Groceries and Provisions.

NEW GOODS -FOR THE-SPRING TRADE

We have given very close and careful attention to the selection of goods for the Spring Trade, and feel justified in saying that our present Stock cannot be excelled either in regard to Variety Qualieither in regard to Variety, Quality or Price, and we doubt if it is equaled in either of these respects

by any house in Centre county. There are too many leading articles in our stock to make special mention of them all, but call attention directly to a few items that are now being sought after every day.

FISH. Mackerel are of good quality this season and are selling rather faster than usual at this season of the year. We have been selling noth-ing but full weights—50 lbs. of fish in each quarter barrel and 100 lbs. in each half barrel. They have better value for the money than short weights.

Lake Herring and White Fish are very fine this season and selling freely.

MEATS. Our Sugar-Cured Hams, Dried Beef, Breakfast Bacon and Checse

are all worthy of special mention. FRUIT. Oranges and Lemons are very fine and the price low enough to to bring them into every day use.

But the price on these goods will be much higher in a short time.

MEAT MARKET. Our Meat Market, next door to our Grocery room, is always well supplied with the choicest meats. We kill the best Beef, Mutton and Yeal that can be found; dressed in first-class style and served to customers in the neatest, cleanest

manner possible. Groceries and Provisions. No house in the Grocery and Provision business in Bellefonte is prepared to supply all the wants of the family so well as we can do at

present. SECHLER & CO.

GROCERS. Bush House Block, Bellefonte, Pa.

CENTRAL STATE NORMAL SCHOOL (Eighth Normal School District,) LOCK HAVEN, CLINTON CO., PA.

A. N. RAUB, A. M., Principal.

THIS SCHOOL, as at present conattituted, offers the very best facilities for Pro-fessional and Classical learning.

Buildings spacious, inviting and commodious; com-pletely heated by steam, well ventilated, and furnish-ed with a bountiful supply of pure water, soft spring

water. Location healthful and easy of access. Surrounding scenery unsurpassed. Teachers experienced, efficient, and allve to their ipline, firm and kind, uniform and thorough. each.

Btudents admitted at any time.

Courses of study prescribed by the State: I. Model
School, II. Preparatory. III, Elementary. IV. Sci-

School, II. Preparatory. III. Elementary. IV. Scientific.

ANUNCT COURSE:

I. Academic. II. Commercial. III. Music. IV. Art. The Elementary and Scientific courses are Protessional, and students graduating therein receives state Diplomas, conferring the following and corresponding degrees: Master of the Elements, and Master of the Sciences. Graduates in the other courses receive Normal Certificates of their attainments, signed by the Faculty.

The Professional courses are liberal, and are in thoroughness not inferior to those of our best colleges. The State requires a higher order of citizenship. The times demand it. It is one of the prime objects of this school to help to secure it by furnishing intelligent and efficient teachers for her schools. To this end it solicits young persons of good abilities and good purposes—those who desire to improve their time and their talents, as students. To all such it promises aid in developing their powers and abundant opportunities for well-paid labor after leaving school. For catalogue and terms address the Principal.
