CLOTHING STORE,

25 Allegheny Street, BELLEFONTE, PA. Lewin, & Co., Prop,rs.

Right now at the outset of the spring season we wish to repeat what we have often said before. The legal guarantes we give with every sale means something; for we intend not only to guarantee satisfaction, but to give satisfaction, we're not going to say what others do in this respect, some may do the same. You probably know about how much the word guarantee means; more in some stores than in others. Here it means that, if goods have proved disappointing, your complaint will have courteous consideration and that every just claim will be promptly and completely satisfied, we go further-we thank you for permitting us to recompense for loss sustained; because in the first place, its a simple act of justice; secondly, it secures us your good will; and thirdly, it points out defects of manufacture that we may remedy.

cimto conduct our business upon ctest principles of Honesty and ircour customers with the feeling Trare surrounded by every possafeguard; there shall be at least clothing store in Bellefonte where even a child can deal without risk of imposition.

It would be a pity not to mention spring overcoats when the weather is so propitious and we are offering such an attractive variety of all grades that a man intending to buy one owes it to himself to look here before choosing. You know its not everywhere that he can go back for his monoy if he does buy and afterwards wishes he hadn't.
