FURNITURE.

B. SPANGLER & CO. request the attention of the intelligent reader for a moment or two. The facts they desire to make public will have a telling effect upon the domestic economy of any household in which this recital of their facilities to supply furniture of all kinds at reasonable prices, is given a fair hearing. They authorize us to state that every article they have on exhibition is new and reasonable, was bought for cash, and will be sold at the lowest price dealers can afford. They have constantly on hand parlor and bed-room suits, velvet and carpet lounges, extension tables of their own make, odd pieces, secretaries, sideboards, marble-top tables, tables, etc., etc. Anything made to order and guaranteed to give satisfaction. They superintend each department in person and keep themselves posted in matters of importance to customers.

They also invite special attention to their undertaking department. Mr. Henry Swartz, practical, scientific cabinet maker and undertaker of many years experience, superintends the arrangements and work. They have lately secured a new patent cooling board, the most perfect body preserver in use, and the only one in Centre county, at considerable expense. An elegant hearse will be provided gratis.

CLOTHING STORE,

BELLEFONTE, PA.

Lewin & Co., Proprs.

Right now at the outset of the spring season we wish to repeat what we have often said before. The legal guarantee we give with every sale means something; for we intend not only to guarantee satisfaction, but to give satisfaction, we're not going to say what others do in this respect, some way do the same. You probably know about how much the word guarantee means; more in some stores than in others. Here it means that, if goods have proved disappointing, your complaint will have courteous consideration and that every just claim will be promptly and completely satisfied, we go further—we thank you for permitting us to recompense for loss sustained; because in the first place, it's a simple act of justice; secondly, it secures us your good will; and thirdly, it points out defects of manufacture that we may remedy.

We aim to conduct our business upon the strictest principles of Honesty and to inspire our customers with the feeling that they are surrounded by every possible safeguard; there shall be at least one clothing store in BELLEFONTE where even a child can deal without risk of imposition.

It would be a pity not to mention spring overcoats when the weather is so propitious and we are offering such an attractive variety of all grades that a man intending to buy one owes it to himself to look here before choosing. You know its not everywhere that he can go back for his money if he does buy and afterwards wishes he hadn't.
