Sr. Louis, April 6 .- The Joint Executive Board of Assemblies 101, 93 and 17 Knights of Lobor, this afternoon issued the following advice:

TO THE WORKINMEN OF THE WORLD -Friends and Brethren: Hear us, for we plead for our right. Men of equity, look upon us, for we struggle against giants of wrong.

Mad with the frenzy of pride and self adulation begotten, as it is, of the success of outrage and infamy, there stands before us a giant of aggregated and incorporated wealth, every dollar of which is built upon blood, injustice, and outrage. That giant of corporate wealth has centralized its power in and is impersonated in the eager fiend who gloats as he grinds the life out of his fellow men and grimaces and dances as they writhe upon his instrucacuts of his torture.

O, ye workingmen of America, who love your liberty and your native land; ye great creators of wealth, who stand as the foundation of all national good, look upon your brothers to-day.

Gould the giant fiend-Gould, the money monarch + is dancing, a claims, over the grave of our nomes and the bright of our lives. Before him the world has smiled in beauty, but his wake is a graveyard of hopes, a cyclones path of devastation and death. Our strong arms have grown weary in building the towers of strength, and sue olds us build on or die. Our young lives have grown gray too soon beneath the strain of unrequited, constant toil. Our loved ones at home are hollow checked and pale with long and weary waiting for better days to come. Nay, more than tois, the graveyards are holding his victims from our longing eyes.

Brother workmen, this monster fiend has compelled us to toil in cold and rain for five and fifty cents a day. Others have been compelled to yield their time to him for seventeen and thirty-six weary hours for the pittance of nine hours pay. Others who have dared to assert their manhood and rebel against his tyranny are black listed and boycotted all over the land.

He has made solemn compacts with the nighest authority in our order and then has basely refused to tu-fill his pledge. He lives under and enjoys all the benfits of a republican form of goveroment and yet advocates and perpetrates the most debasing form of white slavery. He robs the rich and the poor the high and the low, with ruthless hand, and then appears to corrupt an . purchased courts to help him take our little homes away. He breakes our limbs and maims our bodies, and then demands that we shall release him from every claim for damages or be blacklisted forever.

He goes to the grocers and persuades them not to give us credit because we refuse to be ground in his human mid. He turns upon us a horde of lawless thugs who snoot among our wives and children with deadly intent, and then he howls for Government help when he gets his pay in coin alike.

Fellow workmen, Gould must be overthrown. His giant power must be broken or you and I must be slaves for ever. The Knights of Labor alone have Hose from 3c to \$1 per pair. to be a David to his Goliath. The battle is not for to-day-the battle is not for to-morrow-but for the trooping generations in the coming ages of the world, for our children and our children's children. 'Tis the great question of the age -shall we in the incoming ages be a nation of freedom or nation of slaves?

The question must be decided now The chains are already forged that are to bind us. Shall we wait until they are riveted upon our limbs? Nay; God forbid.

Workingmen of the world! Marshal yourselves upon the battlefield. Workingmen of every trade and clime! Into the fray! Gould and his monopolies must go down or your children must be slaves. Think of it the little olive plants around your hearthstones that will be blighted by his ourse. Think of the little home he is seeking to rob you of. Think of the wife from whose eyes he has wrung floods of tears, and from whose heart he has tortured drops of blood. Who can look calm upon his perfidy, his outrage and his crime? For he has sought to incite felony among our rank and file. He has brought the perfidy of vile men to entrap the unwary that he might stain our fair name and glost over our misfortunes. Once for all, fellow workmen! Arouse! Let every hand that toils be lifted to heaven and swear by Him that liveth forever, that these outrages must cease. Let our common foe. And let no man grow weary until, like David, our giant is dead at our feet. Exective Brands, District Assemblies 101,
