-The leaves will soon begin to fall. -Squirrels can now be legally shot. -Oysters have arrived. September. -The blending clouds of dust are very disagreeable.

-Don't forget to prepare something for the coming county fair.

-See the advertisements of Mr. L. Tj Wilson in another column.

-For hats, caps, neckties and collars go to the Philadelphia Branch.

-Harry Green's cigars are of the finest brands and give entire satisfaction. Try them

-We have just opened a new line of ladies' hats and millinery for fall wear. Lyon & Co.'s one price store.

-There is a great demand for cigars in summer as in winter, and in both seasons Harry Green's is the place to buy them.

Some men can dress neatly on a small outlay of money because they buy their clothes of Lewin, at the Philadelphia Branch.

-Mr. Al. Haupt, lately an employe of this office, has gone to Pittsburg, where he will work in a job office. We wish him success.

-An unregistered physician cannot collect payment by law for professional services. It is singular that this fact has not made the doctors more anxious to register. -Just opening out, a big stock of fall

suits for children, boys and men. It will pay you to see onr stock before buying elsewhere. Lyon & Co.'s one price stores. -Persons desiring fine bed room suits

should visit Brown's furniture store on Bishop street. They will be certain to find satisfactory styles at prices that will astonish them.

-The tallest soldier at the Saltsburg encompment was Thomas Near, of Clarion, who stands 6 feet 8 inches in his stocking feet. The tallest man in Company B isn't Near that tall.

-An exchange says that an old hunter in Warren county recently killed thirtynine snakes in one day. That story is almost as tough as the mutton at the Springs hotel at Bedford.

-"'Laugh and grow fat" is an old proverb, but the man with a torpid liver can't laugh. What shall he do? Let him take Green's No. 1 and 2 Liver Pills and he'll laugh all over his face.

-A fierce fire has been raging for some days in the mountains near Snow Shoe.

-For fine furniture of any description call upon A. J. Brown & Co., Bishop street, Bellefonte. Prices low and satisfaction guaranteed.

-It would be well for those who hold judgments entered upon our county dockets to remember that they cease to be liens on real estate unless revived within five years from their dates. This fact is generally known, but an erroneous impression prevails with many persons that their judgments are kept alive by the payment of interest.

-An alarm of fire was raised the other day by the burning of the grass in the back part of the yard surrounding the residence of Mr. Daniel Rhoades on Linn street. It is not known how the grass took fire. It was long and dry and of course burned quite rapidly, but the flames were stayed before they reached any of the buildings. The only damage done was to shrubbery and perhaps a few trees.

-When a person goes to a store to purchase supplies for the family, it is always a pleasure to find fresh and pure groceries for sale. Where such are to be found you will always see a rush of business. This is the case at the store of Sechler & Co. They keep the best of everything and no one is ever deceived or disappointed in the goods bought at this establishment. Make a note of this fact.

-The Patrons of Husbandry, it will be seen by a notice elsewhere, are to hold their annual picnic on the top of Nittany Mountain on the 15th inst. These delightful gatherings of the farmers of Centre county and their families are every year increasing in favor, and those who have never been present to witness the cordial greetings on these occasions have denied themselves a real pleasure, which we advise them to enjoy at the approaching pienie.

-The fruit-canning season is an important period in the life of the housekeeper, and as economy is always to be considered all housekeepers should know that sugar boiled with an acid, if it be but three minutes, will be converted into glucose, which is the form of sugar found in sweet apples. One pound of sugar has as much sweetening power as two and a quarter pounds of glucose ; in other words, one pound of sugar stirred into the fruit after it is cooked and while yet warm, will make the fruit as sweet as two and a quarter pounds added while the fruit is boiling.

-The strictures of the Morning News pon the proprietors of the Bedford prings Hotel in relation to the treatment eceived by the excursionists who stopped there on Friday and Saturday last are entirely too severe. The gentlemen who run is heaped upon them by the News. Aside difficulty was soon adjusted, and we believe sung. that all who remained until Saturday afternoon were satisfied with their entertainment.

PRAYER FOR THE PRESIDENT .- On Saturday last Gov. Hoyt issued a proclamation to the people of Pennsylvania, inviting them to assemble between the hours of ten and twelve o'clock, on Tuesday, the 6th instant, for the purpose of uniting in prayer for the recovery of President Garfield. The proclamation of the Governor

reads as follows : "In the name and by the authority of he Commonwealth of Pennsylvania, the the people of Pennsylvania are invited to assemble in their respective houses of wor-ship on Tuesday, the sixth day of Septem-ber instant, between the hours of ten o'clock, A. M. and twelve o'clock noon, to unite in public prayer and supplication to Almighty God for the restoration to health and strength of the President of the Unit-ed States and to invoke the Divine aid and blessing upon the Nation and State."

When the request of the Governor was received at Bellefonte on Monday, it was determined to comply with it by holding a union prayer meeting in the Court House at eleven o'clock, A. M., of the day named, and Chief Burgess Powers issued a call for that purpose early on Tuesday morning, as follows

Proclamation .- In accordance with the proclamation of the Governor, a Union prayer meeting will be held this morn-ng at 11 o'clock, in the Court House, to offer supplications for the recovery of the President. I hope the places of business President. I hope the places of business will be closed and all who can will attend. JOHN POWERS, C. B.

The request of Chief Burgess Powers net with an earnest and sincere response from our citizens, and between the hours named, on Tuesday, the banks, stores, and other places of business were closed, and for the time being our streets presented the quietness of a Sunday. At the appointed time a large assemblage of ladies and gentlemen met at the Court House for the purpose of offering up prayer and supplication to Almighty God in this hour of the nation's distress, and the exercises were of a peculiarly solemn and impressive character.

The service was conducted by Rev. William Laurie, of the Presbyterian church, who opened the exercises by requesting the meeting to sing the 105th hymn, from "Gospel Hymns and Sacred Songs,"

"From every stormy wind that blows, From every swelling tide of woes, There is a calm, a sure retreat; "Tis found beneath the mercy seat."

After the singing of the hymn, Mr. Laurie read a part of the twentieth chapter of 2d Kings, as an appropriate lesson for the occasion, and then made an earnest prayer. The 29th hymn was then announced.

¹⁰⁰ . What a friend we have in Jesus, All our sins and griefs to hear : What a privilege to carry Everything to God in prayer. Ob, what peeches pain we bear, All became we do not carry Everything to God in prayer."

Before the singing of this hymn Mr. Laurie made a few remarks upon the purpose of prayer, and the spirit in which the hotel do not deserve the censure which prayer should be offered on the occasion which had called the people together. The from a slight misunderstanding in regard singing was followed by prayer by Rev. to the terms upon which the party was to G. W. Pennypacker, of the Methodist be entertained there was no trouble. A TRIBUTE TO THE VENERABLE JAMES MACMANUS .- Fifty-five years ago, on the 29th day of August, the Hon. James Mac-Manus, was admitted to the Centre county courts as a practicing attorney. Throughout this long period of time, more than half a century, he has been a prominent and useful citizen of our county. He often served the people of the county in high positions of public trust, always with ability and always with faithful devotion to the interests of those he represented. At the bar he stood high and ever commanded the respect of his brethren. For many years Mr. Mac Manus has been the "Father of the Bar," and now, that he is no longer able to take part in the active struggles of his profession, it was a well-timed and graceful tribute which his brethren paid him after his long years of service. He was made the recipient of a beautiful gold headed cane which bears the following inscription

A HOT MONTH .- The month of August for the present year has been hotter than any August that has preceded it for six years past, with the single exception of 1877

A table of temperatures for the first thirty days of the month shows the mean temperature to have been 74.8 degrees. The hottest day of the month was the 13th ult., when the thermometer registered 99 at the United States Signal Service office.

The coolest day was the 18th ult., when the thermometer did not go above 67, falling as low as 59 at one time during the day, which was the lowest point reached during the month. On twenty-four days out of the thirty the temperature ranged about 80 degrees, while on several days it was above 90 degrees. The highest mean temperature, taking the day through, was on the 5th ult., the average heat being 84.2 degrees. The rainfall only amounted to 1.18 inches.

As compared with last year these figures are in excess, the hottest day in August, sociation met in the forenoen of that day 1880, being but 90 degrees, while the coolest was 56. The average for the month was 72.8 degrees, while the rainfall was. which reports from the different churches 5.09 inches.
