Troops For Panama

A FORCE OF MARINES SENT TO PROTECT AMERICAN INTERESTS ON THE ISTHMUS
 Secretary Whitney late this afternoon telegraphed as follows to Rear Admiral James E. Jouett, who sailed to-day from New Orleans with the United States steamer Tennessee to Pensacola, Fla:
 In addition to the force under your command in the steamships Tennessee, Swatara, Alliance and Galena, all which should be at Aspinwall upon your arrival, you will be reinforced by about two hundred marines dispatched to-day from New York by the City of Para with tents and camp equipage. To provide for contingencies further supplies will be sent at once. The duty you are called upon to perform calls for the exercise of great discretion. The object of the expedition is the performance by the United States of their engagements to preserve the neutrality of and keep open the transit from Colon to Panama and further to protect the lives and property of American citizens.

The circumstances, as understood, from which the necessity for the expedition has arisen are in general that a steamship belonging to Americans has been seized at Colon by an armed force and goods in transit taken from her, her officers and the American Consul imprisoned and the transit across the Isthmus interrupted. With the consequences involved in these past acts you are not concerned. Your sole duty is confined to seeing that a free and uninterrupted transit across the Isthmus is restored and maintained and that the lives and property of American citizens are protected.

If on your arrival at the Isthmus order shall have been restored and the Colombian authorities are adequate to the protection of life and property and the maintenance of free transit you will interfere in no respect with the constituted authorities, but report and await orders. You have no part to perform in the political or social disorders of Colombia, and it will be your duty to see that no irritation or unfriendliness shall arise from your presence at the Isthmus. The incidental exercise of humanity toward American citizens in exigent distress must be left to your sound discretion.

NAVAL OFFICERS ANXIOUS TO ENLIST
 The Secretary of the Navy has received applications from nearly all the naval officers who are available located to be sent to Aspinwall. The Secretary says that if all who have applied were permitted to go he would have more of ficers than men. He received the following dispatch this morning from Commander Kane, of the Galena: "I hold two of the most prominent insurgents who assisted in firing Aspinwall. I do not think it safe to deliver them to the Colombian authorities who would permit them to escape."

Application has been made by the Pacific Mail Steamship Company and by the Panama Railroad Company to the war department for either the loan or purchase of army hospital tents for the purpose of sheltering the destitute people at Aspinwall. It was decided that they could not be sold except at public auction, as required by law; but in consideration of the probable destitute condition of American citizens at Aspinwall, the War Department has placed in the custody of the Admirable of the fleet (they being sent by the City of Para) fifty hospital tents, to be used in the event of such a case of existing destitution as would justify their employment for the protection of Americans at that point. These are in addition to the tents needed for the marines. Admirable Jouett telegraphs from New

Orleans that he left that city with the Tennessee this morning for Aspinwall.
 A MESSAGE TO GENERAL GOMINA.
 Senor Becerra, representing the United States of Colombia at Washington, sent the following dispatch this afternoon to General G-omina at Panama:
 "United States forces are going to cooperate in securing free transit and protection of American life and property. If they find that the Colombian forces are able of themselves to attain that object they will withdraw. I have perfect confidence in the good faith and upright intentions of the American Government. Public opinion here is deeply irritated at the excesses committed at Colon. We need energy, repression and exemplary justice, so that we may not be held for the aforesaid excesses. Report frequently."
 He also sent the following to the authorities at Buena Ventura:
 It is important that more forces be sent to Panama to restore order and to prevent the nation from being held responsible.

UNIONVILLE.
 EDITORIAL CENTRE DEMOCRAT.
 It is quite a long time since I have written an article for your valuable paper, from our town and I would now ask your indulgence that I may give our beautiful little Eden an airing. Otherwise the outside world might forget that we are in existence. To license or not to license? that's the question that is just now agitating our people. Both pros and cons are making a desperate effort to win in the coming contest for and against a licensed Hotel in this place.

Mrs. Samuel Brugger, is absent on a visit to her daughter, Mrs. Nora Becker at Mechanicsburg.
 Mr. Harry M. Kephart, the gentlemanly, obliging and courteous manager of Wm. Resid's store, hid himself to the city of brotherly love on last Wednesday, for the purpose of laying in a stock of spring and summer goods, and soon the counters and shelves will be groaning, under the excessive weight.
 Messrs. A. J. and G. E. Greist, have at present the largest stock of dry goods and groceries in this "neck of woods" and are selling as cheaply as can be bought anywhere in the county. Jack will not allow any body to undersell him.

Mr. John W. Peter's who has been employed in the tannery at Clearfield, for the last three years, has come home to stay, and he now sports the handsome mustache in town, which adds greatly to his handsome phiz.
 Miss Nella Rumberger is attending the State Normal school at Lock Haven, the present session, where she expects to graduate in the near future.

Quite a number of improvements in the way of building and repairing dwell-houses has been made lately as well as many changes in resident and business connections to our town, among which are G. L. Lovell and family of Berne. Mr. T. is agent for a tobacco house. Mr. Goodfellow and family of Howard; Mr. E. E. Blair, and M. W. August and family of Fillmore. The latter intends to carry on the business of a business and already has commenced by smacking their lips in anticipation of enjoying the luscious juicy steaks and crisp mutton chops the coming summer.
 Our enterprising young miller, Mr. Wilbur Smith, intends putting a patent roller in his mill this spring. Wilbur is too progressive to allow himself to be outdone in the way of improvement; he is bound to keep up to the times, you see. By the way here's a good chance for some enterprising young lady to capture this enterprising young miller. 'T would be an enterprising match.

Our schools are closed and we are pleased to say that they have been most successfully conducted. Miss Cora Harvey teacher of primary and Mr. Wm. Fisher principal of the Grammar school have won golden opinions from their patrons. They stand high in the estimation of our citizens.
 Mr. Thomas J. Dale that excellent young man still sells the Sunday Telegram. Thomas is a model young man and the girls had better "look a little out," or they will miss the chance of getting a first class husband, but fearing lest I should impose on your kind indulgence, I will put on the breaks on this.

MILLHEIM.
 The Clymer concert held here last Wednesday and Thursday evening was well attended, and the music was excellent.
 J. C. has now taken to driving blind Charley.
 The wells and cellars are nearly all filled with water in Millheim at present, and there is no reason for pumps to get out of order now.
 We notice Mr. Wm. Mauck is attending to his duty as Assessor.
 F. O. Hosterman was in town on Monday.
 Our friend D. L. Zerby is about to make his tour as mercantile appraiser. Lew Fraun expects to go into business

on Penn street before long. L-w suits and fights appear to be the order of the day at this place.
 Rev. Hockman preached his first sermon here in the M. E. church on Sunday night.

Obituary.
 We clip from the Waverly News of Kansas, the following obituary notice of Mr. Thos. Hutchinson, for sixty years a resident of this county, who died at Lawrence, Kansas, on March 29th, 1885, at the advanced age of 82 years.
 The subject of this notice was born April 5th, 1803, in Centre county, Pennsylvania, and spent the greater portion of his life there. Although bred to the trade of a blacksmith, he devoted himself to farming from his early manhood. He was an active and public spirited citizen always, and in his former home was an advocate of the system of free public schools in Pennsylvania, at a time when the adoption of the system was bitterly opposed. He was an original Washingtonian, as the first organization of the advocates of total abstinence were called, and adhered to his opinion and the practice of it all his life. He was from his youth a devoted member of the Presbyterian church, and served as a ruling elder in that church, for a major portion of his life. He adhered to the new school branch of the church during its division, and was earnest in aiding the reunion of the church. He was active and earnest in support of his political views. Originally a Democrat, he abandoned that party on account of his views on the subject of the tariff, and was a devoted Whig and follower of Henry Clay. He was antislavery in his feelings and views and when the Whig organization failed, he at once became an active Republican. He was elected by them a commissioner of his native county, and at the opening of the war, succeeded in securing an appropriation by the county, monthly, of a sum of money to the family of every absent soldier needing support in the county, graduated in amount by the number of the family, which aid was maintained throughout the war. He removed to Carroll county, Illinois, in 1865, and in 1870 to Johnson county, Kansas. In 1880 he removed to Coffey county, Kansas, and resided with his children near Waverly, until less than a year ago he took up his residence in Lawrence with two daughters. His remains were buried at the new cemetery at Waverly, March 31st, 1885. He leaves surviving him three sons, three daughters and thirteen grandchildren. All resides in Kansas except three children of his eldest son, deceased, who resides in Bellefonte, Pa. His eldest daughter is also deceased. One son resides at McPherson with his family, the rest at and near Waverly, except the two daughters in Lawrence. He died of general debility, the effect of advancing age, suffering little pain, and exhibiting symptoms of no particular disease.
