Our Borough Affairs.

In our article last week on the old way, 'the good old way," we merely touched the subject. There can be no harm in examining more closely. For twenty years the borough authorities have borrowed all the money needed to make public improve-

By an Act of the Legislature, approved Feby. 14, 1863, the town council was authorized to borrow \$10,000, at six per cent, interest payable at the option of the Rhone, Grand Master of State Grange of council within ten years. This money was to be used in extending the water works. making other improvements and paying Progress (Centre Hall) Granges attended off the debt then existing.
