MPLOYMENT FOR LADIES.—
The Queen City Suspender Company, of Cincinnati, are now manufacturing and introducing their new Stocking Supporters for Ladies and Children, and their unequaled Skirt Suspenders for Ladies. None should be without them; our leading physicans recommend them and are loud in their praise. These goods are manufactured by ladies who have made the wants of ladies and children a study, and they ask us to refer them to some reliable and energetic lady to introduce them in this county, and we certainly think that an earnest solicitation in every household would meet with a ready response, and that a determined woman could make a handsome salary and have the exclusive agency for this county. We advise some lady who is in need of employment to send to the Company her name and address and mention this paper. Address Queen City Suspender Company, No. 179 Main Street, Clincinnati, Ohio.
