added the thorough truthfulness of every incident, and each character being drawn from life as the author came in contact with the person described, what more can one ask?

The best detectives in the United States have been engaged in the cases described in this book, and while the sketches are clothed with all the charm of romance, they rest from beginning to end upon the solid rock of fact.

It gives a complete description of the many means and complicated contrivances of the wily and unscrupulous to defraud the public.

Among the most interesting cases is the well remembered one of the "Star lecting evidence against the conspirators and in trying to bring them to pun-
