

MADISONBURG.
 Last Wednesday morning a harvest home service was held in the Reformed church by Rev. Miller, assisted by R. V. Land, of Centre Hall, who preached a very able and interesting sermon.
 Sugar Valley Camp is in progress, and hacks are run from this place to camp and back.
 Mrs. Frank Kuehne, of St. Louis, Mo., is visiting her mother, Mrs. Geo. Shaffer.
 Mr. Simon Hazel, favorably known throughout the county as a carpenter, is in very delicate health. Early in the spring he was taken sick with Typhoid fever, and after he had apparently recovered, an abscess or tumor formed in his side, which seems to baffle the skill of the doctors. Mr. Hazel has the sympathy of the community during his illness, and we hope he may again recover.
 A long felt want is at length being attended to by our citizens. They have lately met in council and decided to supply the town with water by means of new iron pipes. The old pipes, which were of wood and have been in service for many years, are actually worn out and have been the cause of much annoyance and dissatisfaction for the last few years. We have several excellent springs furnishing an abundant supply of water, and with a good line of pipes it can conveniently be brought to the door of every residence in town.
 The Literary society, connected with the Madisonburg select school, is in a flourishing condition. One of the latest questions that have been discussed by its members was, "Resolved that President Cleveland's administration has thus far been a success." All the fiery enthusiasm of the embryonic orators was kindled, and after a long and spirited debate, in which an unusual degree of skill and talent was displayed, the question was decided in the affirmative. Every Friday evening the society holds its meetings which are open to all.
 One of the grand events yet to come is the picnic to be held in Grimm's grove on Saturday, September 5th. The committee is putting forth every effort to furnish amusement and all who come will be entertained. The grove will be made as attractive as possible, and a dancing floor will be erected on the grounds for the enjoyment of all who wish to trip the "light fantastic."

SPRING MILLS.
 Festivals are all the rage just now, one at Green Grove two weeks ago, one at Spring Mills last Thursday evening and next Friday evening and Saturday Sept. the 4th and 5th, the Cornet band will give a lawn festival near the old school house. The Zion band is expected over to assist the boys.
 George A. Runk is visiting in California, his wish state he lived for 30 years. His sister Mr. Barcroft of Philadelphia and owner of the Spring Mills property formerly owned by R. H. Danca, is visiting at his house.
 Harriet May, the Indian girl from the Carlisle school, assisted by Miss Chesla A. Krape, has been giving a series of concerts throughout Penn's Valley. They were chaperoned by Mr. George L. Potter.
 Huckleberries were never so plentiful as they are this season. Thousands of bucketfuls have been gathered on brush mountain alone.
 Y.
 —Dr. J. H. Pierce, of Philipsburg, has been suffering from a cancer of the larynx, which is fast eating the parts away. In Buffalo, N. Y., at the General Hospital, was performed what is known as tracheotomy, cutting through the trachea from the front side of the throat, and inserting a breathing tube. When the diseased parts were all cut away, the innumerable veins tied up, and the parts cleaned, silver tubes prepared from models procured in Europe were inserted. A set of reeds intended to replace the vocal organs is in process of construction. The operation has been undertaken twice before, once in New York and once in St. Louis. The New York patient lived and the other died.
 —George Coffman, plumber, was telephoned on Monday to come to four places at the same time, a feat that he successfully performed, but on being called to two more, he had to throw up the sponge, and wait until after dinner.
 —By the burning of Mackey's planing mill at Altoona, Tuesday night, a loss of \$12,000 was entailed and 45 men were thrown out of employment.
 —One new Dexter Queen all leather top buggy, one open buggy, new, one second handed side spring buggy all for sale cheap.

 Best on all Sides.

ROLAND.
 Miss Cora Harvey is visiting her friend, Miss Reniger, in Northumberland. We wish her a pleasant and profitable time.
 Mr. and Mrs. Harry Curtin have just returned home from the Sea Shore, where they spent a most delightful time.
 We think there must be some attractions in the aisle of the Methodist church, as the gentlemen seem inclined to linger there after services are over, to the annoyance of those who wish to go out. Please be polite, gent.
 Jennie Jacobs, Bertha Leathers, and John Sharp, Harry Johnson, and John Leathers, attend Prof. Robb's select school at Howard.
 Miss Anna Lipton, of Erie, Pa., is visiting her aunt, Mrs. McMeen, of this place. Miss Lipton is very agreeable, and our young people have taken quite a fancy to her.
 The handsome new residence of Mr. Henry L. Barnhart is still being made more attractive by the addition of a nice white fence around most of the grounds.
 Farmers in this section feel very thankful for the recent rains which have aided vegetation.

MILLERHEIM.
 Mr. Editor as I have seen no Millheim items in the DEMOCRAT for some time, I will endeavor to give you some from our borough. Business is improving and I hear the same reports from our neighboring towns.
 George A. Harter returned home from a trip through the West last Wednesday.
 Quite a large crowd left town to attend Sugar Valley camp last Sunday.
 Mr. S. D. Musser had a patent roof put on his building last week.
 E. H. Long our enterprising merchant is able to be about again after an attack of brain fever.
 Our town clock is running now and keeping regular time.
 Hans has a nice little white rabbit up at Texas.
 J. H. Miller our genial butcher is able to be at his place of business again after a short illness.
 H. C. Bellman is back again as driver of S. T. Frains handsome team and cab. Harry understands the biz.

 NOTICE.—James Harris & Co. will not be beat on prices.

A Bold Strike, But Not Without Due Deliberation.

For a long time we have thought of changing our business to the

CASH SYSTEM.

Now we have done it, and it is time for our patrons and friends to deliberate also, when they can every time SAVE 10, and, mostly 20 per cent. by buying

HARDWARE, STOVES, OILS, PAINTS, Etc.,

From us for CASH. We defy competition, and delight in pricing goods against our competitors, who do a cash and credit business. We pay cash and give you the benefit by receiving cash for our goods. We don't intend this for a tea days' wonder, but propose to keep it up right along. We have not started this system to close out our stock as some of our opposition allege, but will keep our stock filled up complete all the time. Write us for prices—Call and see us.

H. K. HICKS & BRO.,
 BELLEFONTE, PA.

It seems to be the impression of some that we contain plate selling out, as we are offering you goods so low for cash, but we wish it distinctly understood that such is not the case, that we intend to continue the Hardware business, and also our low prices and full stock of goods. We simply mean that high credit prices are at an end with us.
