IMPLEMENTS, &C.	is a sad reality, yet true, that two-thirds of the deaths within our midst are cause from bad colds becoming deeply seated i the vital portions of the lung tissu through neglect and improper care of treatment. When health is destroyed al enjoyment of life is lost. Then, becaus of these treacherous colds, which suck the life-blood by degrees, and leave the poor emacisted sufferer with no chance for re- lief, the reliable way is to thorought eradicate the destroyer from the system By Using
