#### A Mother's Duty.

A good mother should be firm, gentle, kind; always ready to attend to She should never laugh at her child. him at what he does that is cunning; never allow him to think of his looks, except to be neat and clean in his habits. She should teach him to obey a look, to respect those older than himself; and, above all, to love, honor and reverence God. She should never make a command without seeing that it is performed in the right manner. Never speak of a child's foibles, or repeat his remarks before him. It is a sure way to spoil a child. Never reprove a child when excited, nor let your tone of voice be raised when correcting him. Strive to inspire love, not dread-respect, not fear. Remember you are educating a soul for eternity.

#### Pennsylvania's True Coat-of-Arms.

The Bethlehem Times calls attention to the coat-of-arms displayed in more than half the newspapers in the State of Pennsylvania as not being the authorized version of that piece of republican heraldry. "In the correct coat-of-arms," remarks our cotempo-rary, "both horses are black, and not one white and one black, and neither horse should have his head turned back over his shoulder. The eagle in the correct version looks more like a turkey buzzard than the dignified bird of patriotism in the incorrect version, and the corrected horses are inferior to the incorrected ones. The correct horses are harnessed, while the incor rect ones are not."

#### What a Lemon Will Do.

A piece of lemon upon a corn will relieve it in a day or two. It should be renewed night and morning. The free use of lemon juice and sugar will always relieve a cough. A lemon eaten before breakfast every day for a week or two will entirely prevent the feeling of lassitude peculiar to the approach of spring. Perhaps its most valuable property is its absolute power of detection and the spring of the spring er of detecting any of the injurious and dangerous ingredients entering into the composition of so very many of the cosmetics and face powders in the mar-ket. Every lady should subject her toilet to this test: Place a teaspoonful of the suspected powder in a glass and add the juice of a lemon; if effervescence takes place it is an infallible proof that the powder is dangerous, and its use should be avoided, as it will ultimately injure the skin and destroy the beauty of the complexion.

"PRISONER, why did you follow this man and beat and kick him so shamefully?" "I am sorry your Hon-or; I was a little drunk. and I thought it was my wife."

THE DEATH-RATE OF-Our country is getting to be fearfully alarming, the average of life being lessened every year, without any reasonable cause, death resulting generally from the most insignificant origin. At this season of the year especially, a cold is such a common thing that in the gin. At this season of the year especially, a cold is such a common thing that in the hurry of every day life we are apt to overlook the dangers attending it and often find too late, that a Fever or Lung trouble has already set in. Thousands lose their lives in this way every winter, while had Boschee's German Syrup been taken, a cure would have resulted, and a large bill from a Doctor been avoided. For all diseases of the Throat and Lungs, Boschee's German Syrup has proven itself to be the greatest discovery of its kind in medicine. Every Druggist in this country will tell you of its wonderful effect. Over 950,000 bottles sold last year without a single failure known. Sold by F. Potts Green, wholesale and retail.

As this is the season when colds are most likely to be taken, a word of advice to our readers would be in season: First, then, keep your feet dry; wear flannel next your skin; do not sit or stand in draughts, of air, and upon the first symptom of a cold or a cough call at Green's Drug Store, in Bush House Block, and procure a bottle of his "Compound Syrup of Tar, Honey and Bloodroot," which will give you almost instant relief. It is a pleasant and effectual preparation, containing the virtues of Tar combined with some of the best expectorants and anodynes, allaying all expectorants and anodynes, allaying all those distressing symptoms which if not promptly arrested will too frequently re-sult in that fatal disease, Consumption. #### S. & A. LOEB, General Merchants, Atlegheny Street, Bellefonte, Pa.

## SOUND REASONS

Why we can undersell any exclusive Clothing Store in Centre county.

Reasons which if carefully weighed will convince any one with average common sense:

First----We deal in all classes of general merchandise, including DRY GOODS, Clothing, Boots and Shoes, Groceries, Queensware, Notions, Carpets, Hats and Caps, and everything generally kept in a well regulated Country Store.

Second---- We keep the largest and best assorted stock, in styles and qualities, of Men's, Youth's and Childrens' Clothing in Centre county.

Third---- From the two foregoing reasons any one can easily see our maintenance does not depend upon the large profits that must be made on a suit of clothing by any exclusive clothing store, and consequently we can afford to sell at a smaller profit than any of them. And since we can afford it we are willing to give our customers the benefit of the same.

#### NEW GOODS FOR THE

# SPRING TRADE

We have given very close and careful attention to the selection of goods for the Spring Trade, and feel justified in saying that our present Stock cannot be excelled either in regard to Variety, Quali-ty or Price, and we doubt if it is equaled in either of these respects by any house in Centre county.

There are too many leading ar-ticles in our stock to make special mention of them all, but call attention directly to a few items that are now being sought after every day.

Mackerel are of good quality this season and are selling rather faster than usual at this season of the year. We have been selling nothing but full weights—50 lbs. of fish in each quarter barrel and 100 lbs. in each half barrel. They have better value for the money than short weights.

Lake Herring and White Fish are very fine this season and sell-ing freely. Our Sugar-Cured Hams, Dried

Beef, Breakfast Bacon and Cheese

are all worthy of special mention.

Oranges and Lemons are very fine and the price low enough to to bring them into every day use. But the price on these goods will be much higher in a short time.

Our Meat Market, next door to our Grocery room, is always well supplied with the choicest meats. We kill the best Beef, Mutton and Veal that can be found; dressed in first-class style and served to customers in the neatest, cleanest

manner possible.

No house in the Grocery and Provision business in Bellefonte is prepared to supply all the wants of the family so well as we can do at present.
