Some interesting figures about the condition of the iron and steel trade have been brought out at the meeting of the association in Pittsburg this week. No industry has felt the effect of the hard times more severely, and only 265 of the 692 blast furnaces reported last year were in operation. Those which were in operation, however, did a gread business, and the production of pig iron has advanced from 2,093,236 tons in 1876 to 2,577,361 in 1878. Another striking fact is the increase in the production of Bessemer steel. The amount of pig iron converted by the Bessemer process in 1874 was 204,352 tons, while last year it reached 739,765, and the amount of Bessemer steel rails produced grew between the same years from 144,944 to 550,398 tons.

There never was such a really good, substantial, satisfactory, and rapid-selling first-class Lock Stitch Sewing Machine offered so low as the "New Family Shuttle," reduced to only $25; more complete with equipments, and lower in price than any other machine. Has all the late improvements, is easy to learn and manage, is serviceable, don t wear out, always ready, and never out of order. Sent C. O. D. anywhere with privilege of examination before payment of bill. Agents make money rapidly, supplying the great demand for this the Cheapest Machine in the World. ONE PRICE, EXCLUSIVE

DRY GOODS STORE.

NO ONE CAN DISPUTE THE FACT THAT IT IS THE PLACE FOR BARGAINS!

I wish to call the public attention to my Dress Goods and Silk Department, which I can safely say is the largest, cheapest and most complete stock in the county. Look at the prices and judge for yourself.

Summer Suitings for - - - - - - 5 cents per yard.
Matalasse, - - - - - - - 10 cents per yard.
Alpaca, black and colored, - - - - 12 1-2 cents per yard.
Cashmere, - - - - - - - 20 cents per yard.
Cashmere, one yard wide, - - - - - 35 cents per yard.

AND A FULL LINE OF NOVELTIES IN DRESS GOODS.

Black Dress Silks in all qualities. Colored Silks in all shades.
An elegant assortment of Lawns.

☞ It needs no argument to convince the public that an exclusive Dry Goods Store has a great many advantages over a general merchandise store.

AN EARLY CALL IS SOLICITED AND I WILL BE ABLE TO PROVE THE ABOVE.

Yours, respectfully, J. H. BAULAND.

My motto is, *ONE PRICE AND THE VERY LOWEST, THE BEST OF GOODS, AND NO MISREPRESENTATION.*

S. & A. LOEB, General Merchants, Allegheny Street, Bellefonte, Pa.

SOUND REASONS

Why we can undersell any exclusive Clothing Store in Centre county.

Reasons which if carefully weighed will convince any one with average common sense:

First----We deal in all classes of general merchandise, including DRY GOODS, Clothing, Boots and Shoes, Groceries, Queensware, Notions, Carpets, Hats and Caps, *and everything generally kept in a well regulated Country Store.*

Second----We keep the largest and best assorted stock, in styles and qualities, of Men's, Youth's and Childrens' Clothing *in Centre county.*

Third----From the two foregoing reasons any one can easily see our maintenance does not depend upon the large profits that must be made on a suit of clothing by any exclusive clothing store, and consequently we can afford to sell at a smaller profit than any of them. And since we can afford it we are willing to give our customers the benefit of the same.

NEW GOODS

—FOR THE—

SPRING TRADE

We have given very close and careful attention to the selection of goods for the Spring Trade, and feel justified in saying that our present Stock cannot be excelled either in regard to Variety, Quality or Price, and we doubt if it is equaled in either of these respects by any house in Centre county.

There are too many leading articles in our stock to make special mention of them all, but call attention directly to a few items that are now being sought after every day.

Mackerel are of good quality this season and are selling rather faster than usual at this season of the year. We have been selling nothing but full weights—50 lbs. of fish in each quarter barrel and 100 lbs. in each half barrel. They have better value for the money than short weights.

Lake Herring and White Fish are very fine this season and selling freely.

Our Sugar-Cured Hams, Dried Beef, Breakfast Bacon and Cheese are all worthy of special mention.

Oranges and Lemons are very fine and the price low enough to to bring them into every day use. But the price on these goods will be much higher in a short time.

Our Meat Market, next door to our Grocery room, is always well supplied with the choicest meats. We kill the best Beef, Mutton and Veal that can be found; dressed in first-class style and served to customers in the neatest, cleanest manner possible.

No house in the Grocery and Provision business in Bellefonte is prepared to supply all the wants of the family so well as we can do at present.

Graduates in the other courses receive Normal Certificates of their attainments, signed by the Faculty.

The Professional courses are liberal, and are in thoroughness not inferior to those of our best colleges.

The State requires a higher order of citizenship. The times demand it. It is one of the prime objects of this school to help to secure it by furnishing intelligent and efficient teachers for her schools. To this end it solicits young persons of good abilities and good purposes—those who desire to improve their time and their talents, as students. To all such it promises aid in developing their powers and abundant opportunities for well-paid labor after leaving school.

For catalogue and terms address the Principal.
