CHANGES IN THE OFFICE. Containing important news, solicited from every part of the county. No communications accepted unless accompanied by the real name of the writer.

Local Department.

—Board walks are being built on both sides of Curtin street.

—A. J. Cruise is building a new double house on Lamb street.

—The Bedford Gazette entered upon its 80th year August 1st. "May you live long and prosper."

—The curb market was unusually well attended on last Saturday, there being between twenty-five and thirty wagons at the curb.

—Powers & Son sell their boots, shoes slippers, etc., as cheap as the cheapest, and you will find them as good as the best. Give them a call before purchasing elsewhere and be convinced.

—A little son of Dr. Roland G. Curtin of Philadelphia, died at the home of his parents Wednesday last. The remains were brought to this place for interment Friday morning.

—Buggy nets are selling at cost at James Scheffeld's on Spring street. Call and see his large stock of new harness, collars, whips, etc. There is a bargain in every thing in this line.

—Mr. Jno Ardell has an artistic workman in the person of Robert Cole. He carved a large figure nine for us that would have done credit to any one making a specialty of that line of work.

—Read J. S. Wait & Co.'s advertisement in another column. They deal in all kind of agricultural implements, and have one of the largest supply stores in Tyrone, with a branch store at State College.

—What do you think of the new drinking fountain? Step right up and take a drink. It stands on historic ground. Four or five feet from it stood, years ago, that great institution, the "town pump."

—If you want to spend a pleasant afternoon and evening in a pleasant place with pleasant people, plenty of ice cream cake good music and dancing, go to Pleasant Gap festival on Saturday the 9th inst.

—A. C. Mingle invites his friends to call and examine his large stock of boots and shoes before purchasing elsewhere. Prices are low to suit the times, and satisfaction guaranteed. Remember the place.

—Mr. Michael Cooney has moved his boot and shoe shop to McCafferty's building just opposite the depot, at which place he would be pleased to have his friends and customers call if in want of anything in his line. Mike's reputation as a good workman is first-class.

—Look out for a fine game of base ball on Monday the 11th inst. The home club will have a first-class pitcher and catcher and the nine will be otherwise strengthened. Let everybody that can go, patronize the game. Buy a season ticket. It will help the boys along.

—The Democratic caucus meetings for the different wards will be held on Friday evening at 8:15 p. m., as follows: North ward, at J. L. Spangler's law office; South ward, at D. F. Fortney's office; West ward, at the Democratic Committee Rooms, above the Watchman office.

—A number of young ladies from a distance are visiting friends and relatives in this place. We should be pleased to make mention of the same more fully if the party whose guest they are would kindly furnish us with particulars by letter or otherwise.

—The Republican machine "got away" with our friend Love on Saturday last. This was to be expected. Then as there is an interval of twelve days between the primaries and the Radical Convention, in which to see the delegates, (a nice little set up, by the way.) Mr. Love's case was hopeless.

—Rev. John Hector of the David E. Small Post of York Pa., will deliver a lecture in the Court House on the 19th, inst on the subject of "His own Life." Rev. Hector is one of the finest colored orators, on the platform and his lecture gives general satisfaction wherever delivered.

—The festival and dance given by the Zion band on Saturday was well attended and was a financial success. Some of the married men from Bellefonte danced with the young ladies, their wives being too busy at home to attend. The Daily News collector was looking after his interest on the platform.

—We see by the Ridgway papers that our friend and former townsman, Isaac L. Smith, is now a member of the firm of McAfee, Ellsworth & Co., manufacturers and Patentees of Pantaloon Press Blocks. Mr. Smith learned his trade with Messrs. Montgomery & Co. of this place. His success and rapid progress reflects credit upon his former employers. We wish him continued success.

—Mr. Kyle McFarlane met with what might have proven quite a serious accident. On Friday afternoon while in the act of jumping off a freight train near the Glass Works he fell, hurting his face and left arm. He walked to the physician's office and received the proper attention. Little boys should not attempt to get on or off a train while in motion. Remember, Kyle.

Personal.

Our worthy County Superintendent, Prof. D. M. Wolf, was in town last week. D. B. DeLong, of Romola, on his way to work at Glenn Harris, called on the DEMOCRAT Monday morning.

Lincoln Musser is among the number who patronize that well known institution, the Spring Mills Academy.

Miss Lizzie Willower and Miss Blanche McElphatic, of Lima, Ohio, are the guests of Mr. and Mrs. Isaac Willower at Hublersburg Pa.

Mr. and Mrs. Charles Crites, two very estimable residents of Roanoke, Va. are guests at the residence of Mr. Barton Galbraith, Howard street. They expect to spend several months in the north before returning.

Our friend E. J. Swavely has severed his connection as local editor of the DEMOCRAT and has again embarked in the sewing machine business which we hope will be more conducive to his health, as the same will require more out door exercise than the Editorial Sanctum.

—The work on Major Reynolds' new house is progressing rapidly and promises when completed to be one of the finest residences in this part of the county.

—During the encampment visitors should attend the daily exhibitions at Louis Doll's grand boot and shoe bazaar, the exhibition is free to all. Mr. Doll makes a specialty of the Waukenphast shoe, dancing slippers etc. His store is located in the most delightful part of the city, one door on this side of the Post office.

—The gentlemen's dancing class hop, as usual was a brilliant affair. Quite a large number of ladies and gentlemen from a distance were present. Full dress and gorgeous costumes, with excellent music by the Altoona orchestra added much to the crowning feature of the occasion. Our account and full particulars must necessarily be omitted as our reporter was not present to write up the affair as it justly deserves to be.

—On Saturday of next week the Encampment of the G. A. R. is to open in this place and will be attended by a large body of the veteran soldiers of the State and elsewhere. They are to be in camp for six days, and will no doubt attract the largest concourse of people to the town that ever visited it on any occasion. To make proper provision for this, as well as to compliment our veteran defenders, the active co-operation of all our citizens should be given promptly and energetically in decorating the place to receive them and making such provision as may be necessary to their pleasant entertainment. Let us erect a number of arches and decorate them with evergreens, bunting, flags, etc. The streets will be regularly sprinkled, and every possible effort made to have this one of the most successful gatherings of the kind.

—The Bronze Monumental Drinking Fountain erected by the Womens Christian Temperance Union, in front of the Court House yard near the site of the old town pump is a model of beauty, and the enterprise (a much needed one) reflects credit upon the women and will stand as a monument of their success in the good cause in which they are engaged. The fountain is two feet at the base and about ten feet high including the angel on the top which is about three feet high. In front is a large basin to which you can drive up and water your horse without any inconvenience. On either side is a small basin where the dogs and cats may quench their thirst. Flowing constantly from the lions mouth on the side next the pavement is where all who are thirsty may drink. Immediately below and quite conspicuous is a large polished metal plate with the following appropriate inscription: "Whosoever drinketh of the water that I shall give him shall never thirst." The citizens generally are very favorably impressed with the "Fount" and congratulate the ladies on their liberal donation and also themselves on being so fortunate in getting the same. However some chronic grumblers whose thirst is not easily quenched by anything as "thin" as water have some fault to find with the size of it, the smallness of the basins and even the angel on the top.

—John Lose and Samuel Gardener, started for Madisonburg yesterday morning and arrived there about three o'clock in the afternoon. Mr. Gardner who has been suffering with consumption for the past two years, had a hemorrhage just after getting out of his wagon, much blood issuing from his nose and mouth. He asked for a doctor and one was sent for but the young man died before anything could be done to relieve him. The remains were brought to this city this morning about three o'clock by private conveyance and taken to his father's residence on Bald Eagle street. The young man was 24 years of age and was well liked by all who knew him. The funeral will be held at the Evangelical church Sunday afternoon at four o'clock; interment in Highland cemetery.—Lock Haven Express, Friday August 1st.

Mr. Gardener is well known in Centre County and his untimely death will be regretted by all who knew him.

The Coming Encampment.

In the business meeting of the Semi-Annual Encampment at Gettysburg in August '83, it was decided to hold the Semi-Annual Encampment of '84, in Bellefonte. The Comrades and their charge have made the most extensive preparations for the reception of Comrades and others August 16-22, and will give a reception as they have never yet had. The circulars say: All will be Welcome to our beautiful town.

On the arrival of the trains from Philadelphia and Pittsburg Saturday Aug. 16th, the Reception Parade will be formed, and after marching through the town, will proceed to the Fair Ground where the Tents are pitched, and a Welcome Address will be delivered.

Saturday will be devoted to getting comfortably quartered in camp; in the evening an Open Air Concert by the Bands.

Sunday, a. m., Religious Services will be held in Camp, and in the evening a Dress Parade.

Monday, an Excursion by all who can go, to point McCoy, (2 1/2 miles,) and enjoy the finest view in the State: in the evening Dress Parade, and at night the Comrades of Post 51, Phil'a will give a grand Masquerade Ball in the Armory.

Tuesday, an excursion on the famous Switch Back R. R. to Snow Shoe on the top of the Allegheny Mountains, (16 miles) the same day to all who can go,—by wagons and carriage, to the wonderful "Caves" of Penn's Valley, (12 miles), Efforts are being made to have these excursions free to all; but if it can not be done, the cost will be very small. At night a Sham Battle, with Cannon and Fire Works will be fought on the adjacent hills.

Wednesday, the business meeting of the Department;—at night a grand Camp Fire.

Thursday, no special programme for this day.

Camp will break up Friday morning. Every evening except Saturday, there will be Dress Parade; and every evening except Tuesday, there will be an Open Air Concert by the justly celebrated Weccaco Band of Philadelphia.

All the Department Past and Present Officers, and National Commander Beach will be present.

Six hundred tents, also straw, fuel, and light will be furnished free to all.

Boarding can be had on the ground at 25 cents per (good square) Meal; in town at private boarding houses from \$1.25 to \$1.50 per day; and at good first class Hotel's at from \$1.00 to \$2.00.

NIAGARA FALLS AND WATKINS.—Make your arrangements to start for Niagara Falls on Tuesday, August 19th. All arrangements have been made for a delightful trip. The railroad fare from Bellefonte will be only \$7.60 for the round trip, and in order that persons may know exactly what it will cost for the trip to Watkins and Niagara Falls and return, the railroad company have made arrangements for a three days trip, and a coupon ticket will be issued in connection with the railroad ticket, giving the bearer the following privileges, viz: Leave Bellefonte 9:45 a. m., August 19th, arrive at Watkins at 3:45 p. m., Supper, Lodging and breakfast at the Glen Mountain House and admission into the Glen. Leave Watkins August 20th at 11:15 a. m., and arrive at Niagara Falls at 5:05 p. m. Supper, Lodging and breakfast and dinner at the great International Hotel, admission into Prospect Park, giving a beautiful view of the Falls by day and by electric light in the evening. Inclined railway to foot of American Falls and return; toll across suspension bridge to Canada Falls and return; inclined railway to Grand Rapids on Canada side; admission to Goat and Luna Islands and the Three Sister isles, with carriage to all above places of interest at the small sum of 7.00, which will make the entire cost including railroad fare, only \$15.20 from Bellefonte. Returning, leave Niagara Falls 3:30 p. m., Thursday, August 21st, arriving home same night.

Parties desiring to remain for a longer time will have the privilege of the reduced rates of \$2.50 per day at Watkins and \$3 per day at Niggara Falls. This is certainly a rare opportunity. Don't fail to go.

—The new skating rink which is rapidly nearing completion will be opened to the public on, or shortly after the 15th inst. The Decker family who are well known as expert and professional skaters will be present if not at the opening, in the near future, and will give exhibitions of their skill in this graceful accomplishment. The rink will be open six days in the week from 2 to 5 p. m. and in the evening from 7 to 10 p. m. The very best order will be maintained and Mr. McDougall the gentlemanly proprietor will use every effort to make the rink first class and pleasant in every respect, so that our citizens will not need to hesitate to patronize the new enterprise. We would advise all to go and take a turn upon the rollers.

POTTER TOWNSHIP, July 30, 1884.

DEAR SIRS:—Allow me to express the sentiments of a majority of the Democrats of Potter township by calling attention to the name of Geo. Hoffer, of Harris township, as a candidate for Sheriff. Mr. Hoffer is an old citizen of our (Potter) township, where he has always been respected as a gentleman in every sense of the word. He is an honest, hardworking and intelligent farmer, and is in every way fitted to fill the office he aspires to. He has perhaps paid more taxes into our Treasury than any other man named for the office. It is important that we should nominate only good men for our county offices, and where can we find a better man, with a better character, and more fitted to be our next Sheriff, than Geo. Hoffer, of Harris?

Rhone. The one a politician, the other a hard working, intelligent farmer, whose name is a household word at the fireside of every Granger in Penn's Valley. Who will you vote for, farmers? Kurtz has already had two terms, and should stand aside for a while yet. If you want Centre county represented in our next Legislature by intelligent, wide-awake farmers, vote for Rhone and Woodward.....A certain person who thinks the article signed "News Boy," which appeared in your paper during the month of July, had reference to himself, desires your correspondent to say that the statement about his threatening to shoot a defenseless woman is false, and was fabricated by some of his enemies.
