Farm for Sale.

HAVING determined to "Farm less land, and farm it better," the subscriber offers for sale one of the two farms he now occupies

IN HOWARD TOWNSHIP.

This farm is located on the north side of the Bald Eagle creek, nearly opposite the Borough of Howard. It has a frontage of 90 rods on the creek, with a high bank which never overflows.

It contains 200 acres of land, more or less, about 140 of which is cleared. The remainder is woodland.

It is well watered, having besides the creek frontage, a well at the house, a spring run traversing the whole length of the place, and several springs in the fields, at least two of which are very fine ones, and so situated as to be easily piped to the buildings.

The buildings are beautifully located upon a roll of land, a few rods from the creek, upon the public road leading up and down the creek, and within ten minutes walk of the post office, depot, stores and churches of Howard Borough.

The house is frame, and nearly new. It is 30x36 ft. in size, two full stories high, containing eight large rooms, with hall both up stairs and down, beside a first-class cellar and attic, both of which are the full size of the house.

Conveniently near this is a good bank barn, also nearly new. It is 45 by 80 feet, containing two excellently finished thrashing floors, a good granary, first rate stabling, and has attached to it a large corn crib, and a wagon shed, 16x45 feet, with a mow overhead.

A portion of the land is well adapted to timothy, and has yielded, for its present owner, as high as three tons first class hay per acre. A good P. K. Dederick hay baling machine, and Fairbank's scales for weighing the bales are now in the barn, and will be sold with the farm, if desired.

Other parts of the land are well suited to tobacco culture, and yielded a number one crop last season.

Farms with so many advantages as this are rarely offered for sale. It will be sold at a fair price, and on reasonable terms.

If not sold soon it will be

For Rent to a Good Tenant

for the coming year.

THE GEISER THRESHER AND SEPARATOR.—The reputation of this machine is so well established that we can say nothing about it that the people do not know. Any person wanting one, or in need of repairs for these now in the county, please call.
