R. B. SPANGLER & CO. request the attention of the intelligent reader for a moment or two. The facts they desire to make public will have a telling effect upon the domestic economy of any household in which this recital of their facilities to supply furniture of all kinds at reasonable prices, is given a fair hearing. They authorize us to state that every article they have on exhibition is new and seasonal, was bought for cash, and will be sold at the lowest price dealers can afford. They have constantly on hand parlor and bed-room suits, velvet and carpet lounges, extension tables of their own make, odd pieces, secretaries, sideboards, marble top tables, tables, etc., etc. Anything made to order and guaranteed to give satisfaction. They superintend each department in person and keep themselves posted in matters of importance to customers. They also invite special attention to their undertaking department. Mr. Henry Swartz, practical, scientific cabinet-maker and undertaker of many years experience, superintends the arrangements and work.
