THE NEW YORK WORLD,

Bellefonte Enterprises

ITH the New Year Bellefonte promises to develop into the most prosperous of our inland towns-enterprise after enterprise is being started by the capital of our public spirited citizens. The CAR WORKS are running to their full capacity, our GLASS Works are opening with every show of success, the STEEL WORKS will give employment to 100 men, the NAIL WORKS, for whose success Gen. Beaver vouches, will shortly offer employment to hundreds of people-all these public enterprises will put Bellefonte in the van of prosperous and wide-awake towns. Here, then, is room and place for lively, spirited and active young men. Among the best and most successful business enterprises organized recently is the LARGE AND WELL FILLED FURNITURE ROOMS of JOHN PROUDFOOT & CO., opposite the Bush House-nothing like it in the County. If visitors to Bellefonte will only take the trouble to call at our Store they will be surprised at the quality, style and prices of first-class Furniture. We are aiming to buy all goods directly from the manufacturers without the intervention of agents, so as to offer goods at bottom figures. ONE profit is sufficient. We propose to fill your homes with Parlor Suits, Bed Room Suits, Sofas, Odd Chairs, Tables, anything and everything in Furniture at prices lower than you can get in this

County. We mean just what we say. We also offer the public the services of Mr. John Proudfoot, who has a thorough knowledge of the UNDER-TAKING business, and who will keep on hand COFFINS, TRIMMINGS, &c., together with a first-class HEARSE. Fair prices only will be charged. Give us a trial.
