A call has been issued for a National Prohibition convention to meet at Chicago on the 23d of August.

A fire in the Webster Law Building, at Washington, D. C., Sunday morning caused damage aggregating \$5000.

Commissioner Dudley says it will take \$100,000,000 to pay pensions to soldiers whose claims are to be adjusted during next year.

Petitions and applications of all sorts for Executive clemency in the case of Sergeant Mason are pouring in upon the President from all quarters.

A young couple were baptised together at Troutdale, Tenn., and immediately afterward were married in their dripping garments by the same clergyman.

The entire incoming eastern night mail at the Madison, Wis., postoffice, consisting of about two thousand letters, was burned up at an early hour last Friday morning.

The Denver Tribune says that Mrs. R. B. Hayes' husband has just been re-elected road overseer at Fremont, Ohio. At any rate, the other fellow wasn't counted in.

Deacon Smith, of the Cincinnati Gazette, remarks that "the Stalwart gang which made war on President Garfield is now having its full satisfaction, if Guiteau left any shortage."

Mrs. Garfield, Mrs. Polk and Mrs. Tyler have been added to the pension rolls for \$5,000 a year each. The first and the last named do not need the money, but Mrs. Polk does.

There was no attempt to deceive the guests as to the ages of the bride and bridegroom of a wedding at Elgin, Ill. The cards of invitation said: "Smith Jamison 84, to Sarah Seward 83."

The striking spinners of Lynn, Mass., are very determined not to return unless at the old figures. No disturbance has occurred. About 350 hands are already out and it is thought others will join them.

The report of a snowslide at Genoa, Nevada, is confirmed. Mr. and Mrs. Nimrod Bowen, Miss Borlin and a number of Indians, variously stated at from seven to fifteen were killed. All the bodies have not yet been recovered.

H. S. Seward, supposed to have come from Los Angeles, on Friday, last, palm ed off two alleged gold bricks on Peter Kiernan, the bullion clerk of the United States Mint at New Orleans, and received a negotiable receipt for deposit of 733 33-100 ounces gold, valued at \$15,000.

A dastardly attempt was made at New Orleans, Saturday night, to cut the levee within the city limits. Timely discovery was made and the cut filled, the overflow of a large portion of the city being thereby prevented. The perpetrator has not yet been discovered.

Later advices from Costa Rica prove that the recent earthquake was by no means so destructive of property as was at first reported and that no loss of life whatever occurred. It is a very poor season for earthquakes when Central America cannot do better than this.

A dog stole a piece of meat from Stranahan's butcher shop at Holly Michigan, and the man threw a knife at the thief, which killed him. The owner of the dog prosecuted Stranahan for cruelty, the town became excitedly divided in sentiment, the trial employed the best legal talent in the county, and the butcher was finally fined \$10.

Oliver John Kenyon's house at Ashtabbe, Wis., originally had only one story. When his son married he added a story for the accommodation of the new family, and a third was put on when his grandson took a wife. He is now eighty years old, and it is therefore unlikely that the building will be further heightened for a great-grandson, though hopes so.

Commissioner of Indian Affairs Price is engaged in the preparation of a report to the Secretary of the Interior recommending the removal of the Apache, Navajos and Mesquero Indians now located in New Mexico to a suitable reservation in the Indian Territory. In making this recommendation the commissioner is influenced by the urgent representations of various Indian agents.

A couple composed apparently of a boy of 16 and a girl of 12 presented themselves to a justice at Gilpin, Mo., and asked to be married. The justice replied that he was not in the habit of joining children in wedlock, and advised them to go right back to their parents. They asserted that they were over twenty, and so they were, being dwarfs; but they had to bring witnesses and the family record before the official would believe it.

HAYESVILLE, O., Feb. 22, 1882. I am very glad to say I have tried Hop Bitters, and never took anything that did me as much good. I only took two bottles and I would not take \$100 for the good they did me. I recommend them to my patients, and get the best results from their use.
