A GUNNER'S GUIDE .-- Apropos of the approach of the gunning season is the 'Paradise for Gunners and Abglers," a neat little pamphlet issued by the Passenger Department of the Philadelphia Comany, descriptive of the gunning and fishing resources of the Delaware and Maryland peninsula. The book treats of the game and fish of this sec tion, their haunts and habits, the locali, ties they frequent, and gives extracts from the game laws of the region, and in fact all the information a sportsman could desire. It is embellished with engravings of game and fish, and contains an excellent map, showing the water-courses, roads, and railways of the section. It is a complete manual for the gunner or angler, who would find his sport in one of the best gamestocked portions of the Atlantic States. The book is distributed gratuitously and may be procured by addressing James R. Wood, General Passenger Agent, Philadelphia, Wilmington and Baltimore Railroad, Philadelphia, Pa.
