We have given very close and careful attention to the selection of goods for the Spring Trade, and feel justified in saying that our present Stock cannot be excelled either in regard to Variety, Quality or Price, and we doubt if it is equaled in either of these respects by any house in Centre county. There are too many leading articles in our stock to make special mention of them all, but call attention directly to a few items that are now being sought after every day.

FISH. Mackerel are of good quality this season and are selling rather faster than usual at this season of the year. We have been selling nothing but full weights—50 lbs. of fish in each quarter barrel and 100 lbs. in each half barrel. They have better value for the money than short weights.
