently can never injure. As a sure preventive of Cholera, Indigestion, Dyspepsia, Consumption, Bronchitis, Indigestion, Depression, Loss of Appetite, Fatigue, Nervous Irritability, Neuralgia, Paralysis of the Heart, Melancholy, Hypochondria, Night Sweats, Leucorrhoea, Gleet, &c. It is also a class of cases so fearfully fatal as called FEMALE WEAKNESS, AND IRREGULARITIES.

Travellers should have a bottle with them, as it will infallibly prevent any deleterious consequences following upon change of climate and water.

It prevents costiveness, strengthens the digestive organs, it should be in the hands of all persons of sedentary habits. Ladies not accustomed to much outdoor exercise should always use it. Mothers should use it, for it is a perfect relief, taken a month or two before the final trial, they will pass the dreadful period with perfect ease and safety.

There is no mistake about it. THE CORDIAL IS ALL WE CLAIM FOR IT! And to you we appeal to detect the illness or decline not only of your daughters before it be too late, but also your sons and husbands, for while the former are from false dieting, often go down to a premature grave, rather than let their condition be known in time, the latter are often so mixed up with the excitement of business, that if it were not for you, they would travel in the same downward path until it is too late to arrest their fatal fall. But the mother is always vigilant, and for you we confidently appeal; for you are sure you are selling affection, and will unerringly point you to PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR as the remedy which should be always on hand in time of need. O. J. WOOD, Proprietor, 44 Broadway, New York, and 114 Market Street, St. Louis, Mo., and sold by all good Druggists. Price One Dollar per Bottle. [July 11, '61.—1y.

DR. HOOFLAND'S BALSAMIC CORDIAL,

FOR THE SPEEDY CURE OF Coughs, Croup, Hoarseness, Bronchitis, Pneumonia, Discharge of the Bowels, arising from Cold and Indigestion, and for the relief and (if at all possible) cure of Patients in advanced stages of the latter.

THE BALSAMIC CORDIAL

is entirely a Vegetable production, combining the healing properties of the Balsam, with the invigorating qualities of a Cordial, prepared in a so well adapted to the purpose intend that there are but few cases of diseases which will not, at an early period, succumb to its healing and life giving influence.

For ages, has the treatment of pulmonary diseases occupied the greater portion of the attention of the scientific of the medical world, but none of these authors anticipated the treatment of these diseases, than the celebrated Prussian Dr. Hoofland, the originator of the Balsamic Cordial. His life was devoted to the production of remedies that would cure not only the disease, but also the human, or have elicited so many commendations from all classes of society, as the remedies of Dr. Hoofland, prepared by Dr. C. M. Jackson & Co., of Philadelphia.

The Cordial is designed for a class of diseases more general and more fatal than any other that which the people of this country are subject to. It is a Cordial, in every sense of the term. Dr. Bell says, "I will not say that Colds are to our inhabitants what the Plague and Yellow Fever are to those of other countries; but I do say that they are to our inhabitants in disease of greater complexity and mortality than these latter."

Read what the eminent Glass Manufacturer, JOHN M. WHITTALL says of the BALSAMIC CORDIAL.

Dr. C. M. JACKSON—Respected Friend: Having for a long time been acquainted with the virtues of your BALSAMIC CORDIAL in Coughs, Colds, Inflammation of the Lungs, &c., I have tried it by the numerous instances of my children. For several years I have never been without in my family. It also gives me pleasure to state that I have used your Cordial with entire success in the treatment of Bowel Complaints. Your friend truly, JOHN M. WHITTALL, Fifth Mo. 17, 1858. Race St., above 4th, Phil'a.

These medicines are for sale by all respectable Druggists and Dealers in Medicine in the United States, Canada, British Provinces, and West Indies, at 75 cents per bottle. THE ONLY PREPARATION THAT HAS STOOD THE TEST FOR YEARS,

AND testimonials, new and almost without number, might be given from ladies and gentlemen in all grades of society, whose united testimony would testify to its efficacy. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty. Bath Creek, Mich., Dec. 21st, 1858.

Pror. Wood:—This will please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with excruciating pain on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain rest for caps, neither have I been able to purchase any other medicine, which I had tried, in consequence of which my head has suffered extremely from cold. This induced me to try Briggs & Hodges' anodyne. The last I had on earth for a two dollar bottle, and I had it attending the end of the first of August last. I have faithfully followed the directions and the bald spot is now covered with hair thick and black, though short, it is considered by all who have seen it, as the best that I ever saw. I am now able to attend to my business, and I feel that I am more than repaid for a bottle, and receive to myself the scripture declaration—"the reward is to those that are kind to the widow and the fatherless."
