The bank will begin business about the first of April. Daniel McCarty, of Columbia, Pa., a brakeman, was jolted from a freight train near Gallagherville last night and instantly killed. Major Wm. P. Elliott of Lewistown, who is probably the oldest printer in the State, has just attained his eighty-ninth birthday. The Pennsylvania railroad company intend charging employes one half cent per mile, in order to curtail the number of free passes over their road. The Hummel mines at Nazareth, Northampton county, are estimated to contain 200,000 tons of iron ore, which is to be mined at 50 cents a ton royalty. The Westmoreland and Penn Gas Coal Companies are buying up large tracts of coal land between Irwin Station and West Newtown, Westmoreland county. Daniel McCarty, of Columbia, a brakeman on the Pennsylvania railroad, was jolted from a freight train near Gallagherville on Sunday night and instantly killed. John Vanderslice died in Phoenixville on Saturday, aged 81 years. He was at one time prominent as an Odd Fellow and Mason, and he made a trip around the world. Mr. Lawler, a copersmith of Corry, has sued Mr. Anson Porter, a banker of that place, for libel, placing his damages at \$10,000. The Detroit Free Press says that a Missouri woman has spent eight years in collecting seventeen hundred thread spools. She and the man who writes four or five thousand words on a postal card should marry and then commit suicide out of regard for the feelings of their relations—if they have any. The Baltimore and Ohio Railroad Company recently constructed a large trestle work near Braddock, Pa., in one night. The idea was to prevent the new line proposed by Mr. Vanderbilt, and known as the Pittsburgh and Youghiogheny, from building on that side of the Youghiogheny river, and securing freight traffic from the Edgar Thomson Steel Works and McKeesport. The New York, Susquehanna and Western railroad, a branch from the Jersey Midland railroad into the northern coal field, has made many contracts with coal operators. The road will be completed to Stroudsburg by the 1st of May. The lands owned by it when developed will yield about 1,500,000 tons a year, although it is not calculated to ship more than 200,000 tons this year. Mrs. Seerbearing, of Pine Swamp, Carbon county, was put off a Jersey Central train at Weisport, Carbon county, about two weeks ago, as she was too unwell to proceed further. She was taken into the house of Mr. A. W. Marsh, and two days afterward broke out with smallpox. She then confessed that she had contracted the disease attending the funeral of her daughter in Philadelphia. A few days afterward she was removed to her home, where she died. SWEDISH BITTERS.

THE GREAT Swedish Dyspepsia Remedy!

The chief ingredient and life giving element of this great remedy is an herb commonly known as bitter-mint although but very rarely found in this country, excepting in the extreme Northwest. It is gathered in profuse abundance by the Laplanders in the bleak and snow-clad mountains of Norway and Sweden, and has, in connection with other ingredients, been used among themselves exclusively for years as one of the greatest remedies for Dyspepsia, Kidney and Liver complaint that has ever been known.

In placing this preparation before the American public we candidly believe that we have filled a long felt want, by giving a medicine that will not only temporarily relieve, but will positively cure Dyspepsia, Kidney and Liver Complaint, and all their various effects, such as Sour Stomach, Sick Headach, Pains in the side and Back, Palpitation of the Heart, Costiveness, Indigestion, Yellow Skin, Swelling of the Head, Fullness at Pit of Stomach, Low Spirits, &c. Three doses will relieve the worst case. Ask your druggist for a bottle and be convinced. Price, 75 cents. 27
