

The Centre Democrat.

Thursday Morning, July 12, 1883.

CORRESPONDENCE, containing important news, solicited from any part of the county. No communications inserted unless accompanied by the real name of the writer.

—Miss Annie Swartz is visiting Watson and Lewisburg friends.

—The small boy and the sparrow can now fight it out if it takes all summer.
—Coleville is soon to have a new store of which Mr. Perry Cole will be proprietor.

—When Attorney Bower asks for a "rule" Attorney Hoy had better submit gracefully.

—Even a goat went to a fellow when he's down.—*Grit.* That is when the goat is down.

—Judge Larimer comes to town almost daily and has become much better physically of late.

—Prof. J. W. Heston, one of the instructors at the State College, called on Monday evening.

—We believe Mr. John Meese, grocer, was the first merchant in Bellefonte who took trade dollars at par.

—There are not as many G. A. R. posts mustered now as there were just about this time last year. Why?

—The Republicans of this county appear to value hope and a vermillion hirsute top, and will try it one year more.

—Naturalists say that an insect known as tiger beetle is making war upon the potato bug and driving him away.

—The proclamation of the chief burgess, forbidding use of fire works, on the 4th instant was totally disregarded.

—The fall term at the State College opens September 11, 1883. Examinations for admission, September 11 and 12.

—Raspberries sold at 3 boxes for 25 cents at market on Tuesday morning. Each box was said to hold one quart.

—On Monday of last week the Poor-House at Harrisburg was burned. Loss estimated at \$200,000, partly insured.

—The postoffice address of Rev. W. O. Wright, now of Milesburg, after July 10, will be Kylertown, Clearfield county, Pa.

—Watsonville is to have a new railroad—a branch of the Catawissa will be extended from Milton to the former place.

—Our thanks are due Mr. J. W. Wolcott, proprietor of the Hotel Vendome, Boston, for a beautifully colored map of that city.

—Master Meyer Guggenheimer returned from Philadelphia last week after a protracted visit, accompanied by his cousin Louis Weil.

—Mr. Jacob Shrom has been confined to the house for some time by a severe cold. We shall be glad to hear of his speedy recovery.

—On Friday, Ammon, son of Mr. Michael Kerstetter, fell from a cherry tree and broke both bones of his right forearm. Dr. Hoy is attending him.

—If it is too warm to wear heavy clothing, wear something lighter. The Philadelphia Branch is prepared to meet your wants be they what they may.

—The music furnished July 4th, by the Zion and Pleasant Gap bands equalled that of the visiting bands. Our country should be proud of its musical organizations.

—Our daily contemporary has been kicking the Lycoming Fire Insurance Company and its counsel most vigorously of late. We shall see what we shall see.

—Mr. Charles Valentine is rapidly becoming a lady's man. Be careful, young man, or before long you will give us a chance to write a notice of your marriage.

—Judge Schuyler, of Lock Haven, had intended going along with a "temperance fishing party" sometime ago, but did not have time. The suckers were happy in consequence.

—Mr. Sam. A. Penn, agent for Messrs. Miller & Mooney, 208 South Front street, Philadelphia, wholesale dealers in choice liquors of all kinds, has located his family at the Brockerhoff house for the summer.

—Mr. Michael Shaffer, one of our good Democratic agricultural friends of Walker township, called on Monday. Mr. S. represents the intelligent class of farmers that form the real bone and sinew of our country.

—Mr. F. P. Blair had quite a pleasing experience, the other day, trying to resuscitate some drowned guinea. He succeeded only to find next day that the objects of his care and solicitude, had deliberately laid down and died.

—Whooping cough is supposed to be cured by passing the patient nine times around the body of an ass.—*Exchange.* If there be any virtue in the alleged cure we advise persons so afflicted to secure the body of the party who writes society items for the *Daily News*. Doubtless less than the prescribed number of times round would result in a permanent cure.

BIRTHDAY 107.—July 4th, 1883, was very appropriately observed in Bellefonte. The weather, though very warm, was pleasant and a large crowd thronged our streets from "dewy morn till even." Never before did our people and their friends from out of town strive to enjoy themselves to such an extent.

The parade, which formed about 11 o'clock, presented an unusually fine appearance and elicited flattering remarks from all, consisted of

Chief Marshal Capt. Mullen, Aids, Dr. Geisinger, Chas. Heiser, Chief Burgess, Town Council and other Borough officials.

Huntingdon City Band, Huntingdon Hose Company 1 and 2, "La France" Steam Fire Engine, Sax on Cornet Band,

Independent Hook and Ladder Company of Huntingdon, Zion Cornet Band,

Logan Hose Co., No. 1, of Bellefonte, Perant Gap Cornet Band,

Undine Hose Co., No. 2, of Bellefonte. The line of march was up Bishop to Allegheny, out Allegheny to Linn, counter-march to Howard, down Howard to Spring, out Spring to Bishop, up Bishop to Allegheny, thence to High, down High to the Fair Grounds, where an elegant meal was spread and the hungry given all they would eat.

After dinner the amusement part of the programme was inaugurated and dancing, base ball and other sports fully indulged in.

Many of the private dwellings and business places were beautifully decorated. The Undine Hose Co. under whose auspices the celebration was conducted is entitled to much praise for the excellence of the occasion. The order throughout the day was good, very little occurring to disturb its pleasure, and July 4th, '83, will pass into history as having been an exceedingly pleasant day for the citizens of our town.

REPUBLICAN COUNTY CONVENTION.—The sweltering heat of Tuesday, 3rd instant, was not too intense for about 60 devoted republicans who sat down in the court house, at 2 o'clock P. M., to place in nomination a county ticket, or rather to set up a few political pins to be knocked down on election day. It was one of the most harmonious assemblies of which we have any record, scarcely enough interest being manifested in the order of exercises to keep the half dozen spectators awake.

Capt. Austin Curtin, of Boggs, presided, and Messrs. Richard Beaton, W. F. Reeder and A. A. Dale recorded the momentous proceedings.

Christian Dale, Sr., of College, was nominated for Associate Judge.

H. H. Harshberger, Esq., of Bellefonte, carried off what little honor may belong to the nomination for District Attorney.

Chas. P. Hewes, Esq., wanted it, too, but he was too critical as county auditor, and some of those he had offended sat down upon him.

For county surveyor S. D. Ray, Esq., ran through without any opposition. Of course he will be elected—in a horn.

Captain Austin Curtin and A. V. Miller were elected delegates to the State Convention; Wm. McFarlane, S. S. Miles and Theo. Gordon, Senatorial conference and the present chairman was re-elected. The resolutions praise the Republican party, condemn the Democratic, and pledge the nominees united support.

SOME QUESTIONS.—The complete works of a standard poet will be given to that person who first sends to this office correct answers to the following questions, provided that person attended the public schools of our county last term.

Answers must be enclosed in a sealed envelope and placed inside the one used to forward them and have the name of the sender written on the outside.

JULY 5TH.—When Mr. W. Miles Walker reached the commissioner's office on Thursday morning of last week the following card attracted his attention:

The whole was draped in black cloth and sorrow for an hour seemed to lurk in the most hidden labyrinth of the old court house, while quietness reigned supreme.

—The 2nd quarterly meeting of the Pleasant Gap M. E. church will be held at Valentines Forge, on Friday at 3 o'clock, P. M. Services on Sabbath, Rev. P. Adams, of Centre Hall, will preach in the morning and evening.

—Mr. and Mrs. Hocker, a newly married couple, are spending the first part of their honeymoon with the family of Mr. C. T. Gerberich, Thomas street.

—July 3, 1883, Mr. A. Frank Landis and Miss Hattie Watson, both of this place, were married by Rev. W. O. Wright, at the Presbyterian parsonage, Milesburg.

—Messrs. Alexander & Co. and L. L. Brown, coal dealers, furnished the teams for the Huntingdon Engine, on the 4th, and four prettier horses were never seen in this town.

—Mr. James C. Smith, the affable assistant postmaster at Millheim and member of one of the leading mercantile firms of that enterprising town, called yesterday.

—A report of the Commencement exercises at the State College reached us yesterday just as we were going to press and of necessity we had to hold it over until next week.

—Rev. Mr. Baker, an eloquent divine, of Williamsport filled the M. E. pulpit on Sunday, preaching two very impressive sermons. He was the guest of Mr. Auchtenbach, of Linn street.

—Mr. Ed. Peck, of Nittany Hall met with a very serious accident last Monday evening. He was operating a circular saw and in some way his left hand was drawn to it and two fingers were cut off.

—Treasurer Keller was the unwilling witness of a lively hair-pulling, which occurred on Reynolds' bank corner, on the evening of the fourth. Mr. Keller narrowly escaped being drawn into the melee.

—The expense for keeping the poor of the borough of Bellefonte for the month of June amounts to \$98.20. This includes fuel, clothing and provision.

J. M. KEICHINE, Overseer.

—Mr. Finley E. Johnston, son of Postmaster Johnston, of Grand Rapids, Mich., surprised his friends here by suddenly dropping in upon them, one day last week. He returned to his western home on Monday.

—Attention is called to the advertisement of Henry Keen, Trustee, in which he offers some valuable real estate in Millheim borough and Penn township, late the property of John Keen, deceased, at public sale.

—Mrs. R. H. Kinsloe, lady of the late editor of the *Hughesville Enterprise*, is with her parents, Mr. and Mrs. James H. Rankin. She will shortly join her husband at Jonesboro, Tenn., where they intend to locate.

—Messrs. J. T. Enggart, H. L. Fetter and David Jones, members of the Saxton cornet band, favored this office by calling on the Fourth. The gentlemen were greatly pleased with Bellefonte and enjoyed themselves while here.

—Dr. J. Finley Bell, who had been practicing his profession at Glen Hope, Clearfield county, is now at the home of his father Mr. Wm. Bell, Pleasant Gap, trying to regain his health which was impaired by too close attention to his studies.

—Mr. B. F. Leathers, merchant at Unionville, will give away within the coming 30 days to some one a complete chamber suit, consisting of eight pieces and handsomely finished in walnut, provided that person buys goods of him amounting to \$1.00, and holds the ticket bearing the lucky number.

LET US HAVE A BAND.—A movement is being made to organize a band in Bellefonte, and it is proper. We need a band and have plenty of talent. Give the enterprise a warm reception.

CAMP FIRE.—The members of Dr. Geo. L. Potter Post, No. 261, Dept. of Pa., G. A. R., of Milesburg, will, on the 1st anniversary of the day of that camp's muster, July 17, hold a camp fire, at which a general good time is expected. The public is cordially invited. We return thanks for an invitation.

FESTIVAL.—There will be a Festival held at Oak Grove, Spring township, July 28, for the benefit of M. E. charge, at that place. There will be served, Ice Cream, Cake, &c. There will be a contest for a fancy cake, between Dr. P. S. Fisher of Zion and Mr. Austin Curtin of Roland. Also a tub race, and other amusements.

A. HARTER, Pres.
T. M. BARNHART, Sec.

HUBBERSBURG.—The Fourth passed off very quietly.—William Kessinger was confined to the house for a few days with sciatica, but now is about again.—Our town is not noted for great men, but a long John Gilpin will have a rival in the person of Michael Hubler, who was trying his new horse on the streets. He went further than he wanted to and came home safe.—Eel catching is indulged in by several of our townsmen, but the champion proves to be R. F. Bartholomew.—On Thursday "Ed" Peck had the misfortune of having the first two fingers on the left hand sawn off by a circular saw at Snavely's mill.—Frank Bartholomew and H. M. Geary were home over the Fourth. They are in the bark woods in Potter County.—Mrs. Chastie Weaver is slowly convalescing from a severe attack of liver complaint.—A few weeks since Mrs. James Farley died of Dropsy, deceased was interred at Bellefonte.—John McAuley re-opened and cleaned the well, which was dug through the generosity of Anthony Garner 25 years ago, for the express use of a camp meeting.—On Saturday July 28, 1883 a grand time is anticipated at the Clintondale Camp Ground, as all the Sunday schools of the valley have been invited to attend a Pic-Nic. Also at the same time a Festival will be held, for the repair of the Parsonage.—The last of the stately silver poplar trees which adorned the late residence of D. S. Michtley, was cut down, it having died.

—Our Sabbath school purchased a new singing book, of great merit and excellence—Pure Delight—which results in weekly meetings for singing conducted by John Miller, Esq.—James Traneau, formerly of this valley, but now of Nebraska, is here on a visit to relatives.

—Mrs. Ann Lucas, of Howard, mother of Mrs. John Meese, of this place, died at her home on Saturday morning of last week, aged 79 years, 3 months and 3 days. The funeral services were conducted on Sunday by Rev. Mr. Blair, of Beech Creek, assisted by Rev. Avery Long, of the Dunker church, and were very impressive throughout. Mrs. Lucas had been a very consistent member of the Disciple church for nearly 40 years, and by her devotion to the work of the Master here upon earth has secured an everlasting home where sickness and sorrow are unknown. May her rest be tranquil.

—Reference to our political announcements will show one entirely new name that of Mr. Henry B. Smith, of Ferguson township, for Associate Judge. He has served continuously for many years the various township offices that are known to be both troublesome and unremunerative, and is a veteran of the Mexican war.

—Mr. J. Willard Miller, late Genl. Secy. of the Y. M. C. A., was married to Miss Clara M. Blakeslee, of Cortland, N. Y., June 29, '83. Mr. Miller deserves all the happiness usually the portion of those who wed wisely and we hope nothing may cross his matrimonial path that can in any way render his enjoyment incomplete.

—Mr. C. C. Taylor, well known to many citizens of Centre county, especially those who travel the Nittany mountain on the old Lewistown pike, had a fearful adventure last week with a number of snakes. Among the different kinds were a huge black snake, a hoop or horn snake, and before he succeeded in killing the two there appeared several others. He managed to kill them all. Mr. Taylor tells us there are more snakes on the mountain this summer than ever before. The black snake referred to was nine feet three inches long. Can any one in the county beat this, if so we would like to hear from them.

—Mr. John Smith, of Clearfield, paid his daughter, Mrs. M. F. Rollin, a visit last week. Mr. and Mrs. Rollin are now enjoying the pleasure of a short sojourn with the family of Mr. Smith. We wish them a pleasant time.

—The Trade Dollar is enjoying its usual summer leave of absence from the channels of trade. The only persons likely to be materially effected by the almost universal declination to accept the coin are those who can least afford to suffer the loss of the discount. Bankers and brokers who are directly responsible for the trouble will reap a rich harvest when Congress takes some action to renege the discount, graceless fraud in public confidence, or orders its redemption at the U. S. treasury. In the meantime we shall accept them on account at their face value.

—The quality of food consumed during the summer months should be a matter of prime importance to all. Much of the sickness incident to the heated term is directly traceable to the impure nature of groceries and other articles of diet used. Purchases made at Sechler's amount to no more than elsewhere, for prices are as low as the lowest, and you can depend upon the quality being all that can be desired. Buy groceries from Sechler & Co., and save doctor bills.

—Mr. R. S. Brouse, the gentleman who represents the house of Messrs. Billings Bros., manufacturers of silk, Philadelphia, and Miss Mazie, daughter of our townsman, Mr. Wm. Harper, were married on Tuesday, July 3, by Rev. John Hewitt, at the residence of the bride's parents. We understand they mean to locate at Altoona. They are deserving and it is sincerely hoped theirs may be a long and prosperous future.

—Governor Pattison has approved a bill providing that applicants for teachers' permanent certificates shall pass a written examination to be conducted by the committee appointed for that purpose, and that papers of questions and answers must be submitted to the State Superintendent of Public Instruction and endorsed by him before the certificate can be issued. We can see no reason why Prof. D. M. Lieb should not be satisfied now.

—Huntingdon's steam fire engine, "La France," under direction of Mr. Miller, engineer, was given a trial at the High street crossing of the race on last Wednesday and acquitted itself nobly. Four large streams were thrown in different directions at the same time, and the general impression was created that it would successfully combat a fire of almost any proportion.

—Prof. Cunningham and Garvey will organize a class in ornamental and practical penmanship instruction in the school building, Wednesday July 18, 1883. The gentlemen bear flattering testimonials to their excellent work elsewhere and have on exhibition in different parts of town specimens of their penmanship that we never saw excelled. See posters for terms and particulars.

—Mr. John W. Cook has bought the merchandise of D. M. Wagner, deceased, and is selling it at surprisingly low prices, at the same stand occupied by Mr. Wagner on Bishop street. Most of our readers are acquainted with Mr. Cook and it will be greatly to their advantage to buy while the opportunity is afforded them.

—An election of teachers for the schools of this district for the ensuing term will be held by the board of directors at a special meeting on Friday evening, 18th inst., at 7 o'clock. A janitor for each school building will be chosen at the same time.

H. B. PONTIUS, Sec.

—It is rumored that the Pennsylvania Company is about to take another step forward in railroad enterprise, it being nothing less than lighting up its entire track between Pittsburg and Philadelphia with electric lights, so as to do away with the headlights on the locomotives.

—Mr. C. G. M'Mullen, proprietor of the New Brockerhoff, is paying his mother and other friends a three weeks' visit at Dayton, O. Of course Mac will enjoy himself as he always does and during his absence Mr. Scharff will have charge of the house and take good care of guests.

—It has been our pleasure to note few appointments that are so eminently fit and proper as that of Lieut. Hale, of this place, "Regimental Inspector of Rifle Practice," of Regt. 5, N. G. P. He is a fine marksman himself and well qualified in every other sense.

—Hon. R. F. Hunter, one of the members of the house for this county, was in town bright and early on Tuesday morning. He was busily engaged superintending haymaking and harvest operations upon his valuable Buffalo Run farm, and returned to Harrisburg last night.

—Persons sixty, eighty and one hundred years of age who delight to croakingly assert the decadence of Fourth of July patriotism should have congregated in Bellefonte on Wednesday of last week. They would have wished it a trifle less abundant.

—Miss Sallie Hoffer, accompanied by Miss Luther, of Ohio, both of whom had been attending the Boston Conservatory of Music, returned home last week. The ladies will without doubt enjoy the respite from study and we wish them a pleasant vacation.

—On Friday afternoon Miss Maud Sheffer, of Howard, who is engaged in mantau making was struck by lightning, while sitting in the house. A gold ring was broken and all the steel hair-pins about her person twisted and curled up. No personal damage was sustained.

—Wilson, McFarlane & Co., call attention to the only reliable Ready Mixed Paint in the market. The Pioneer Prepared Paint is not only superior to any Ready Mixed Paint sold but rivals pure white lead in its smoothness in working and durability. This paint is guaranteed by the manufacturers not to crack or peel within three years. The guarantee is not only good for replacing the paint but it will be put on if it should crack or peel within the time specified. It will be to your interest to call and see Wilson, McFarlane & Co., before purchasing either white lead or any other Ready Mixed Paint.

FARMER'S TAKE NOTICE!—You now have an establishment to take your machinery to, to be repaired and made as good as new. Mowers, reapers, self-binders, threshing machines, horse powers and any other kind of machinery will be repaired at moderate prices at the "Bayard Foundry."
HICKS & GRIFFITH,
Proprietors, Bellefonte, Pa.

A DANGEROUS COUNTERFEIT.—There are dangerous counterfeits in circulation purporting to be "Walnut Leaf Hair Restorer." The strongest evidence of its great value is the fact that parties knowing its great efficacy try to imitate it. Each bottle of the genuine has a fac simile of a walnut leaf—blown in the glass; and a Green Leaf on the outside wrapper. The "Restorer" is as harmless as water, while it possesses all the properties necessary to restore life, vigor, growth and color to the hair. Purchase only from responsible parties. Ask your druggist for it. Each bottle is warranted. Johnston, Holloway & Co., Philadelphia, and Hall & Ruckel, New York, Wholesale Agents. 4-ly.

—The July number of *Democrat's Monthly Magazine* is certainly one of the most attractive issues of this interesting periodical. A striking feature is the plaster paper bas-relief of the head of Perseus, which is not only a great novelty, but an exquisite work of art. A beautiful photograph of a "Little Bride" also adorns the art department, and the other illustrations are numerous. The literary articles are of a high order of merit, among which may be mentioned the continuation of the story "Out of the World," "Social Life at Smith College," "The Story of Hereward Leodrisson, the last of the English," "A Perfect Fright," "The Paupers of Pompeii," "The Rose in Song and Story," "How we live in New York" by Jennie June, and a sketch of Elizabeth Thompson Butler, the celebrated painter of battle scenes. The poetical department is well filled, as are the Kitchen, Fancy Work, Scientific and Fashion departments, while "Current Topics" are most ably and agreeably discussed. The July number of *Democrat's Monthly Magazine* should be in the possession of every one, the beautiful illustrations alone making it well worth possessing, to say nothing of the advantage it is to the household in the way of select reading and useful information.
