SWEDISH BITTERS.

THE GREAT Swedish Dyspepsia Remedy! The chief ingredient and life giving element of this great remedy is a herb commonly known as bitter-root although but very rarely found in this country, excepting in the extreme Northwest. It is gathered in profuse abundance by the Laplanders in the bleak and snow-clad mountains of Norway and Sweden, and has, in connection with other ingredients, been used among themselves exclusively for years as one of the greatest remedies for Dyspepsia, Kidney and Liver Complaint that has ever been known. In placing this preparation before the American public we candidly believe that we have filled a long felt want, by giving a medicine that will not only temporarily relieve, but will positively cure dyspepsia, Kidney, and Liver Complaint, and all their various effects, such as Sour Stomach, Sick Headach, Pains in the side and Back, Palpitation of the Heart, Constipation, Indigestion, Yellow Skin, Swimming of the Head, Fullness at Pit of Stomach, Low Spirits, &c. Three doses will relieve the worst case. Ask your druggist for a bottle and be convinced. Price, 75 cents. 2-y
