

A Boy Who Understands 'I'm

The other morning a boy about 14 years of age knocked at the door of a house on Brush street and asked the woman if she didn't want the snow cleaned off the walk.

"How much?" she cautiously inquired.

"Thirty cents."

"I won't pay it. If you want to do the work for ten cents you can go ahead."

He leaned on the handle of his snow-shovel and looked thoughtfully, and she finally queried:

"Well, what do you say?"

"It's just as that woman around the corner told me," he replied. "I shoveled off her snow, and she gave me fifty cents. I told her I was coming to ask you, and she said—"

"I don't know her. What business is it to her?"

"Yes, but—"

"What did she say?"

"She said I'd get left. She said that any woman who wore a plush sacque and passed it off a \$300 cal-ski would be mean enough to go out nights and shovel her own snow."

"Boy!" whispered the woman as she turned white clear around her neck, "I want you to clean off the snow. When you are through I'll give you a silver dollar, and I want you to tell that woman that any one who buys a dollar store jewelry and fourteen-shilling shoes hasn't got sense enough to fall of a bottled car.—Detroit Free Press.

Useful and Interesting.

- There are 2,750 languages. Two persons die every second. The average human life is thirty-one years. A moderate wind blows seven miles an hour. A storm moves thirty six miles an hour. A hurricane moves eighty miles an hour. A rifle ball moves 1000 miles an hour. Sound moves 743 miles an hour. Light moves 192000 miles per hour. Electricity moves 288000 miles per hour. Measure 209 feet on each side and you will have a square acre within an inch. A mile is 5,280 feet or 1,760 yards in length. Reliable goods only at Mingles shoe store. The first lucifer match was made in 1829.

The first use of a locomotive in this this country was in 1829.

Kerosene oil and knife brick are excellent for removing rust from the stoves and making them smooth. Dip a flannel cloth into kerosene, then into pulverized knife brick; apply it to the stoves, after which rub them thoroughly with a clean cloth.

If silence is golden, what a valuable misfortune lockjaw must be?

HINTS FOR THE HOME.

To polish a stove rub with a new paper.

For convenience in cleaning lamp chimneys nothing is better than a small sponge attached to the end of a stick.

Have perfectly good safes in every place where matches are to be used, and never let a match be left on the floor.

Breakfast should be a nice and substantial meal—something better than the hashed up remains of yesterday's dinner "coldly set forth."

A very good cement to fasten on lamp tops is melted alum. Use soon as metal, and the lamp is ready for use as soon as the cement is cold.

Of all the methods devised for drying ants from an apartment, that of using rotten lemon is the most effective, as the odor kills them out completely.

Use candles when possible in going about the house and in bed rooms. They are cheaper, cannot explode, and for many purposes are just as good as lamps.

"The Gypsy Baron," which was presented at the Casino, in New York is said to have the finest mounting and scenic effect seen in that city for a number of years.

Superior Excellence.

The reasons for PERUNA's superior excellence in all diseases, and its modus operandi, are fully explained in Dr. Hartman's lecture, reported in his book on the "Ills of Life and How to Cure Them," from page 1 to page 10 through the whole book should be read and studied to get the full value of this par excellence remedy. These books can be had at all the drug stores gratis.

W. D. Williams, U. S. Pension Agent and Notary Public, New Vienna, Clinton County, Ohio, writes: "I take great pleasure in testifying to your medicines. I have used about one bottle and a half, and can say I am almost a new man. I have had the catarrh about twenty years. Before I knew what it was, had settled on the lungs and breast, but can now say I am almost well. Was in the army, could get no medicine there that would relieve me."

Col. E. Finger, Ashland, Ohio, writes: "I am happy to say I have used several bottles of your medicine called PERUNA, and my health has been greatly improved by it. I cheerfully recommend PERUNA to all who suffer with heart trouble, as being an invaluable medicine."

Rev. J. M. Ingling, Altamont, Ill., writes: "My father-in-law, who resides with me has been using your PERUNA for kidney disease, which has afflicted him for forty years and could get no relief until he saw your medicine. It induced him to try a bottle, which he did, and the one bottle of PERUNA and one bottle of MANALIN has given him more relief than all the other medicines he ever used."

Mr. Robert Grimes, Rendville, Ohio, writes: "My wife has been an intense sufferer from chronic catarrh, and after every other remedy had failed she commenced to use your PERUNA and MANALIN. They have helped my dear wife more than anything she has ever used. She has now taken two bottles, and is so much better that she will never quit its use until she is entirely well. It has wonderfully improved her sight. We think PERUNA and MANALIN will cure any disease."

R. Palmer, Pastor of the A. M. E. Church, No. 102 Canal Street, Wilkes-Barre Luzerne Co., Pa., writes: "Having used your PERUNA, and by experience become acquainted with its value, I write asking you to please send me five bottles of PERUNA and one of MANALIN by express and oblige, your humble servant."

Cook Bros., Prospect, Marion County, Ohio, writes: "We have a good trade on PERUNA, our customers speak well of it."

PERUNA is sold by all druggists. Price \$1.00 per bottle, six bottles \$5.00. If you cannot get it from your druggists, we will send it on receipt of regular price. We prefer you buy it from your druggist, but if he hasn't it do not be persuaded to try something else, but order from us at once as directed.
