We hope Mr. Shugert will enjoy a pleasant retirement and that he may live long enough to see a half dozen Democratic presidents elected .-- Centre Reporter.

CHANGED HANDS .- We notice by the last issue of the CENTRE DEMOCRAT, that our venerable friend and co-worker Hon S. Townsend Shugert, has disposed of his interest in the journal, to two young men, Messrs. F. E. and G. P. Bible, who will hereafter conduct the paper.

Mr. Shugert was one of the few newspaper men left of forty years ago. and we are sorry to lose him, but such is fate-one goes and another comes to fill his place. The Messrs Bible have a wide field and we assume that they will cultivate on the Democratic plan as in the past under Mr. Shugert. Good health and prosperity to those who have left us and to the new comers who have entered upon the journalistic highway .- Clearfield Republican.

-The CENT &E DEMOCRAT of Bellefonte changed hands last week. Hon. S. T. Shugert retired to make way for Messrs. Frank and George Bible, the new proprietors. The DEMOCRAT is strong in the faith and well conducted .- Renovo Record.

-The CENTRE DEMOCRAT sailed into this port last week, newly officered and manned, with Recorder Frank E. Bible, Captain, and George P. Bible, First Mate, vice, Hon. S. T. Shugert, who has navigated the staunch old craft for the past six years, over the tempestuous sea of journalism, but who finds the cares and perplexities of the newspaper business onerous, and resigns. We welcome Frank and George to the brotherhood and give them, with pleasure, our place,

at the foot of the class, which we have held with great fortitude for the last seven months. We hope their career may be pleasant and profitable. They've both got lots of brains, and we believe the patrons of the DENOCRAT will never regret the change, even if Frank and George do .- Philipsburg Ledger.

CANCER CURED

CANCER CURED. No diseases have so thoroughly baffled he skill of the medical profession as ancerous affections and as they have al-ways been considered incarable, it has been thought disreputable to adopt their matment as a specialty; and hence physi-ans have neglected their proper study. In the late years new and important dis-overies have brought forth a course that we prove successful in any of its forms, with certainty, without the use of the nife or caustic plasters. We have a reatment that is comparatively mild. It not poisonous, does not interfere with a healthy flesh, can be applied to any at of the body, even the tongue. We have nothing for our services until the more is cured. Address D. J. HULBERT, Eagleville, Centre Co, Pa.

Unquestionably the most brilliant in the hog pen an angry brute sunk a siece of illumination in the town was tusk in his right leg, along-side the that extending outward from the resi-dence of Col. J. G. Kurtz, in the southern part of Milton. It being a dark night, this single piece forming a per-fectly star, measuring eight feet across the points and representing the nation-al colors of red, white and blue within its five points, at once elicited the ad-miration of all observers. The centre field inside of the blue contained the following inscription: "Men for Hon-est Government!" The left and right points, standing east and west, contain-ed, respectively the names of Clevelaod and Hendricks, the lower left point the name of Hon. Andrew G.
