The ladies of Howard propose holding a grand fair and festival in Lucas' old store room on Friday and Saturday evenings, for the benefit of the Christian church. All are cordially invited.

Mr. Kepler is well known in Centre county, having been born in Pine Grove, and we understand the above happy event was the sequel to an early love affair.

The commencement exercises of the State College, which began on Sunday last were of a very interesting nature. Rev. W. H. Ward, D.D., of the N. Y. Independent, delivered the baccalaureate sermon on the afternoon of the opening day, and on Monday evening Rev. M. N. Cornelius of Altoona, delivered the annual address before the Y. M. C. A. of the College. The attendance has been very large.

The local scribe of the Harrisburg Patriot, in describing the effect on the wearer of the new style gentleman's shoe which inclines inwardly, remarks: "He imagines he is pigeon-toed when he first walks over that feeling." Of course friends of Patriot, we understand all about it.

The News man knows whereof he speaks when he remarks that he "understands all about it" for he is both pigeon-toed and pigeon-toed and was the first man in town to invest in a pair of shoes of the above pattern.

Mr. Louis Doll expects to be open for business in a few days. He says he intends showing the people a trick in the shoe trade, and intends selling the best goods for less money than has ever been heard of in Bellefonte before.

About thirty men, women and children crowded themselves into Abe Baum's hack on last Friday and hid themselves off to the Cave in Penn's Valley. They were drawn by four of Abe's spirited nags and report having had one of the best times imaginable, and judging from the happy mood everybody seemed to be in on returning in the evening, we suppose they had.

Punxutawney has a mineral well which contains more and better medicinal properties than the waters of Saratoga, according to the analysis of a prominent medical man. The water is tonic, alterative, expectorant, and laxative. The Punxutawney Tribune says so, and what Walt Fleming don't know about "mineral" water isn't worth knowing.

MILLS IT EMS.—Since my last letter we have had two entertainments by the Harry Sisters, better known as Prof. Harry's Babies, they being only six, nine and twelve years of age. Their mental development is certainly far in advance of their physical, as they read and sang English, German and Spanish fluently, and played operatic airs on the violin readily.

The extension of the railroad has been at a standstill a short distance above Centre Hall for two weeks, caused, it is said, by a want of rails.

Peter Wilson, son of Rev. James Wilson, D. D., of New York city, is visiting at the home of his grandfather, Peter Wilson, Sr.

In looking over your candidates' column I notice the name of W. B. Mingle, who aspires to the Prothonotaryship. Mr. Mingle is, as many of your readers know, cashier for the Penn's Valley Banking Co., and during the time he has been in their employ his business transactions have been so characterized by honesty and integrity that he has won the confidence of the entire community. Penn's Valley will be a unit for him.

Gregg township has a candidate for Sheriff, and as no one from this township has held any office of importance for many years, it is time we should have some recognition. More anon.

The two large and elegant French plate glass windows add greatly to the appearance of Charlie Heisler's restaurant.
