Professor Bell Makes an Important Discovery Recently.

terday published a story, the substance it became known that Detective Lyon of which is that Professor Alexander had appeared before Alderman Sheetz, Graham Bell and his associates, Dr. and sworn out warrants on the charge Chichester A. Bell and Sumner Tainier, of conspiracy and setting fire to E. H. have recently made a discovery and in Coldren's hat factory at Adamstown, relation to it have worked out a num: which was burned last week involving a ber of inventions which they believe to loss of \$30,000. As there had been no be not inferier in importance to the fire in the factory for a week previous, in discovery of the art of telephony itself, cendiarism was suspected. The Readand the inventions to which that dis; ing insurance association offered a re-

Dr. Chichester A. Bell has discovered viction of the gutlty parties. Detective that a falling jet of water or a flame of Lyon early this morning arrested John gas burning in a room mimics echoes and perfectly reproduces every word spoken and every sound uttered in the room. Dr. Bell has found that when finishing until the strike. He was taka couple of friends join in conversation en before the Alderman and committed in the drawing room of an evening, the to prison in detault of \$1,000 bail. The gas which burns above their heads re- charge is conspiring to set fire to hat peats every word they say. Out of factories in Mohnsville and Adamstown. this main discovery, which up to the present time has been kept quiet and carefuly guarded, the three associated scientists have made a num ber of inventions whereby the discov ery may be put to practice and the dis. dent of the National Hat Factory Ascovers themselves as well as the would at large, reap the benefits,

Yes, it was a disgracefull "pi" and it was made in the DEMOCRAT office, butby a Gazette typo. Does the "Fiddler" keep time to the music?

THE New York correspondent of the Bedford Gazette, has the following in regard to the labor trouble.

The great body of workmen began to realize that they were made tools of by a lot of designing men who were anxious to enrich themselves at the expense of their deluded dapes. While the poor fellows who struck when they were told were starving their families, unable to get a mouthful of the prekage (which is put up in a plain food, these district leaders were riding about in carriages kept at an expense ence. No trial packages will be sent after Aug. 1st, 1886. Address, Greeg Remeny of eight or ten dollars a day, with their pockets stuffed full of greenbacks, contributed by their faithful to sustain the strike. It has been a serious drawback to business; sugar which went up three cents last week on account of the strike has risen to lane's. seven cents this week, and the con: sequence is that the refiners have made more by the strike than they in use-63 candle power-non-excould probably have done by running plosive. Cheap-will last a lifetheir works, and in the meantime the time. At McFarlane's, Bellefonte. and his crew were allowed to go on defer, late of Burnside township, determine the time. At McFarlane's, Bellefonte. strikers have been reduced almost to starvation. Building has nearly stop: Regiment, U. S. A., has succeeded Secretary Bayard has been informed of ago has been succeeded by a stagna: P. S. C. tion which is truly appalling. The men on the strike with some few exr ceptions have behaved admirably, and these exceptions have received condign punishment. Several men were fined small sums and put under bond for calling the new drivers and conductors insulting names, and one driver of a crossstown car. Meanwhile a manifesto has been issued by the executive committee of the strik- body Atherton. ers cautioning against acts of violence. and this course has done more to re: tain the sympathy of the people "for the strik ers than anything else they could have done. There is a right first and last letter in his name. and a wrong on both sides. The

Russian Encumation, and all its attendant aches and pains. These are simply Plain Facts. We now pains. These are simply Plain Facts. We like present some Positive Proofs:

Could one ask anything more to the point than this from Ma. H. EMANUEL, a prominent merchant of Brookfield, Mo., who writes Feb. 26, 86: ont of Brookheid, Mo., who writes Feb. 25, 26; 26:

"When in Europe, two years ago, I tried hard to
my the receipt of this very remedy. I also told Col.
heobold to set it for me at almost any price; but
differ of us succeeded. I. myself, suffered with
heumatism for years and spent hundreds of dolrs, but never got any permanent relief until I
led this. Since then, lover two years now! I have
als suffered the least. I know it is a good thing,
will take like wildfire. Now I want the agency
of fiveStates."

for fiveStates."

Here is another from nearer home. Mr. J. D.
White is a leading business man of Bloomsburg
Pa. His grandfather, over 50 years old, has been
agreets ufferer from Kheumatism. Nov. 24, 1885,
Mr. White writes us:

Mr. White writes us:

"Have read your circular. The country is so full of patent humburs it is hard to make people believe any remedy has merit until it is tried. My grand-taker is such a sufferer that he would pladly give for a ringle day's relief, ten times your price for a cure. He will fry it anyway, because he don't think your house would keep anything without merit."

DEC. 21, he says: "My grandfather pronounces the Russian Rheumatism Cure a first-class success. He is not relieved one day only, but altogether." If you doubt either of these statements, write the parties; they'll gladly answer any inquiry. Our space does not permit further testimony. We have plenty of it, however. It makes quite a little book. We send it free to all who ask. As yet it is not to be found at the stores, but can only be had by enclosing the price, and addressing the American proprietors,
