THE PRINCIPAL OF CHRISTIE'S SCHOOL OF BUSINESS, LOCK HAVEN, PA.

Among these who have devoted their best energies to the commendaedge to the young men of this country and to qualifying them to meet the demands that will be made upon them in every departmet of business, there is no one more deserving of special notice than the subject of this sketch. Prof. Samuel N. Christie was born in St. Albans, Me., November 23, 1849. At an early age his parents removed to Lock Haven, Pa. where his father was engaged with the Messrs. Blan chard and others in the first develop ments of the lumbering interests of the west branch. In the public early education, and this was supplemented by a careful training in the private schools and in the academy and seminary of the same place during the winter season, the summers being spent in driving team and rafting logs on the canal form Lock Haven farm to use as judgment directs. to Williamsport. At the age of seventeen he was an inspector of lumber nure, or depend wholly on commercial and scaler of the West Branch Boom company, which position he held un til 1872, when he entered Eastman college, at Poughkeepsie, N. Y. an institution which was then owned and conducted by the late Harvey G. Eastman. After a year's connection with Mr. Eastman's schools as pupil, during which time he had graduated from every department with the maximum grade, Mr. Christie was chosen as principal examiner and instructor: intendency of the banking and office department, the most advanced department in the school. While occucities for the purpose of gathering and Chicago Lim ted or Day Express. practical knowledge relating to various kinds of business. He was a welcome visitor to Manager Camp, of the clearing house, Assistant United son who departed this life on the morn-States Treasurer Acton, of the sub- ing of the 14th of February, 1885. He treasury. When ever he made know lingered quite a while in his last illlarger field of usefulness and an opof the benefits of his years of patient persons were in attendance at his funclabor and study, caused him to sever ral. Rev. J. Zeigler conducted the to open a similar institution on his own that shall be also reap," which was of his former pupils, and for a num- present. Mr. Watson was aged 77 school, joined him in his undertaking. After airanging a course of study and sending out a few announcements, Prof. Christie opened the School of alive of Mary Cox, near Little Capron, Business in Lock Haven, Pa. January Md., published in the Democrat recent-7, 1884, with fifteen pupils. The ly has been exploded. The remains qualifications obtained by these pio- were not exhumed until Thursday last, neers were sufficient to establish an when it was done under the direction enviable reputation for the school and the result has been a constant increase in the patronage, the membership at the present time numbering more than 100 pupils, ranging from fourteen to forty years of age. By unceasing energy and zeal in his speciality, Prof. Christie has earned the reputation of being one of the foremost business educators of this country, and there are thousands of from actual experience concerning my. He is now experimenting with

The people of this city are accustom. ed to seeing men and sometimes women reeling on the streets in a state of intox. rope which held Beach suspended in ication, but it is seldom they see so shocking a spectacle as that presented claimed to be cut from that rope, in Alyesterday afternoon at Main street and toona and in different parts of the Clinton avenue. A small boy, not more than 12 years old, in a beastly state of intoxication was displaying all the don. qualifications needed for making a first class drunkard. Such an exhibiaion of precocious depravity is seldom seen and witnessed and commented on by many persons. Where did the boy get his liquor?-Lock Haven Express.
