NEW GOODS -FOR THE-SPRING TRADE

We have given very close and careful attention to the selection of goods for the Spring Trade, and feel justified in saying that our present Stock cannot be excelled either in regard to Variety, Quali-ty or Price, and we doubt if it is equaled in either of these respects by any house in Centre county.

There are too many leading ar-ticles in our stock to make special mention of them all, but call attention directly to a few items that are now being sought after every day. FISH.

Mackerel are of good quality this season and are selling rather faster than usual at this season of the year. We have been selling nothing that the season of the season o ing but full weights—50 lbs. of fish in each quarter barrel and 100 lbs. in each half barrel. They have better value for the money than short weights.

Lake Herring and White Fish are very fine this season and sell-

ing freely. MEATS.

Our Sugar-Cured Hams, Dried Beef, Breakfast Bacon and Checse are all worthy of special mention.

FRUIT.

Oranges and Lemons are very fine and the price low enough to to bring them into every day use. But the price on these goods will be much higher in a short time.

MEAT MARKET.

Our Meat Market, next door to our Grocery room, is always well supplied with the choicest meats. We kill the best Beef, Mutton and Veal that can be found; dressed in first-class style and served to customers in the neatest, cleanest manner possible. Groceries and Provisions.

No house in the Grocery and Provision business in Bellefonte is prepared to supply all the wants of the family so well as we can do at present.
