payments in advance will be required.
POLITICAL NOTICES, 15 cents per line each insertion.
Nothing inserted for less than 50 cents.
BUSINESS VOTICES, in the editorial columns, 15 cents
per line, each insertion.

Headquarters for Christmas Presents, 1884.

Our stock of Holiday Goods this season is finer, more complete and fore. We have added a special line It will repay you the time to come in and look at them. We were very successful last year in Gold-Headed Canes and have brought this stock Riding Whips for young ladies. Opera Glasses will be a popular present this year, just as fine, but lowe: that of last inasmuch as they are that of last year. Our stock consists handsome dwelling-house. Other pre- of the visitor of limited means to the Rings and Shirt Studs ranging in price for ten dollars up to two hundred and fifty dollars. Our specialty Lutherans will commence their new during the entire year, as well as church early in the S, ring. This conduring the holidays, has been Gold gregation built its first church in 1863 stations of its system excursion tickets Watches and Gold Rings, and our at a cost of \$4,000. The foundation not to New Orleans, good to return until assortment is equaled in few places being a good one, a dozen years was the from Philadelphia to Pittsburg and length of its safeness as a worship, and in 1876, was subject to certain excelled by no other outside of those in 1876 was rebuilt at an additional conditions as to limitation of trips gocities. We clame this on the word of men who travel continually be tween these two points and know whereof they speak. We have a solid \$100 expended on the same hold one route going and a different route Gold Ladies, Watch, First class room. The entire indeb-read be returning. The round-trip rate of movement, for twenty-five dollars congregation, through the errorst range to m Bellefonte to New Orleans which we recommend to those who pleading of their pa-tor, Rev. W. F. is Sin. in I going by one route and rewant a low priced watch, as they are by the members themselves a men by the members themselves a men by pearance. They are solid gold, element licked from with a too look not filled or plated. In Rings we be walls all that was consumable, and it s lieve we can show you more patterns walls tumbled in rain. The hi and style than you can find in Central | s lected for the new editor is on the Pennsylvania. Our 18 k. F. P. B. corner of Main and Caurch streets. Plain Ring is the only one we have where at present stands the oldest dwelling-house in the town, by any been able to get that will stand the been built by Moses Felmice in 1846. test of the United States Mint assay; The new brick structure will add this is not guess work, for we have greatly to the appearance of the diatried it over and over again. We mond, as the distinguished architect, have a plain, solid gold Ring for L. B. Valk, of New York City, bas about the same price you have been planned a handsome piece of work, and The Will of the People Vindicated and paying for gold filled. A gold filled yet within the means of the congregawill last a few years if worn carefully, tion, together with a bit of support while our Gold Rings, at about the from outside, owing to their prior missame price will last a life time, We fortunes. Following is part of plan. particularly call your attention to The main audience-room will be 46x55 these two specialities in Watches and Rings, as it is utterly impossible to (18x25) to connect with S. S. room in procure them elsewhere and a great many suppose in looking over our and pastor's study (12x19) to be constock and seeing so many of the finest nected in like manner. A tower at the and richest watches that we keep no moderate priced goods, which is a mistake, as we keep as low priced goods as anybody, as long as they will give satisfaction; beyond that we will not go as we guarantee every single article we sell to be as represented. If at any time a customer buys a chian for plated and it turns out to be solid gold they are at liberty to return it and we will return the amount paid or vice versa. But every one should remember that gold dollars cannot be bought for ninety cents anywhere. We always like to say a word about silver thimbles, although they are small articles compared with gold watches and diamonds, yet there is no article we go to more trouble to get as good as possible as silver thimbles. We think that this season's effort exceeded all others. We have a nice nine of gold thimbles also, but every or vice versa. But every one should

The Centre Democrat. lady don't have or desire a gold thimble. We have children's silver thimfind anything you can imagine in the solid and quadruple plate. Our sales of spoons and forks up to this time almost equal the entire holiday sales of last year, this is no doubt on account of their being so much lower in price while the quality is the same. All spoons and forks bought of us are engraved free of charge. We say en-graved not scratched. We invite those who do not wish to purchase to come in aud examine our special lines. If in the forenoon, we can take as much pleasure in showing you our folks. You know last year you said you wished you had thought of it in time.

FRANK P. BLAIR.

CENTRE HALL.

to this point, the business men and citizens generally are looking with an eye of interest to the town and contemplating investments of profit. The first is the erection of a grain house by I. J. Grenoble of Spring Mills, which is now completed, and Monday a market for wheat was opened at Centre Hall, under the supervision of J. B. Solt, together with a coal-yard. Hon, Fred. Kurtz will put up a steam roller flour mill at or near the station. This is a capital idea, there being no mills of any note in the valley. Mr. Kurtz will A building, 35x70 feet, is also to go up, and will be occupied by Mr. W. H. more moderate in price than ever be- Bartholomew, of Spring Mills, for a store-house and dwelling. The gentleof fine Cur GLASS goods, something man is an experienced merchant and never before exhibited in Bellefonte, of good business tact. It is stated upon good authority that the building of a first-class and commodious hotel is being contemplated, and the probabilities are that in the Spring the pick will be struck near the railroad for the foundaup to the standard of last year, and tion. Enterprising Young Deininger, the great fair. in addition have added nobby Silver having purchased lots at a desirable Headed Canes for young men and point near the station, has made the necessary arrangements for the building of a planing mill, and wilt have all required machinery for a complete mill. Near the foot of town, on the Hoffer in price than last. Our Diamond lot, a building, 35x60, is to be constock of this year, we think, exceeds structed by Mr. W. R. Camp, and to be used as a furniture factory and underlower in price and our invoice exceeds taking. Mr. Camp will also build a of Rings, Lace Pins, Scarf Pins, Ear jects are underway, but there being no certainty of them will make no men-

> As we move up town, we find the feet; Sunday-school room (25x33) to connect falling-sash; infant room same way : prayer meeting room (12x20) entrance, with provision for towerclock, completes the building.

On Thursday, 11th inst., a number of friends assembled at the residence of Thos. Lingle, near Centre Hall, to witness the marriage of Miss Blanche and Mr. Chas. Arney, of this place, which accordingly took place at 11 A. M., Rev. Foster officiating. The happy couple then proceeded to Altoona, but will return and make Centre Hall their permanent abode.

Sunday evening. 7th inst., Rev. Mr. W. K. Foster, pastor of the Sinking Creek Presbyterian charge, and, resident of this place, presented his resignation. Rev. Foster has ably filled the pulpits of that charge for almost three years, and the members of his church; together with many others, deeply regret this step. Saturday following a meeting of Session was called, which declined to accept his resignation. It is hoped by all that Mr. Foster will consent to remain at his present post, and continue in his faithful work.

move to Ridgway Etk. county, where he bles of the smallest size. You will is largely engaged in lumber operations. We are sorry to lose him as a citizen of any more than a quarter of a century of silverware line in our cases both in Centre county' and have no doubt that "Aust" will often long for his native heath. Elk county needs more Democrats who own themselves and as that is the size of Mr. McClain that little Republican trong-hold will be all the better for his presence. As a business man he will be a desirable squisition. We hope the change will be a financial success.

The Farm Journal of which Hon, Jno. A. Woodward is one of the editors, is about the brightest among our Agristock as you can have in looking at it. | cultural exchanges, and is an invalua-Don't forget Gold Glasses for the old ble sid to wide-awake and progressive farmers. Mr. Woodward is a ready and pleasing writer, and speaks from experience. It is the practical farmer after all who should edit a farm journal. The Weekly Post

Under a Democratic National Admin. istration.

the Great Wrong Righted.

"Ring out the old, ring in the new, Ring out the false, ring in the true." Cleveland and Hendricke have been electrd After the fourth of March there will be a Democratic administration at Washington, with great possibilities for the progress, prosperity and advancement of the

As THE Post has labored unceasingly for twenty-five years for these glorious results, so it will extend to the new admin sults, so it will extend to the new administration a hearty greeting and a cordial support in the re-establishment of principles and policies vital to the public welfare, by reforming abuses, righting wrongs and asserting the supremacy of the Democratic faith. We are on the threshold of important events and great changes. To a Democrat who aided in Cleveland's election, the future is full of interest and hope.

The Weekly Poer will aim to keep abreast of the times in everything relating to the incoming administration. Ist policy at home and abroad will be intelligently discussed, generously supported or can-

cy at home and abroad will be intelligently discussed, generously supported or candidly criticised. No year in the history of this journal promises to be so replete with matters of interest to Democrats as the one which we are about to enter. The meeting of Congress, the declaration of the Presidential vote, the inauguration, the new Cabinet, the charges in the public service, the opening up of the books, all

-A. M. McClain of Milesburg will are of great concern. THE WEEKLY POST will furnish the earliest intelligence, with judicious comment from the old Democratic tandpoint. Success will not hamper it

defeat impaired its energies.

The session of the Legislature, with a Reform Governor opposed by a Republi-can majority; promises to be fruitful of important issues and exciting incident.
The coming session of congress will be even more interesting in its broader field.
In all its varied departments, THE

WEEKLY Post will aim at excellence and reliability. Its literary, mi-cellaneous, news and local departments will be maintained in their utmost efficiency, while its market reports will be prepared with greater care and precision than ever before and made absolutely reliable.

Now is the time for Democrats every-where to take hold, cement and strengthen where to take hold, cement and strengthen the party and its chosen representatives, by extending the circulation of Democratic papers. We are no longer on the defensive—we are done with apologizing the party to-day stands for a majority of the American people, and in a few weeks it will be called on to administer the general Government. Truth is mighty and has prevailed.
