"Going Snooks Together"

Young Clarence Chatsaubriand Jones loved pretty Miss Lulu De Smith, who resided in Harlem with her father. Clarence met Lulu's brother-in-law, Jake Snooks, and questioned him about her and the family.

Snooks said: "Old Deacon De Smith is a genius. He is now running a broadgague church. It is simple enough. He keeps the drug store, and any man who wants to become a member can pay his dollar, sign his name in the book which lies open on the counter and call himself a broad-gague member at once."

"Is that so?" asked Clarence. "Ab, my boy, it is too true, but it is glorious, isn't it?" "Did you join?" queried Clarence. "Yes. It made it easy to marry Lulu's sister. The deacon thinks I am a trump."

Clarence dressed in his neatest suit and started up to Harlem, resolved to join the broad-gague church, and thereby get the deacon's consent to marry Lulu. The deacon was behind the counter dealing out chewing gum when Clarence dropped in. Clarence looked at the book.

"Want to join broad-gage, eh?" said the deacon, eyeing him closely. "Yes." "Come down with a dollar and it will be done." The dollar was paid, and Clarence

was invited into the rear of the drug-store. Two men seized him, and in a second stripped him of his clothes. He was then lugged into the deacon's small garden and chucked into a little hole, and the loose dirt shoveled over his body, his face only being out. He yelled to get out but the attendants told him he had to remain an hour. Finally the deacon came out.

"How do you like broad-guage earth baths?" he asked. "Earth baths?" he yelled. "Who is taking earth baths?" "Why you paid a dollar to take one."

"Who said I did?" "I say so. You signed your name in the book. I am glad you have been converted to broad-guage earth baths. The minerals in the earth will do your system good."

"I joined your broad-guage church deacon, not this infernal punishment." "Your mind is affected. I have no broad-guage church. I call these earth baths broad-guage because it takes a man with broad and liberal ideas to consent to take one."

"Snooks told me it was a broad-guage church." "Snooks is drumming for the system," said the deacon. "Then I want to go Snooks with you!"

He did. This origin of the term "going snooks together."—New York Mail.

A BOOM FOR CREMATION.

The body of John M. Riggs, D. D. S., who died in Hartford, Conn., last Wednesday, arrived in this city for cremation, Sunday morning at 9:30 o'clock. It was accompanied by A. F. Fiage, executor of the estate of deceased; G. N. Snow, D. D. S.; W. A. Ayer, associate editor of the Hartford Courant, and W. R. Morgan, undertaker. The cremation took place at 4 o'clock and no one was present except some members of the dental profession in this city, and several attaches of the crematorium. The deceased was 75 years of age and a single man. He has several brothers and sisters living. He was graduated from Trinity college, Hartford, and studied for the ministry, but gave that up and drifted into agnosticism. He was one of the discoverers of nitrous oxide gas as an anæsthesia. He was also the discover of the cause of tartar on the teeth, and invented a set of instruments for its treatment. In the profession the diseases is known as "Riggs disease," in honor of the discoverer. Dr. Riggs was regarded as the foremost dentist in Hartford, and his body is the first that has been cremated from Connecticut. The ashes of the body were taken out this morning and given to the friends of the deceased, who had waited to take them home.—Lancaster Intelligencer.

Messrs Geo. Boal and James Keller, of Centre Hall, were jurors this week. The former is a leading Republican while the latter is a prominent Democrat. Both were callers at our office on Wednesday.

When in the Wrong Channel. The bile wreaks grievous injury Headaches, constipation, pain in the liver and stomach, jaundice, nausea ensue. A few doses of Hostetter's Stomach Bitters will reform these evils and prevent further injury. It is a pleasant aperient, its action upon the bowels being unaccompanied by griping. The liver is both regulated and stimulated by it, and it is very impolite to disregard disorder of that organ, which through neglect may culminate in dangerous congestion and hepatic abscess. The Bitters should be resorted to at an early stage. Failure to do this renders a contest with the malady more protracted. Fever and ague, rheumatism, kidney and bladder troubles, are remedied by this fine medicine and the increasing infirmities of age mitigated by it. It may be also used in convalescence with advantage, as it hastens the restoration to vigor.

Only Temperance Bitters Known. WALKER'S CALIFORNIA VINEGAR BITTERS. PURELY VEGETABLE. FREE FROM ALCOHOL. DEWALKER'S CALIFORNIA VINEGAR BITTERS.

No other medicine known so effectively purges the blood of dangerous poisons. Millions bear testimony to its wonderful curative effects. It is a purely Vegetable Preparation, made from the native herbs and roots of California, the medicinal properties of which are extracted therefrom without the use of Alcohol, Opium, or any other poisonous substance. It removes the cause of disease, and the patient recovers his health. It is the great Blood Purifier and Life-giving Principle of the system. A perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the power of VINEGAR BITTERS in healing the sick of every disease man is heir to.

There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as it will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs. Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic disease, however violent, can be contracted. It invigorates the Stomach and stimulates the Torpid Liver and Bowels, cleansing the blood, expelling the impurities, and giving vigor to the frame, and carrying off without the aid of Calomel, or other mineral, all poisonous matter, and restoring the system to its normal condition, prompt in action, and certain in its results.

Headache, Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Pneumonia, Dizziness, Bad Taste in the Mouth, Hiccups, Attacks, Palpitation of the Heart, and a hundred other painful symptoms, are at once relieved by VINEGAR BITTERS. For Inflammatory and Chronic Rheumatism, Gout, Neuralgia, Diseases of the Blood, Liver, Kidney, and Bladder, the Bitters have no equal. In these, as in all constitutional diseases, WALKER'S VINEGAR BITTERS has shown its curative powers in the most obstinate and intractable cases.

Mechanical Diseases.—Persons engaged in Painting, Sculpting, and other occupations, are subject to Paralysis of the Face, and other ailments, take occasional doses of VINEGAR BITTERS. Skin Diseases, Scrofula, Salt Rheum, Ulcers, Swellings, Pimples, Pustules, Boils, Carbuncles, Ringworms, Itch, Scald-head, Scabies, Erysipelas, Itch, Scars, Discolorations, Humors and diseases of the skin, of whatever name or nature, are speedily cured by the use of the system in a short time by the use of the Bitters.

Pin, Tape and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics, will free the system from worms like VINEGAR BITTERS. Measles, Scarlet Fever, Mumps, Whooping Cough, and children's diseases may be made less severe by keeping the Bitters open with mild doses of the Bitters. In young or old, married or single, at the dawn of womanhood, or the turn of life, this Bitters has no equal.

Cleanse the Vitiated Blood when its impurities burst through the skin in Eruptions or Sores; cleanse it when obstructed and sluggish, cleanse it when it is the cause of your fevers; it will tell you when, and the health of the system will follow. It is given the Bitters a trial. It will speak for itself. One bottle is a full guarantee of its merits than a lengthy advertisement. Around each bottle are full directions printed in different languages. H. H. McDONALD DRUG CO., Proprietors, San Francisco, Cal., and 215 W. 11th St., New York, N. Y.
