Frushes of Heat, Chest, Lines, ac., Sudden Frushes of Heat, Burning of the Fiesh, Imaginings of Evil and gteat Depressions of Spirit, and will positively prevent YELLOW FEVEP, BILLIOUS FEVER, &c.

The Proprietor in colling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended. It is no ner untried article, but one that has stood of a twelve years' trial before the American people, and its reputution and sale that are unrivaled by any similar preparations extant. The restimony in its favor given by the most prominent and well-known Physicians and individuals in all parts of the Country is immense, and a careful perusal of the Almanac, published annually by the proprietors, and to be had gratis of any of their Agents, cannot but satisfy the most skeptical that this remedy is readly deserving the great celebrity it has obtained.

From J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of thers.

I do this more readily in regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encoragement to try them, when suffering from great and long continued debility. The use of throe bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six monts before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. NEWTON BROWN.

And grows more and more popular every day!

And stationarials, new, and almost without number, might be given from ladies and gentlemen in all grades of society, whose united testimony none could resist, that Prof. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty.

Battle Creek, Mich., Dec. 21st, 1858.

Prof. Wood:—Thee wilt please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to abtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cert I had on earth for a two dollar bottle of thy Hair Restorative about the first of August last. I have faithfully followed the directions and the bald spot is now covered with hair thick and black, though short, it is also coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to persevere in its use, and being destitute of means the purchase any more, I would ask thee if thee wouldst not be willing to send me an order on thine agents for a bottle, and receive to thyself the scripture decla-

and permanently, I feel anxious to persevere in its use, and being destitute of means te purchase any more, I would ask thee if thee wouldst not be willing to send me an order on thine agents for a bottle, and receive to thyself the scripture declaration—"the reward iz to those that are kind to the widow and the fatherless."

Thy friend, SUSANNAH KIRBY, Ligonier, Noble Co., Ind., Feb. 5th, 1859.
Prov. O. J. Wood: Dear Sir:—In the latter part of the year 1852, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, 20 that in the short space of six months, the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more easual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquainces were to recognize me at all.

I at once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair could again be restored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars' worth of your Restorative, and as a result; have a rich coat of very soft black hair, which no money can buy.

As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances, who, I am happy to inform you, are using it with like effect. Very respectfully, yours,

Attorney and Counsellor at Law.

would stand udrivalled. How well he has succeeded, the American people are able to judge: and we positively assert, that no preparations that have ever been placed before them, have conferred the same amount of benefits on suffering humanity, or have elicited so many commendations from all classes of society, as the remedies of Dr. Hoofand, prepared by Dr. C. M. Jockson & Co., of Philadelphia.

The Cordial is designed for a class of diseases more general and more fatal than any other to which the people of this country are subject—those springing from a "slepth cold." That eminent authority, Dr. Bell, says: "I will not say that Colds are to our inhabitants what the Plague and Yellow Fever are to those of other countries; but I can aver confidently that they usher in disease of greeter complicity and mortality than these latter."

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of

cher, with your system to ranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disorders they continue the formation of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstruction which make disease. A cold settles somewhere in the body, and obstructions which make disease. A cold settles somewhere in the body, and obstructions which make disease. A cold settles somewhere in the body, and obstructions which make disease. A cold settles somewhere in the body, and obstructions which make disease. These, if not relieved, take Ayer's Pills, and see how directly, they reactor the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seafed and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surery, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forecarding Merchant of St. Louis, Feb. 4, 1856.

DR: Ayer: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her lands and feet that had proved incurable for years. Her mother has been long grievously afficed with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE. As a Family Physic.

From Dr. E. W. Curtwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are nild, but very certain and effectual in their action on the owels, which makes them invaluable to us in the daily

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Ballimore.

DEAR BRO. AYER: I cannot answer you what complaints
I have cared with your Pills better than to say all that we ever treat with a puryative medicine. I place great dependence on an effectual cathartic in my daily contest with ase, and believing as I do that your Pills afford us the I we have, I of course value them highly.

Personna Po. Mer. 1 1855

Pirrsugue, Pa., May 1, 1855.

Dr. J. C. Ater. Sir: I have been repeatedly cured of the worst heudache any body can have by a dose or two of your Pilis. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE, Clerk of Sleamer Clarion. Billous Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remely I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856.

Sir.: I have used your Fills in my general and hospital
practice ever since you made them, and cannot he situe to
say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, conso
quently they are an admirable remedy for deradgements
of that organ. Indeed, I have seldom found a case of
billious disease so obstitute that it did not readily visible

Dysentery, Diarrhea, Relax, Worms. Your Pills have had a long trial in my practice, and I hold them in esteen as one of the best aperients I have ever found. Their afterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentry and distribute. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Prom Rev. J. V. Himes, Pustor of Advent Clearch, Boston, Dr. Aten: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES. my friends.

Constipation, Costiveness, Suppression,
Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vauglan, Montreal, Canada.

Too much cannot be said of your Pills for the eure of
costiveness. If others of our fraternity have found them
as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from
that complaint, which, although bad enough in itself, is
the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that
organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston I find one or two large doses of your Pills, taken at il proper time, are excellent pronotives of the natural section when wholly or partially suppressed, and also verefectual to cleause the stomach and exact property. The are so much the best physic we have that I re no other to my patients. From the Rev. Dr. Huwkes, of the Methodist Epis. Church

Prom the Rev. Dr. Howkes, of the Methodist Epis. Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONDRED Sin: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neurolyic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persovering in the use of them, I am now entirely well.

Senate Chamber, Baton Rouge, La., 5 Dec. 1855. Dr. Aten: I have been entirely cured, by your Pille, & Rememblic Goul—a painful disease that had afflicted m or years. for years. ror years.
