

# The Centre Democrat.

Thursday Morning, September, 7, 1882.

Correspondence, containing important news, solicited from any part of the county. No communication inserted unless accompanied by the real name of the writer.

## Local Department.

**WANTED.**—A situation as book keeper by an unmarried man possessing every qualification and prepared to give best recommendations and testimonials as to competency and character. Address, A. B. care DEMOCRAT, Bellefonte, Pa. 2t.

**LOST.**—Between Bellefonte and Milesburg, on Tuesday 5th inst., a hunting-case silver watch. The finder will be liberally rewarded upon its return to the undersigned, or by leaving it at the CENTRE DEMOCRAT office. JOHN TATE, Bellefonte.

—Wm. Lyons is happy. It's a girl.

—PERUNA is in itself a great physician.

—Our much esteemed friend, B. O. Deininger, of the *Millheim Journal*, was in town on Friday.

—Mr. R. J. Walters, of Lewistown, a veteran journalist, paid the DEMOCRAT the honor of a call on Friday.

—Miss Laura Parsons, of Philadelphia, is visiting Miss Jennie Barnes of Pleasant Gap, and Miss Minnie Hoy of this place.

—Do not ask Mr. James A. McClain whether or not he intends to challenge Courtney or Hanlan, he might be offended.

—On Tuesday next, Miss Ida Gerberick will leave home to enter the ladies' seminary at Lutherville, Md. We wish her a pleasant and profitable term.

—Mr. Bond Valentine will offer the Wolf property, situated on Allegheny street, between Linn and Howard, at public sale, at the Court House, on Monday, September 11, 1882.

—Prof. S. T. Stephenson, the penman who has been engaged here for some time past, is connected with the public schools at Lock Haven. The professor is an active worker and pleasant gentleman.

—Mr. Samuel Lewin expects to go to Philadelphia, next week, and upon his return will be able to show an entirely new stock of goods. He means to handle a line of fine clothing never before sold in this town.

—A huge pile of coal, lying in front of the residence of a Linn street magnate, attracted the attention of a visiting editor who remarked "The possession of that heap of unconsumed carbon would make a printer's heart glad." Just so.

—Mr. Frank Hamm, who for some time was an attaché of the Bush house has received an appointment in a mercantile establishment at New Bethlehem, Pa. Frank is a good fellow and we sincerely trust he may find his new business venture a pleasant and profitable one.

—The Snow Shoe freight that should have reached here on Thursday, 24th ult. did not come until Friday afternoon. While descending the mountain the rails spread allowing part of the train to leave the track. The cabin was badly used up as also was one other car. No person was injured, which is rather remarkable, too.

—It affords us real pleasure to be able to announce that Rev. John Hewitt, Rector of the Episcopal church, has been induced to remain in charge of the church here. He had resigned early in the summer on account of ill health but has materially improved since then. This news will be gratifying to the gentleman's numerous friends.

—The members of the Methodist Sunday-school were favored with the presence of Prof. A. D. Lane, of Buffalo, N. Y., on last Sabbath. This gentleman is a noted vocalist and will undertake to organize a class here. He is a powerful bass singer and comes to us highly recommended as a proficient instructor and Christian gentleman. Encourage him.

—"Inquirer" asks who are admitted as members of the boat club? Those who pay the fee, \$15. The membership is not exclusive, the social element in its make up has not been overlooked, and all who desire to connect themselves with the club will be warmly welcomed. No other town of equal size can boast as completely equipped and gentlemanly a club as ours.

—The Nittany Valley mining company is pushing things at a lively rate in the vicinity of the State College, getting machinery in shape, sinking Artesian wells, etc. This company includes many of the most prominent citizens of the valley, who intend to put an excellent quality of ore on the market. We shall give a more detailed account of operations in a future issue.

—The Pennsylvania railroad company has built and put the rolling stock on a branch of the Snow Shoe railroad running from Snow Shoe to Leatherwood run, where it reaches the lands of the Midland Mining Co. The road will be speedily finished up the Little Sandy run, and open up the Sugar Camp district, one of the most valuable in the State. The coal is superior quality of bituminous, and is rated high in the manufacture of gas and coke, and for heating purposes is second to none. It is useless to speculate upon the probable effect this enterprise will have upon business operations in this county, or what vast fields are yet unexplored, awaiting the investment of capital and push to still further enhance the commercial importance of our county and its busy people.

**ATTENTION VETERANS.**—The Ninth Annual Reunion and Basket Picnic of the Veteran Club of Centre county will be held in the City Park, Snow Shoe, Saturday, September 9, 1882. Exercises begin at 11 o'clock A. M. No postponement on account of weather. A special train will leave Bellefonte for Snow Shoe at 9 o'clock A. M. Passengers from above the intersection can come to that point by this train on its way from Tyrone. Passengers from below Milesburg can reach that point by the morning express from Lock Haven. Fare for round trip from Bellefonte, Milesburg and Intersection SIXTY-FIVE CENTS. From Tyrone to Julian (inclusive) and from Lock Haven to Howard (inclusive) tickets will be sold at usual excursion rates to Milesburg, September 9th. Ample railroad facilities are promised. The community is cordially invited. To those who have never visited Snow Shoe, the ride over the "Switchback" alone, will more than compensate for the outlay. On behalf of the Executive Committee, JAMES A. BEAVER, Pres't.

**D. S. KELLER, Secty.**

**UNWILLING PEDESTRIANS.**—Among hundreds of others who were standing around the depot on Friday forenoon were the heroes of our story—most story-writers have but one hero—Messrs. A. Loeb, Lawrence Brown and Jno. L. Kurtz. They watched the numerous arrivals, and just as the mail train pulled out, one proposed they go to Milesburg and meet the Juniata Valley Printer's Association, whose train was lying at the latter place, waiting for a clear track. They essayed to board the moving train and succeeded without breaking their necks, and scarcely had this excitement abated until Kurtz was startled by the demand of the conductor for tickets—he had no ticket and examination of his various pockets brought out the fact that he had no money either. Mr. Loeb kindly advanced the 8 cents necessary to secure passage to M. On the way down they speculated upon the manner in which they would be received by the printers, thinking they would consider them the leading citizens of Bellefonte, and had everything satisfactorily arranged. But, alas! they were not off the one train in time to get aboard the other, here they were two miles from home and no train due until 4.30 P. M. With the promptness that characterizes their business operations they held a council of war and decided to walk. It is not necessary to remark that the meandering trinitrate reached home woefully crestfallen, as mad as hornets, fully satisfied that Pullman palace cars are of little use unless you are in them. Another little party also missed connections but were sent home by Mr. Kohlbrocker, to whom the members (delicacy prevents the mention of names) return heartfelt thanks.

**PRINTERS AT LARGE.**—The annual excursion of the printers to this place on Friday last was an occasion of much pleasure to the members of the fraternity who constitute the Juniata Valley Printers' Association. The train, composed of nine cars, all filled, arrived shortly after 10 A. M. The visitors were received by the Logan and Undine fire companies, and escorted to the court house yard, where, after organizing, they were welcomed by Hon. C. T. Alexander, whose address was delivered to the "Editors, Compositors, Pressmen and Devils" of the *J. V. P. A.* Mr. Swartz, of the *Altoona Tribune* responded, and ex-Gov. Curtin spoke for a short time. The chairman was requested to announce a motion to adjourn *sine die*, which was carried, and virtually disposes of the Association as now constituted. It is not probable that the organization will be continued, having become unwieldy and cumbersome.

After adjournment the guests gave themselves wholly to enjoyment, the many happy faces and pleasant groups testifying to the satisfaction derived from a short sojourn in our mountain city.

The visitors were struck with the solid appearance of everything, and many expressed a wish to be able to locate here. Every effort was put forth to please, amuse and entertain. After dinner two balls, one at the Bush house and the other in the armory of Company B, together with a game of base ball between Altoona and Huntingdon clubs, the score Altoona 34, Huntingdon 6, attracted the attention of the younger members, while the older ones visited various parts of town, called upon popular citizens, and endeavored to make as many new friends as possible.

Three bands, M'Veytown, Zion and Pleasant Gap, were in attendance. Altogether it was pronounced the most enjoyable of the five annual excursions, and Bellefonte can pride herself upon having done all to entertain her visiting friends that lay in her power.

—Prof. Wolf, county superintendent, conducted the examination of teachers for Spring and Benner townships, at Pleasant Hill school house, on Monday. The class consisted of J. F. Harrison, Jr., W. H. Noll, Jr., J. A. Noll, J. D. Miller, R. B. Harrison, Pleasant Gap; Misses Lido McGinley, Maria Marshall, Ella Marshall, Mollie Garber, James Williams, G. B. Shivery, Bellefonte; Harry C. Norris, Fillmore; W. L. Snyder, Centre Hill; Miss Lido M'Elroy, J. W. Shires, Potters Mills; T. A. Lucas, Howard. Directors present: A. J. Hazel, Armagast, Uriah Stover, Ferdinand Beizer.

—The only physician we have had in the family for three years is PERUNA—the best.

—All is activity in the theatrical world. Theatre managers have ordered their annual supply of brilliants and the season promises to be one of the most delightful ever experienced. Bellefonte will likely be called upon to contribute her share to fill the depleted wallets of some of the "stars," which will be all well enough if you can afford it; remember, however, that you and your family must eat, groceries must be bought and paid for, and to meet this demand Mr. Hammon Sechler, whose place of business is in the Bush House Block, has largely increased his stock of elegant fresh groceries, fruits, meat and goodness only knows what all. Pay him a friendly visit, whether you desire to purchase or not, and, our word for it, he will treat you kindly.

—With a sigh of relief we herald the announcement that hoops, not the ones used to keep barrel staves intact, but the sort that has rendered lovmaking a nuisance and fortified maidens fair so long, are about to be discarded, at least so says Madam *La Mode* whose dictates, in this case, will be obeyed with wonderful alacrity and unanimity. But, ah, yes! but men must needs continue to adorn their beautifully formed lower extremities with pantaloons so tight that to sit down means to endanger the cohesiveness of their several constituent parts. Now, the kind Lewin, proprietor of the Philadelphia Branch, whose clothing has been tendered compliment after compliment, sells will not rip. Try a pair.

—Wilson, McFarlane & Co., call attention to the only reliable Ready Mixed Paint in the market. The Pioneer Prepared Paint is not only superior to any Ready Mixed Paint sold but rivals pure white lead in its smoothness in working and durability. This paint is guaranteed by the manufacturers not to crack or peel within three years. The guarantee is not only good for replacing the paint but it will be put on if it should crack or peel within the time specified. It will be to your interest to call and see Wilson, McFarlane & Co., before purchasing either white lead or any other Ready Mixed Paint.

—We desire on behalf of Messrs. S. & A. Loeb to call the attention of buyers to the following facts regarding their business: The house was established in 1852 hence is one of the oldest in the county; they deal in everything, and have made every line of goods a specialty,—hence are able to accommodate all at reasonable rates; their salesmen are genteel and obliging; nothing advertised by them is ever wanting when asked for, their motto is "Live and let live," and they honestly endeavor to carry into actual business practice the theory it teaches, and they are fully alive to the interests and necessities of their customers.

—No. 5, Bush's Arcade, the room lately occupied by Mr. Isaac Guggenheimer, will be used by the Reformed congregation, to-day, to-morrow and next day, in holding an ice cream festival. Chicken and waffle supper to-day and to-morrow. We need not say anything about the success likely to attend this effort, for the experience of former occasions is that all who attend will be satisfied and pleased. Proceeds to apply to "furnishing fund" new Reformed church.

—The meeting of the Boys' Branch, Y. M. C. A., on Monday evening was an interesting one. Mrs. Wistar Morris, of Philadelphia, assisted by Mrs. Isaac Mitchell, of this place, entertained the boys most agreeably in a neat interesting talk of twenty minutes. It is a fact worthy of note that the ladies are doing their share of the great work and we hope the boys will appreciate their efforts.

—A physician says it's unhealthy to run up stairs. That's so. Look at the hotel porter. He is a picture of health and strength. He does not run up stairs, nor anywhere else. Not by a constantly increasing majority he doesn't. If you will persist in running up stairs, however, do so with one of Harry Green's cigars in your mouth.

—Oak Grove Grange, No. 761, P. H., desires us to thank, on behalf of the organization, Hon. A. G. Curtin for the liberal supply of seeds, books and papers with which he favored them. Mr. Curtin always has taken a deep interest in the welfare of the agricultural portion of his constituents, and we are pleased to know that his efforts are appreciated.

—The *Agricultural Epitome* came swinging into our sanctum last week vain as a peacock sporting new head gear. We trust the young lady may prosper. John A. Woodward, Esq., of Howard, is the editor.

—The Granger's picnic will be held on the summit of Nittany mountain, one mile north of Centre Hall, on Thursday, September 21.

—H. Y. Stitzer has just restocked his five-cent counter with many useful articles for the household. *First come, first served.*

—The devotional service of song and praise was conducted by Dr. J. H. Rhone, in the rooms of the Y. M. C. A., on Sunday afternoon.

—Miss Lizzie Swartz, after an absence of two months, during which time she visited friends in various parts of the west, returned home on Thursday last.

**NOTICE.**—There will be a Bush meeting held on the old Bush Ground belonging to Fred. Houser, Esq., on next Sunday, September 10th, 1882, under the auspices of the Wesleyan A. M. E. Church Zion, and conducted by the Revs. Taylor Brown and Moses Pinkney, the former from Williamsport, Pa., and the latter from Bellefonte, Pa. Services to commence at 10 o'clock, afternoon 3 o'clock and evening at 7 o'clock. The public is cordially invited.

**SPRING MILLS ITEMS.**—The hot weather that Vennon sent us lately has been replaced by cooling breezes, and we are now indulging the hope that the venerable prophet, whom many people hold in such high veneration, will dilute the remaining hot wave, promised us, with a few spicy showers.

Our city boarders are gradually going back to their homes. The brick-layers have commenced the work of erecting the new school house. Mr. John Coldron, contractor, is pushing the work, speedily as he can.

Mr. E. C. Krumrine will move to Lewisburg this fall, to accept a position with Smith & Co., grain dealers. We are sorry to have to part with him. Messrs. Sheehy and Lamy have purchased the saw mill now in operation on the M'Cool tract, near this place. They have engaged to saw several tracts of timber on Brush mountain, between Millheim and Spring Mills.

**REUNION OF CO. "A," 148th Regt. P. V.**—As announced, the surviving members of the noted "A" of the glorious 148th in the late civil war held a reunion at Rebersburg, August 25. 3,000 persons are estimated to have been in attendance. After falling in the first business was calling the roll, one member answering for those absent by giving time and place of death of each, this concluded they marched to the grove and were addressed by Maj. R. H. Forster. His address is spoken of as having been intensely interesting and very instructive. He was captain of the company. Gen. Beaver, its colonel, put in an appearance and spoke a short time. Hon. A. G. Curtin spoke next. Then they had dinner just as they used to on the tented field. In the afternoon Maj. Geo. D. Pifer, Sergt. Meyer and Col. J. P. Coburn spoke. During the address of Mr. Meyer consternation filled the camp when it was made known that a body of the enemy was bearing down upon the peaceably inclined boys in blue. The line was hastily formed, Capt. Spangler commanding, and a charge made, but the boys reckoned without their hosts and were driven back to their quarters in disorder, they were gotten in shape again and a terrible assault succeeded in bringing in the attacking party prisoners. Fireworks in the evening ended one of the most enjoyable occasions of which the people of this county have any record.

**PROHIBITION.**—The County Executive Committee of the Constitutional Amendment Association of Centre county met in the reading room of the Y. M. C. A. on Tuesday evening, 29th ultimo, with a full representation. The following members were present: Dr. Thos. R. Hayes, Hon. John Powers, Chas. F. Cook, Bellefonte; Rev. W. A. Carver, Snow Shoe; Prof. John Hamilton, Joseph Baker, Esq., College; Christian Dale, Spring; John Smith, Howard; Henry Iddings, Union; Capt. Austin Curtin, Boggs; George Eckle, Ferguson; Col. Josiah Neff, Potter. These gentlemen are all active, zealous and judicious in conducting measures that will promote the interests and assure the success of the Association in this county.

The meeting was called to perfect some of the details of the organization, which being completed, now puts our Association in excellent working order. A committee, composed of Dr. T. R. Hayes, chairman, Prof. John Hamilton and D. S. Keller, Esq., was appointed, whose duty it will be to superintend the establishment of branches in every borough and township in the county, and, we are informed, they mean to give the matter their personal attention, commencing at once to fulfill the obligations imposed upon them, and will not be satisfied until every voting district is the seat of a healthy, united, interested branch of the County Association.

As we understand it, and we have every reason to vouch for the absolute truth of the assertion, a strenuous effort will be made to exclude entirely all political and denominational features. The success of the movement can only be a certainty with the unanimous and combined assistance of all temperance workers, and the importance of the total abolition of the liquor traffic is of sufficient interest to the fathers, mothers, wives and property owners of our county to command the hearty support of all.

On behalf of the committee, and its work, we recommend that they be received with open arms, and their action supplemented by the unstinted help of all who desire to free our people from the various evils arising out of the indiscriminate sale of intoxicating drinks. We shall be pleased to publish reports, giving names of officers, place of meeting, number of members, etc., of all branch associations, organized, in order to, in this way, keep the public posted.

—The eighteenth annual convention of the Penna. State S. S. Association will be held in St. Paul's Lutheran church Easton, Pa., October 11, 12 and 13. Superintendents will please announce.

—Mr. Edward F. Garman is on the sick list, as also is Mr. Aikens.

—No woman really practices economy unless she uses the Diamond Dyes. Many dollars can be saved every year. Ask the druggist.

—Mr. Samuel Lewin wishes to return thanks to the M'Veytown Cornet Band for the complimentary serenade tendered him on last Friday.

—Mr. Finley Johnson was at home on Sunday. He is one of Lock Haven's crack painters, doing good work and making plenty of money.

—Mr. J. W. Sweely, the irrepressible editor of the *Williamsport Breakfast Table*, is interested in the publication of the *Pittsburg Sunday Traveler*. The first number has reached us and is a model of neatness and interest. Success.

—Our borough lock-up was shamefully abused by a party who were granted the freedom of its corridors on Friday night. They "just knocked the stuff" out of the old thing," in the language of one who viewed the ruins the next morning.

—Mr. J. C. Noll, of Pleasant Gap, who will be remembered as one of the teachers of our county for several terms past, is now a student at Franklin and Marshall College, Lancaster. We understand his object is to prepare for the practice of law.

—At Bok's saw mill, near Snow Shoe, on last Thursday, a saw burst, a flying piece of which struck Mr. Seigfried on the head wounding him seriously. On Tuesday another saw flew to pieces at the same mill, but fortunately no one was hurt.

—A very excellent portrait of Gen. Jas. A. Beaver has been presented to the Y. M. C. A. by Mr. George D'Almaine, the portrait painter. This is the second picture Mr. D'Almaine has given to the Association, the first one being that of D. S. Keller, Esq., the present presiding officer.

—There are few men in this world who are more practical than Adam Hoy, Esq. When any one in his employ chooses to quit, Mr. Hoy can pull off his coat and fill the place thus vacated. His one weakness appears to be horses and caring properly for his valuable team is his greatest pleasure.

—The citizens of Lock Haven appear earnest in their effort to hurry on the new railroad project. At a meeting held on Saturday last, of which Major Ball was chairman ex-Senator Peale spoke urging prompt and concerted action, and vouched for the speedy completion of the road. A committee to take proper steps was appointed.

—Mr. W. A. Tobias has finished the index of deeds for the county upon which he has been engaged for one year and a half. The books number 48 separate volumes, elegant specimens of the book-binder's art, and are without blot or blemish. The penmanship is plain, legible and pretty, the work of Messrs. L. D. Munson and C. E. Schroeder.

—The Holly Tree Inn, one of the best temperance restaurants, is thus spoken of by the *Altoona Tribune* man who visited this place on Friday last:

The one institution in Bellefonte which specially attracted our attention was the Holly Tree Inn, situated near the passenger depot. It is under the joint management of the Woman's Christian Temperance union and the Young Men's Christian Association. It is neat and attractive in appearance and the bread, soup, butter, coffee, etc., dealt out to its patrons are of the best quality. Its hot coffee, especially in the colder months of the year, will doubtless keep many a man out of the saloons. It is a shame that Altoona does not have an inn of this sort. How much longer will it be without one?

—"Voter," a correspondent of the *Daily News*, had something to say to a number of persons who violate, almost daily, many of the statutes on our borough ordinance books. While his remarks are all right in many particulars, he indulged in ungentlemanly abuse of Mayor Powers, than whom, Bellefonte never had a more conscientious and faithful executive. It is asking too much to expect a Chief Burgess in addition to punishing evil-doers to patrol the streets in order to arrest them. It would be a matter of much congratulation to the better disposed of our citizens, if the evils, of which "Voter" speaks were remedied, and we hope the love of order, so common to our community, will succeed in meting out well earned chastisement to those who by their conduct merit it.

**CHIPS FROM MILLHEIM.**—A number of our citizens attended Clintondale camp-meeting on Sunday.

They are still working at the Lutheran church. Hurry up, gentlemen, if you mean to finish this fall.

Mr. F. P. Muser is again seen upon our streets, but uses a cane. While hunting he fell over a stump, and sprained one of his ankles. He has had a serious time of it.

Two of our aged citizens indulged in a spirited political discussion the other day. They waxed warm enough to come together but did not fight.

The festival, held Friday and Saturday, by the members of the Cornet Band proved in all respects a success and the sum taken in was far more than they had anticipated. The boys intend purchasing instruments and this will give them quite a lift. FRITZ.

**LONG PINE, Pa., Mar. 25, 1881.**  
Dr. Clark Johnson: This certifies that I have been much benefited for Chronic Dyspepsia, through the use of your excellent *INDIAN BLOOD-SYRUP*. I recommend its use to suffering humanity.

—Special inducements for Fall and Winter clothing during the Summer months. MONTGOMERY & Co., Tailors, 27-1f.

## Meeting of the Northern Conference.

The Northern Conference of the Synod of Central Pennsylvania met at Hartleton, Union county, Tuesday evening, Aug. 22d, 1882. In the absence of the President, Rev. J. A. Koser, Rev. P. A. Heilman preached the opening sermon.

Wednesday morning conference formally opened for business. Rev. W. H. Diven was elected President *pro tem*. The following delegates answered to their names:

Furst, Bellefonte, Rev. W. E. Fisher, Centre Hall, Rev. John Tomlinson, Aronsburg, Rev. A. K. Zimmerman, Rebersburg, Rev. M. L. Furst, Hartleton.

**(ABSENTEES.)**—Rev. J. A. Koser, Pine Grove Mills, Rev. J. K. Miller, Centre Hall, Rev. B. H. Fletcher, Lock Haven.

**LAY.**—Charles Ruhl, Buffalo, W. Harter, Hartleton, W. S. Rauch, White Deer, John A. Swartz, Hublersburg, B. O. Deininger, Millheim, George Brumgard, Wolf's Store, Christian Dale, Boalsburg.

**VISITING MEMBERS.**—Rev. J. W. Goodlin, Secretary Board of Home Missions, York, Prof. J. M. Bickle, Pennsylvania College.

After the usual routine business was disposed of, an able and comprehensive essay on the *Second Article of the Augsburg Confession* was read by Rev. S. Henry, followed by a discussion on the same until the hour of adjournment.

In the afternoon Rev. J. W. Goodlin delivered a very interesting address on the home mission work of the church. Rev. P. A. Heilman followed with well-prepared essay on *The Old Catechetical Instruction*. The essay evoked some very practical and instructive remarks by Revs. Fisher, S. E. Furst and others.

In the evening Rev. A. K. Zimmerman preached a discourse on *Benediction* to a full audience, after which a collection for home missions was taken up. Thursday morning Prof. Bickle, in an address of half an hour, gave a very satisfactory statement of the status work and prospects of Pennsylvania College.

The mooted question, *How shall Protracted Meetings be conducted?* was opened by Rev. W. E. Fisher. This subject was discussed by several ministers with much earnestness; and while it was plainly manifest that differences of opinion exist on the vexed question, it was agreed on all hands that all religious services should be conducted "decently and in order."

In the afternoon an interesting children's meeting was held. The spacious church was well filled. Rev. J. W. Goodlin spoke to the children on *Little Things*, B. O. Deininger on *Jewels*, and Rev. W. E. Fisher on *A Mass of P's*.

Thursday evening Rev. S. E. Furst delivered the closing sermon to a large and attentive audience, after which conference adjourned to meet at Salona Monday evening Nov. 27th next.

The members of conference were most royally entertained by the good people of Hartleton. All the sessions were well attended and much interest was manifested in the exercises. There is reason to believe that mutual and lasting good will result from this meeting of the Northern Conference.

**WALNUT LEAF HAIR RESTORER.**—It is entirely different from all others. It is as clear as water, and, as the name implies, is a perfect Vegetable Hair Restorer. It will immediately free the head from the dandruff, restore gray hair to its natural color, and prevent a new growth where it has fallen off. It does not in any manner affect the health, which Sulphur, Mercury, and Nitric Acid preparations have done. It is a beautiful change light or faded hair. Each bottle is warranted.
