## A Domestic Episode.

The President sat in his easy chair. With Lamont as close as could be And the President's wife sat over there, With her sewing upon her knee.

Said the President: "Dan, here's a job for you ;" My head for the problem's too thick. Betore you retire, I wish you would do, A sum in arithmetic

With twenty-five Congressmen lost this year, Which seems to be nearly our fate, Where will we be-say, Dan, do you hear In the autumn of eighty-eight?"

Dan bit at his nalls, and scratched his head, For the problem puzzled him so Why, may be, perhaps." he stammered and said, Then declared that he didn't know,

The sweet little lady over there, Looked up, but not at the men And softly said, with a far away air, "His teeth will be cut by then."

The President looked before him straight, And his frown made Daniel winc My tooth will be cut by eighty-eight? I thought they were cut long since."

The sweet little lady hung down her head, So busy with seams and fells, And, blushing a little, she softly said, "I was thinking of something else. -N. Y. SUN.

ACCIDENT AT MILTON .-- On Saturday. 23d, Mr. Robert Hopkins, of the Riverside Hotel, was visited by a friend and school mate, (Mr. Thompson) whom he had not seen for over ten years. In the afternoon of that day the two started with guns to the island opposite town to shoot black birds. On their return home they placed their guns at an end of the boat and on reaching shore the visitor was first to get out of the boat. He then took hold of his gun by the barrel and in lifting it from the boat struck one of the hammers against a seat. In this way the gun was kischarged and the load entered his right srm between the wrist and elbow, lacerthey were removed to the residence of ating the flesh terribly. The wound was examined and dressed by Dr. Miles years, 1 month and 24 days and was the and the patient taken to his home in Philadelphia on the midnight train. Fortunately no bones were shattered and it is believed that he will recover -Over 16,000 butchers and men em- the free use of his injured member .--
