

**Interesting Notes**

Vermont has three ex-Governors living. Ferdinand Ward, of the firm of Grant & Ward will resign at Sing Sing for the next ten years to come. The Coke Producer's Association has ordered 7 per cent more of its ovens to be put in operation, making 60 per cent in all.

A five-pronged buck weighing 150 pounds was shot by Jack McCham, of Diamond Valley Huntingdon county, last week.

The Law and Order Society of Easton has employed officers to hunt up evidence against those persons selling liquor on Sunday.

Solomon Dorney, living near Allentown, has admitted that he hired men to set fire to his property that he might get the insurance.

The New York and Westmorland Gas, Coal and Coke Company has discovered a new vein of gas coal eight feet thick at Manor Station.

Thomas McCauley, a married man, was fatally injured by being bumped between two cars on the Reading Railroad, near Gordon, yesterday afternoon.

As a result of the coroner's investigation of the Fall's Creek tragedy, in Cleisfield county, Charles Ennis is now in jail waiting to be tried for murder. The victim was a French Canadian named Besson, and a sharp ax did the bloody work.

READING, Pa., November 1.—Owing to the strikes in the western nail mills causing an advance in the price of nails the nailers and feeders at the Brook iron company's works at Birdsboro, have had their wages advanced 10 per cent. The increase effects about 225 employes.

MOUNT CARMEL, Pa., November 1.—Charles Shultz was smothered to death yesterday morning in the Bear Ridge colliery by a rush of coal in the mainway. An hour later at Alaska shaft Daft Zakowsky was mangled by an immense lump of coal. Both men were married and leave large families.

AURORA, Ind., October 31.—Henry Miller aged 77, an old and highly respected farmer of Ohio county, two miles below this place, and who is worth about \$125,000, has deeded all his property to his children, preparatory to marrying a Miss Ida Chance, aged 17, the daughter of a highly respected gentleman of Delaware, Ind. He pays the girl \$5,000 for marrying him and she consents to his transferring the property to his children. It is purely a business transaction.

CHICAGO, October 25.—Giovanni Azzorio, Augustine Gilardo and Agnozzi Sylvestri, the murders of Filippo Caruso, will be hanged in the yard of the county jail November 14. Judge Howes in sentencing them said the murder was not committed in hot blood nor while the brain was beclouded by alcohol, but deliberately they killed a friend to get his hard earned and few dollars. Caruso, while being shaved, was choked to death by the trio and his body placed in a trunk and sent by express to a distant city. The murders will be hanged from the same platform at the same time.

A young man named LeRoy Strunk son of Elias Strunk, of New Milport, aged 18, was seriously injured while at work on J. W. Jones and Co's saw mill in Knox township. He was feeding the rope which pulls the logs from the dam into the mill, when his arm got entangled in the rope and he was drawn over the pull-wheel several times before the machinery could be stopped. On examination by Drs. Feizer, of Lumber City, and Pari, of New Milport, it was found that his arm had been twisted to pieces, several ribs broken and that he was injured internally. Everything was done for the young man to alleviate his sufferings, and he soon rested. Strong hope of his recovery are entertained.

The Authors' Review for September reflects credit upon the enterprising publisher, Percy F. Smith. The author of "Home, Sweet Home" is the leading theme, with a likeness of Payne, followed by an illustrated paper on Washington. "Happy Childhood," a picture of General Grant's birth place, and the appropriate engravings in the children's department (very attractive) lift this Pittsburg publication on a plane with many more pretentious publications. In short the manner in which the Review is conducted reflects credit upon the publisher and editor. It is a very attractive and useful publication. —[Chronicle Telegraph, Aug. 24, 1885.]

There is no more need of the government doing his own printing than there is need of making its own paper. Government printing has always been unduly costly, no matter who the public printer is or how careful he may be. There is no reason why the Government should not have its printing done as cheaply as has its paper made. If given out by contract this result would be best accomplished.

**Thieves In A Sleeping Car.**

CLEVELAND, Oct. 31.—The Cleveland Bee line train from St. Louis last Monday night was raided by two robbers who reserved berths in St. Louis. Five men on the car were chloroformed and robbed of \$700, the thieves leaving the train at 4 o'clock Tuesday morning in Indianapolis. Among the robbed were Alderman A. L. Johnson, Louis Sneeberger and John Mugler, of this city. Mugler was sick and Sneeberger had brought him from Texas to his home. After the chloroform was given him by the robbers he never recovered full consciousness, and this morning died. His physician says the dose accelerated, if it did not directly cause his death.

A VALUABLE BOOK.—We have just received from the enterprising publishers A. H. Andrews & Co., a most useful little volume, suggestively called "LOOK WITHIN FOR FIVE THOUSAND FACTS THAT EVERYBODY WANTS TO KNOW." It contains 75 pages of condensed information on Mechanics, Statistics, History, Medicine, Astronomy, Finance, Mythology, Education, Mathematics, The Bible, Politics, Agriculture, Region, Science, Temperance, Trade, etc., etc., in fact there seems to be something for everybody and nothing that some one will not be glad to know. It is embellished with a number of colored diagrams, and is by far the most valuable and complete Pocket Cyclopaedia we have yet seen. It is offered for sale at the exceedingly low price of 15 cents, for which sum in stamps it will be sent postpaid by the publishers, A. H. Andrews & Co., CHICAGO.
