

MR. VANDERBILT'S WILL.

New York, Dec. 12.—The will of the late William H. Vanderbilt was filed at noon today in the Surrogate's chamber. The will bequeaths \$10,000,000 to each of his eight children—\$5,000,000 of which in each case is in trust, and 2,000,000 is left to Cornelius Vanderbilt in addition to other bequests. The four sons of the dead man are made the trustees of the property, each son being committed to the trusteeship of his three brothers. The testator leaves to each of his three daughters absolutely the house they live in. To his grandson, William H. the son of Cornelius, he leaves \$100,000, and to the widow is left the house at Fifty-first street and Fifth avenue, his paintings, library, stables, horses, etc., and an annuity of \$200,000 per year, together with \$500,000 absolutely. At her death the house, picture gallery and stables are to go to his youngest son, George Vanderbilt, for his life, and at his death to such son of his as he may designate by will. If he shall die leaving no son the property is to go to the eldest son of Cornelius Vanderbilt, the object being that the residence occupied by the testator at his death and his collection of works of art be retained and maintained by a male descendant bearing the name of Vanderbilt.

The will is divided into twenty-four sections. Those numbered from sixteen to twenty inclusive provide for annuities of from \$2000 to \$3000 per year to a number of distant relatives. The twentieth section bequeaths to the Board of Trust of the Vanderbilt University, of Nashville, Tenn., incorporated under the laws of the State of Tennessee, \$200,000 of the second mortgage bonds of the Lake Shore and Michigan Southern Railroad company, to be applied to the use and purpose of said University. The twenty first section bequeaths to the following named societies and incorporated bodies organized under the laws of the State of New York the sums hereinafter specified: To the Domestic and Foreign Missionary Society of the P. E. Church of the United States of America, \$100,000 for domestic purposes; to St. Luke's Hospital, incorporated in the year 1850, \$100,000; to the Young Men's Christian Association of the city of New York, \$100,000; to the General Theological Seminary of the P. E. Church in the city of New York \$50,000; to the New York Bible and Common Prayer Book Society, whereof the Bishop is President, \$50,000; to the Home for Invalids, incorporated in 1845, \$50,000; to the Protestant Episcopal Church Missionary Society for Seamen in the city and port of New York, \$50,000; to the New York Home for Intemperate Men, \$50,000 to the New York Protestant Episcopal Mission Society of the city of New York, \$100,000; to the Metropolitan Museum of Art, incorporated April 13, 1870, \$100,000; to the American Museum of Natural History in the city of New York, \$50,000, and to the Moravian Church in New Dorp lane, Staten Island, organized under the name of the United Brethren's Church, \$100,000.

The remainder of the fortune is divided equally between Cornelius and William K. Vanderbilt. The testator directs that all of the railroad stocks bequeathed to his children shall be held in bulk and administered for the best interests on all, and that none of them shall be disposed of without the consent of all concerned.

The will, which is dated September 25, 1884, appoints his wife, Marian Louise, and his sons Cornelius, William K., Fredrick W. and George W., as executors, and no compensation is to be allowed either of them for such service.

Nihilism Outdone.

San Francisco, December 16.—A most sensational and startling plot for wholesale assassination of the most prominent men in this city came to light here late last night. Some time ago the police obtained information of the existence of an organization called "The Socialistic Revolutionary Association," which it was asserted, was composed of ultrasocialistic members. A close watch was kept on their movements, and the police finally succeeded in obtaining the minutes of one of their meetings, held November 23. From these it

was discovered that it was the intention of the association to put out of the way about twenty men, including, W. T. Coleman, Congressman W. W. Morrow, General W. H. L. Barnes, Mayor Bailett, United States Judge Lorenzo Sawyer, Leland Stanford, Charles Crocker, Governor Stoneham the principal police officials and several others. These names were placed on the "prospective list" and placed in the hands of the Executive Committee to carry out the orders of the association.

The committee was to devise the best mode of accomplishing the ends of the best plot, and were thus engaged when their work was brought to a sudden termination last night by the discovery of the association's headquarters, at No. 900 Montgomery avenue, by the police, and the arrest of four men found therein, named Julius C. Koosher, Henry Weisman, Charles Mitesstadt and Oscar Eggers.

In the room were also found a complete laboratory for the manufacture of infernal machines. The men were taken to the city prison, when they boldly asserted that they were dynamiters, and proposed to get rid of the citizens named, and then raze Chinatown. The prisoners also belong to the German branch of the Antislavery League Co. No charge has yet been entered against the prisoners. Further developments are expected.

WORKING MR. SCHWAB AGAIN.

New Bloomfield, Pa., Dec. 16.—Recently a band of Gypsies stopped in the vicinity of Christian Schwab's residence, in Saville township, this county. The Romany people told Schwab that should he place \$25 in a certain place he would find it doubled the next day. He followed the instructions, and found \$50 on his return. The Gypsies found it easy to persuade him to make a similar deposit of \$700, but when he went again for his increased fortune, he found the money gone. No clue could be discovered to the whereabouts of the Gypsy band. Yesterday morning a pack merchant stopped at the Schwab residence, and sold Mrs. Schwab a handkerchief. When the lady went to get the money to pay for her purchase she discovered that the house had been robbed of \$87, a lot of checks and other valuable papers. This last robbery is charged to the Gypsy crowd also, but as usual they are honest.

To Physicians.

We do not find fault, reproach or condemn the practice of any regular physician—this is not our mission—but we do claim that if he were to add PERUNA to his prescriptions, as directed in our book on the "Ills of Life," (and furnished gratuitously by all druggists), he would cure all his patients.

Mr. Henry C. Reynolds, Ironton, Lawrence County, Ohio, writes: "My wife has been sorely distressed for many years. Her disease or diseases and the symptoms of them have been so varied that an attempt to describe them would be more than I feel able to undertake. I have paid over a thousand (1,000) dollars for doctors and medicines for her, without any satisfactory results. We read so much about your PERUNA that I was forced to try it. She has now taken five bottles; they have done her more good than all the doctors and medicines that she has ever made use of. PERUNA is certainly a God-send to humanity."

Mrs. O. L. Gregory, Las Vegas, San Miguel County, New Mexico, writes: "I think PERUNA and MANALIN saved my life."

Mrs. Cora Engel, First House on Lazelle street, near Rich, Columbus, Ohio, says: "It affords me much pleasure to state to you the benefit I have received from your PERUNA. I had been troubled with kidney complaint and dizziness in my head for eighteen years. I tried different kinds of patent medicines, and consulted a number of physicians, but received no benefit whatever. About three weeks ago I commenced taking PERUNA. I began to get better before I had taken half a bottle. The dizziness has disappeared, and the other affection has so much improved that I am positive, after I will have taken another bottle, I will be entirely well. I feel like a different person already. A number of my friends have used it, and they think it is a wonderful remedy. My husband says it is one of the best medicines for a cough that he ever took."

A. W. Blackburn, Wooster, O., writes: "Several weeks ago a man came to me, all broken down, terribly nervous, stomach without any power to digest food. Had tried four doctors; none did him any good. Asked me to do something for him. I recommended MANALIN. He told me to-day that he has been taking it regularly, and is now almost well. Said he would sound the praises of MANALIN far and near."

PERUNAS is sold by all druggists. Price \$1.00 per bottle, six bottles \$5.00. If you cannot get it from your druggist, we will send it on receipt of regular price. We prefer you buy it from your druggist, but if he hasn't it do not be persuaded to try something else, but order from us at once as directed. S. B. HARTMAN & Co., Columbus, Ohio.
