Mr. Geo. M. Harry of Altoona, representing the well known firm of C. A. Jackson & Co. of Petersburg, Va., spent the 3rd, 4th and part of the 5th in Bellefonte looking up the interests of the firm he represents. Mr. Harry is a pleasant gentleman and made a number of warm friends while among our people.

Mr. D. H. Fagan, proprietor of the Arlington House at Tyrone, drove from the latter place in a handsome cab drawn by a beautiful team of bright bays on Monday last. Mr. Fagan dealt the cab to Mr. J. R. Bartruff, who will use it in the livery business, we understand.

Mr. Geo. Huss, of Linden Hall, gave our sanctum a pleasant call and renewed his subscription for another year. Mr. Huss is quite an old resident of that place and for the past fifteen years has worked at shoemaking, and has faithfully voted the Democratic ticket. Call again, the latch string is always on the outside.

-The management of the Bellefonte Base Ball Club have made arrangements with the Defiance club of Philadelphia for a match game on Saturday afternoon, as the expenses are pretty high in bringing a club like this here we hope the attendance will be large.

-D. F. Fortney, D. S. Keller and John L. Kurtz have been appointed a committee on finance to raise the necessary funds for the proper reception and entertainment of the Grand Army of the Republic, which meets in this place in August. The committee has called a meeting for Friday evening, at seven and a half o'clock, at the Court House. We sincerely hope our citizens will give this movement their hearty support. It will bring immense crowds of people to the town and help every branch of business. For this reason merchants and hotel men should contribute liberally to whatever fund is necessary.

-The rain storm on the 4th was decidedly the heaviest that fell in this community for many days, and almost reminded one of the water spout on July 4th '76. Our streets presented the appearance of young rivers, and its coming up so suddenly caused hundreds of people to imagine it the wettest of anything ever known or heard of. People who started out to the Fair Grounds after dinner, dressed in their best 'bib and tucker' never dreamed of the fate that awaited them ere they could return or find a place of shelter. Hacks, filled to overflowing with people, were rushed back and forth as fast as the air, ready almost tired out horses could pull them, but ten times as many could not have accommodated the vast crowd that had been drawn there either to witness the game of base ball or to participate in the Firemen's Grand Hop. The ladies, dressed in "spotless white," presented a sorry appearance, and resembled a collapsed balloon after the elements had done with them. The only persons on the grounds who did not get wet were Mr. John Musser and Mr. Newton S. Bailey, of the Daily News. Mr. Musser took off his shoes which afforded an excellent place of shelter for Johnny, excepting one of his large toes, which we understood it was impossible to crowd in and consequently suffered a little from dampness. Mr. Bailey was fortunate enough to find an empty tomato can and crawled inside of it. Of course in so large a place as that it would be impossible for him to suffer the slightest inconvenience.

INDEPENDENCE DAY.

THE LOGAN HOSE COMPANY'S EFFORTS MORE THAN SUCCESSFUL.

The Grandest Street Parade Ever Witnessed in Bellefonte.

The morning of the 4th dawned bright and clear and at an early hour people began to flock to town from every direction, and by 10 o'clock our streets were a living mass of human beings. So dense and thickly packed were the people on High street when the morning train arrived that it was almost impossible to form the line.

The festivities began on the afternoon of the 3rd, and at six o'clock of the same day Chief Burgess Ardell wisely consented that the act prohibiting the shooting off of fire crackers, etc., should then and there become null and void. The news spread like lightning and in less than five minutes the reports of exploded fire crackers, large and small, filled the air in every direction. A number of fire companies arrived on the 5 o'clock and 8:55 P. M. trains on the 3rd and formed in line of march and were escorted to their respective headquarters, after which they disbanded and were allowed to roam around at will.

At stated intervals and all along the line of march calcium lights were burned and had a beautiful effect upon the scene. A beautiful arch of evergreens and spruce was suspended across the street in front of the Undine Hose House on Bishop street and another on High street in front of the Bush House, on both of which were the words, "Welcome, Firemen."

The business houses and many private residences were beautifully and tastefully decorated, and in the evening many places were handsomely illuminated. Space will not permit us to mention all of the names and places and to do justice to all will therefore mention none. The procession on the 4th was formed at 10 o'clock on High street and in the following order:

- Chief Marshal, D. H. Hastings.
Marshals, Capt. Amos Mullen, Maj. J. L. Spangler, Mr. John D. Sourbeck, Col. D. S. Keller.
Chief Burgess and Orator of the Day in carriage.
Members of Town Council in 3 carriages.
Chiefs of all the Fire Companies.
Hummelstown Band.
Paxton Steam Fire Engine Co. of Harrisburg with Hose Carriage.
Mountain City Band.
Logan Hose Company of Altoona with Hose Carriage.
Williamsburg Grays Band.
Good Will Steam Fire Engine Co. of Hollidaysburg.
Tyrone Band.
Friendship Hook and Ladder Co. of Tyrone with Hook and Ladder Truck.
German Band.
Good Will Steam Fire Engine Co. of Altoona with Steamer.
Seltzer Band.
Hope Hose Co. of Lock Haven with Hose Carriage.
Phillipsburg Band.
Reliance Hose Co. of Phillipsburg with Hose Carriage.
Millsburg Band.
Undine Hose Co. of Bellefonte with Hose Carriage.
Zion Band.
Logan Hose Co. of Bellefonte with Hose Carriage.
Route of March.

Up High street, to Allegheny; out Allegheny to Linn; along Linn to Spring; up Spring to Bishop; up Bishop to Allegheny; out Allegheny to Lamb; Counter-march on Allegheny to High; down High to Thomas, and thence to Fair Grounds, where a short address of welcome was delivered by John G. Love, Esq.

After the closing remarks of the latter gentleman the names of Col. D. H. Hastings, Col. D. S. Keller and Maj. J. L. Spangler were each called in turn and responded with a short and appropriate speech. A number of other prominent citizens were called upon but failed to respond.

The next but not the least important step was to partake of the elegant and sumptuous repast in waiting for the hungry multitude of visiting firemen, to which all seemed to do ample justice.

The amusements for the afternoon were varied, some participating in the dance in progress in the Grand Stand and others witnessing the match game of base ball on the Association Grounds, while a few of the bands made our streets lively by their excellent music.

At about four o'clock the heavens began to show signs that our regular "4th of July shower" was about to present itself—and it did with a vengeance. Comments are unnecessary. Everybody is fully aware of that fact, and for fear of any remarks upon the subject recalling unpleasant feelings we have concluded to draw the curtain at this point. Towards evening the elements seemed to have spent their force and a calm blue sky again appeared. The bands re-appeared and the people began to flock upon our streets like swarms of bees. The air was filled with reports of exploded fire crackers, and sky rockets, roman candles, etc., were sent into the air from every direction, making things quite lively indeed. Some of the firemen procured a lot of tin horns and formed a Tin Horn Brigade, marching over our principle thoroughfares headed by the Hummelstown band. Several balloons were sent up in front of Sourbeck's during the day and evening.

Several of the companies left on the 5 o'clock and 8:55 P. M. trains on the evening of the 4th. The Paxton company of Harrisburg leaving on the 5:40 A. M. train Saturday. The Logan Hose company, Good Will Steam Fire Engine company and the German cornet band of Altoona, and the Williamsburg Grays remained until the 5 P. M. train Saturday.

In the morning the Good Will company gave an exhibition of the working of their handsome steam engine on the corner of Bishop and Allegheny streets, and in front of J. B. Alexander's store on High street. The engine worked splendidly, throwing a one and a half inch stream thirty or forty feet higher than any building in Bellefonte. They brought with them their elegant team of horses whose combined weight is about 3,440 pounds.

During the day the two remaining bands, serenaded a number of our citizens; also the office of the DEMOCRAT, for which we tender thanks.

It would be hard to say which company marched the best or whose uniforms were the prettiest, as each of the companies marched like old veterans, and their uniforms were all very pretty and attractive. The uniforms worn by the different bands were neat and nobby, and as to the music it was very fine, indeed.

The Logan Hose company are deserving of great credit in getting up and carrying out an arrangement as stupendous as this in as highly satisfactory manner as they did. Words of praise and resolutions of thanks are being showered upon them from all the companies—excepting one—which it is much to be regretted imagines they were "shabbily treated." However, as they are the only complaining ones we suppose they are of the "silver spooned kind."

The committee of arrangements were H. J. JACKSON, Chairman, C. M. HEISLER, JAMES SEIBERT, M. SHIELDS, GEO. L. SMITH.

Below we give several testimonials to the boys and our citizens generally.

The Paxton Steam Fire Engine Company was the first to arrive home Saturday after noon from Bellefonte. Because of the close connection to be made at Tyrone on the Pennsylvania railroad, the Paxton boys were obliged to leave Bellefonte at 5:40 on Saturday morning, arriving here early in the afternoon, and the entire company were lavish in praising the citizens of Bellefonte for their uniform courtesy and hospitality. The boys were quartered at the Garman house on Thursday night and on the day following were banqueted at the fair grounds, which was followed by music and dancing. Mr. J. M. Lyne, one of the Paxton members, was honored by the appointment of aid to the chief marshal. The Hummelstown band which accompanied the No. 6 gave entire satisfaction.—Patriot.

The parade of firemen under the auspices of the Logan hose company of Bellefonte was a grand success. The day was spent pleasantly and no fights and but little drunkenness was to be seen. The good Will and Logan fire companies of this city, accompanied by the German cornet and Mountain City band took part in the parade and report it a well managed affair. The boys returned to the city on Saturday evening much pleased by the treatment they received at the hands of the people of Bellefonte.—Morning Tribune.

Hope Hose boys, accompanied by Seltzer Band, left early in the morning for Bellefonte to take part in the celebration at that place. They were quartered at the Garman house and on arriving at Bellefonte were served with a splendid breakfast. Hope Hose had twenty-nine members and the band eighteen members in line, and the former with their parade carriage and new caps and badges presented a very attractive appearance. Seltzer band rendered some choice music and is said to have been the best band in the parade. The Lock Haven boys speak in praise of the treatment received at the hands of the Bellefonte people. They returned home on the night train.—L. H. Express.

CARD OF THANKS.—At the meeting of the Logan Hose Company No. 4, of Altoona, the following resolutions were adopted:

Resolved, That this Company tender a vote of thanks to the Logan Hose Co., No. 1, the Undine Hose Co., No. 2, Mr. C. G. McMillen, proprietor of the Brockerhoff House, and to the citizens in general of Bellefonte, for the kind and hospitable treatment received at their hands while in their beautiful mountain city on the 4th and 5th of July, 1884.

Resolved, That a copy of these resolutions be published in the Times, Tribune and Call, of Altoona, and that a marked copy be sent to the Bellefonte companies.

T. S. FREITINGER, J. F. WALSH, W. F. PRESSOTT, Committee.

—Altoona Times. The Friendship Hook and Ladder boys complain of being shabbily treated at Bellefonte by the Logan firemen, whose guests they should have been. They say that there was no committee even to receive them and they, on their arrival at that place had to do the best they could to get into line.—Tyrone correspondent in Altoona Times.

In regard to the above the Logan company desires us to say that both the Marshall of their company and the Marshall of the Tyrone company were at the train, met and escorted them to their quarters at the Bush House. Their truck was placed on south water street by the Logan company, and that at least fifteen minutes elapsed before the parade began to move, and what reason they could have to complain is more than they can understand, as every thing was done that was possible under the circumstances.

CARD OF THANKS.—The officers and members of the Logan Hose company desire to return thanks to the Marshall and Aids, the Orator of the Day, the Chief Burgess and Town Council, and the ladies who waited upon the tables for their assistance, and to the citizens of Bellefonte and ladies in general for their contributions both in cash and provisions. The Committee.

BASE BALL.—The Association Nine's game with the Logans of Altoona on the 3rd and Phillipsburg nine on the 4th, inst., drew a large and enthusiastic crowd to the Association Grounds on each occasion. The game with the Logans was called at 2:30 o'clock. The Logans won the choice and took the bat without scoring. Our boys then went to the bat and succeeded in making four runs. In the second inning the Logans scored two runs and gave our boys a whitewash and in the 3rd the compliment was returned by a white wash for the Logans which they neatly returned the same inning. In the 4th and 5th innings the Logans succeeded in scoring three more runs and shutting out the home team. In the beginning of the 6th Garret was struck on the finger by a foul tip which so disabled him that Longwell was substituted and by a succession of errors the visiting nine scored five more runs. The home team took the bat and after making two runs were put out. Garret being unable to catch any longer and in the absence of a change catcher the game was conceded to the visitors and closed at the end of the 6th inning.

Through some misunderstanding Keller, was left out of the game and through this the home team were left without a change catcher or the result of the game might have been far different. The Logan boys are a fine and gentlemanly set of fellows and almost resembled giants when compared with our boys. The game was umpired in a very satisfactory manner by Mr. George Wichum, one exception only having been taken during the whole game. Below we give the score by innings:

INNINGS. 1 2 3 4 5 6 7 8 9 10
Logans..... 0 0 1 2 3 10
Association Nine..... 4 0 0 0 2-6

Earned runs, Logan 4. Two base hit, O'Connor first base on balls, Bellefonte 1; Logan 2. 1st base on errors, Logan 5, Bellefonte 2. Struck out, O'Connor, Garret, Tyson, Longwell (2), Donoghue, Wichum, Murphy. Double play, Murphy. Passed balls, Tracy, J. Garret, Longwell 2. Wild pitch, Hughes. Time 1 h 55 m. Umpire, Geo. Wichum. Scores: Logans, J. E. O'Neil, Bellefonte, Rev. Somerville.

In the game with the Phillipsburg nine on the 4th more interest was manifested and the attendance larger than during any of the previous games, the crowd at times being quite enthusiastic. The Bellefonte nine played fully as well if not better than the day before, and although the Phillipsburgers are not considered as formidable as the Logans, they have the reputation of being hard to worst, and a victory over them is indeed a feather in the caps of our boys.

The game was called at 2:35, and owing to the fact that the visiting nine were compelled to leave on the 5 o'clock train it was agreed that only five innings were to be played. The Association nine won the choice and sent their opponents to the bat, who through a number of errors succeeded in scoring four runs and shutting the home nine out without a run. In the second inning the Bellefonte nine began to steady up and scored four runs, and presented the visitors with a perfumed cat. Neither side scored in the third and fourth. In the fifth the visitors scored one run and went out. The home team took the willow and made two runs. At this juncture the rain began to fall and the game was called, leaving two men on bases and only one man out. Considerable dissatisfaction was caused by the decisions of the umpire, who, in our opinion, did the best he knew how, and was innocent of showing any partiality to either club.

The small boy as usual was there and made himself conspicuous by heaping unkind remarks upon the umpire, which, for the sake of common decency and respect to our visitors, should not be allowed.

The Phillipsburg club is composed of a very nice set of young fellows and behaved like gentlemen while here. Following is the score by innings:

INNINGS. 1 2 3 4 5 6 7 8 9 10
Bellefonte..... 0 4 0 0 2-6
Phillipsburg..... 4 0 0 0 1-5

We regret our absence, and hope to have the pleasure of another call before long.

AT THE OPERA.—The entertainment given by the young ladies of the W. C. T. U. drew a large and select audience to the Opera House on Tuesday evening, July 1st. After music by the Adolph orchestra the tableau of "Washington at Valley Forge" was given, personated by a number of small boys, and was received with hearty applause. The song, "I am Content," was next rendered in a charming manner by Miss Kate Stott, the audience persisting in their applause, but owing to the extreme length of the programme the lady failed to respond to the encore, and the curtain rose on the "Magic Mirror." At the back of the stage was suspended a huge mirror draped on either side in black, and standing at one side was a wizard, wand in hand, invoking the presence of several lovely ladies, who in turn passed before the astonished and delighted gaze of Mr. Gray, attired as a cavalier of the middle ages, such lovely forms and faces as Misses Mollie Larimer, Kate Jackson, Sallie Hoffer, Annie Orris, Mary Meek, and Mary Morris. It must indeed have been a difficult task for the "Gallant Knight" to choose from such an array of beauty, but when Miss Morris appeared indisposition was conquered and his haughty crest bowed a captive to her charms. After music by the orchestra the audience were favored with a beautiful tableau of "The old woman who lived in a shoe." "Ave Maria," by Gounod, was next rendered by Miss Sallie Hoffer in an excellent manner and evoked loud and continued applause and ended "part 1."

When the curtain next rose it was on a beautiful acting tableau, "Mistletoe Bough," personated by quite a number of our young ladies and gentlemen in elegant and beautiful costumes of the long, long ago. Miss Mattie Keller as the bride looked charming and bewitching, and her brother Willie made a fitting groom for the sweet little lady. Miss Bessie Meek, Sallie Valentine, Mary Morris, Rebecca Lyon and Kate Harris looked pretty indeed as the wedding guests, and were carried off by Messrs. Eddie Valentine, Harry Keller, Tom Orbsion, Joe Rhodes and George Jackson, Jr. This formed a very beautiful tableau and was performed in a manner that would have been creditable to older artists. Music by the orchestra followed the above after which the historical tableau of the meeting of "Elizabeth and Mary Queen of Scots." Miss Ella McClain as the haughty Elizabeth looked the character to perfection, and Miss Lizzie Shortledge was indeed lovely as the beautiful but unfortunate Scottish Queen. Miss Lizzie McGinley as her attendant evinced in her countenance her sincere attachment and sympathy for her suffering mistress. Mr. R. C. Erwin as Robert Dudley, the ambitious Earl of Leicester, impersonated the character to perfection. The tremendous applause that followed illustrated plainly the audience's appreciation of the historical scene. Next followed a "Swiss Song," by Ebert, was sung in a plaintive and exquisitely fine manner by Miss Mary Lyon. The entertainment closed with a grand tableau illustrating Jean Ingelow's "Songs of Seven." Mr. George Bible reading the poem as the different scenes were represented upon the stage. In the scene entitled "Giribood," Miss Mary Meek looked beautiful as the expectant maiden awaiting the coming of her lover, and in giving in marriage Miss Kate Jackson made an exquisitely lovely bride, and Mr. Cooper Dare as the groom looked handsome and happy. The entertainment was a success in every respect and reflects great credit upon the ladies having it in charge.

DIED.—In Gregg township, June 22, 1884, Miss Beckie, daughter of Philip and Hannah Grenoble, age 42 years and one month.

The remains of Miss Grenoble were laid to rest in the Union cemetery at Madisonburg, the funeral being largely attended by sympathizing relatives and friends. To be thus cut down in the prime of womanhood, with surroundings which were calculated to make her earthly existence pleasant and happy, is indeed a sad picture. It can be truly said of Miss Grenoble that none knew her but to love her, none named her but to praise. In the irreparable loss which Mr. and Mrs. Grenoble suffer in the death of their estimable daughter we extend our warmest sympathy.

May she rest in peace.
