## WINTER TOURS OVER THE PENNSYLVANIA RAILROAD.

Pursuant to the annual custom the Pennsylvania Railroad Company placed on sale at its offices, November 1st, a stock of winter excursion tickets to all the prominent winter resorts of New Jersey, Virginia, Florida, other prominent points in the Southern States, and to Havana. These tickets are sold at reduced rates, in consideration of which they are required to be used on the south-bound trip within fifteen days from the date of purchase as stamped on the back, and for the return trip prior to May 31st, 1887. Stop-off is permitted at any point named on the ticket, and if the tourist desires to break the journey at any other point, he should apply to the conductor of the train or purser of the boat, who will grant the permission by issuing stop-over check or notation on the ticket.  
These tickets cover almost every Southern point to which winter travel tends, and the variety of route afforded by the extensive Southern connections of the Pennsylvania Railroad, commends its lines to the favor of the traveler, to whom ease, comfort, promptness, and speed are material considerations. Through buffet and sleeping cars run between New York, Philadelphia, Baltimore and Washington, and Virginia and Florida points, and the tourist to Cuba may make the trip without interrupting his journey, except at Tampa where he exchanges the car for the steamer.  
For further and detailed information apply at the ticket offices of the company and connecting lines.

## TEACHERS' INSTITUTE.

His advice to the teachers was to stop oral reading and simply have the pupil read the pieces and tell in their words the impressions made by the thoughts on the mind.

## THURSDAY AFTERNOON.

Directors session was unusually interesting this year, and seemed to surpass any former one held.

Music preceded Prof. Neff's resume on "Reading." Dr. Hargreaves next discussed "Hygiene." Prof. Kemp's talk on "Language" followed. After recess a glee was sung by the quartette, when Miss Mary Waddie, of Lock Haven, favored the audience with one of her selections, entitled "Singing in the Amen Corner."  
Dr. Shaub next addressed the Directors, urging the visitation of the schools because it was required of them by law, by society, by the children, and indeed by the teachers themselves.

D. F. Fortney, Esq., followed in his usual forcible manner, speaking particularly on school ventilation.

A brief talk in which Dr. Higbee extolled the work of the home in educating the child, was listened to with marked attention.  
In the evening Mr. Burbank attracted a large audience. His recitations were well received and everybody went away well pleased.

## FRIDAY MORNING.

Prof. Neff again spoke upon the subject of "Reading." Dr. Hargreaves presented the economic view of the hygiene of liquor. Prof. Kemp gave a closing talk on the moral results of school work. Then Dr. Shaub spoke on school criticisms.

## RESOLUTIONS.

The following resolutions offered by Prof. C. L. Gramley was adopted by a unanimous vote. It commends itself to all,

To the Honorable the Senate and House of Representatives of the State of Pennsylvania:

Whereas, the law of the State as now in force, compels the closing of all public schools in each county, during the holding of the annual Institute of that county; and whereas, the teachers of the public schools now regard themselves as under obligation to attend such annual institute in their respective counties; and whereas, Teachers in attendance at such institutes are necessarily subjected to unusual expense viz., increased cost of boarding traveling expenses to and from the places of meeting, membership fees, etc.

And Whereas, This law if continued in force; while working hardships to the teacher, may soon result in lack of interest on the part of the Institute;  
Therefore Resolved, That we, the undersigned teachers of Centre county, in convention assembled, do hereby respectfully petition your honorable body to amend the school laws of the State that teachers in attendance at the annual sessions of the County Institutes throughout this Commonwealth be paid by their respective school directors for each and every day or part thereof, spent in actual attendance at the Institute of the county in which they may at the time, be employed in teaching, said pay to be at the same rate per diem, as received by the said teachers for days of actual teaching.

Your petitioner will ever pray, etc.  
A committee of three were appointed, and the County Superintendent being chairman, to present the matter personally to the Senators and Representatives from the district, urging them to present the above petition and advocate such legislation as therein indicated. Similar action on the part of Institutes whose sessions have not yet been held will be effective in bringing the matter to the attention of the Legislature. Where the Institute session has passed it would be well to have these petitions circulated through the school district and forward thence to the Legislature. There must in all cases be duplicate copies prepared for signature, one addressed to the Senate and other to the House of Representatives.

Committee, D. M. WOLF,  
C. L. GRAMLEY,  
D. M. LIEB.

## FURTHER RESOLUTIONS.

Your committee further report, Whereas We, the teachers of Centre county, realizing the importance and benefits of these annual meetings, and acknowledging the goodness of a kind Providence in leaving us comparatively an unbroken rank; be it Resolved 1st, That we owe our gratitude to our bountiful Father for these privileges.  
2nd, That we strive with renewed zeal for the welfare and advancement of our common school.  
3rd, That we hereby express our thanks to the clergy for their co-operation, and to all the different instructors who did so ably and so nobly their parts towards making this session a success.  
4th, That we also express our thanks to Miss Pifer and the Y. M. C. A. Quartette Club and all others who assisted in the musical department of this session.  
5th, That we realize the duties and responsibilities of our County Superintendent, and we appreciate the workings of the present incumbent, that we sympathize with him in his illness, and that we hope for his speedy recovery.  
6th, That we favor the enactment of a law fixing the minimum school term at six months, and pledge our support in any or all measures hastening the passage of such a law.  
7th, That we tender our thanks to the citizens in general for their hospitality and appreciation of our work shown by their attendance and orderly conduct among us.

## MEMORIAL.

Whereas, It has pleased God in His wise Providence to remove from our ranks one member of this school militant to the School Triumph, therefore be it Resolved, 1st, That it is with sorrow we learn of the death of W. L. Snyder, a member of this Institute, who enjoyed the highest measure of respect for his consecration to work.  
2nd, That we bow submissively to will of our Heavenly Father in the hope that our loss is his eternal gain.  
3rd, That we do most heartily offer the

bereaved family our heartfelt sympathy in this their distress.  
Respectfully submitted,  
COMMITTEE.

After singing the doxology, Superintendent D. M. Wolf's Journal Institute with the benediction.

The following were selected as officers for next year: Vice presidents, D. M. Lieb, Maggie Hanns; secretary, D. O. Eiters; assistant secretary, Fannie Gardner; committees on permanent certificates, C. L. Gramley, G. W. Williams, F. F. Jamison, Robert E. Cambridge, and Miss Sallie Morley.

## The Legislature.

HARRISBURG, Pa., January 4.—The senate chamber to-day presented an animated appearance. At 12:04 the gavel of Lieutenant Governor Black fell, the senate was called to order, and the session of 1887 had begun, Rev. J. P. Moore of the Vine street Methodist church, delivered an eloquent prayer. After the swearing in of the members the roll was called.

On motion of Mr. Cooper the senate proceeded to the election of president pro tem. Mr. McFarlane nominated George Haudy Smith, of Philadelphia Mr. Wolverton named H. S. McAteer of Huntingdon. The roll was called. The vote was, Smith 34, McAteer 16, Senator Smith was declared elected president pro tem, and was conducted to the chair by Senators McAteer and Cooper. The old officers were re-chosen.

Promptly at 12 o'clock Chief Clerk Pearson called the house to order. Prayer was offered by Rev. M. Feight, the chaplain, who prayed fervently for the salvation of the members and asked that Providence direct them in their deliberations.

Henry K. Boyer, of Philadelphia, was elected speaker.

—The wonderful popularity attained by Hood's Calendar last year, will be repeated by Hood's Household Calendar Almanac for 1887, just published. A happier combination of calendar and almanac, of beauty and utility, of art and advertising, has seldom been produced: The lovely child's head lithographed in many delicate colors will be welcome anywhere, while the pad is a wonder of condensed, useful information. Copies may be obtained of the druggists, or by sending six cents in stamps for one copy, or ten cents for two, to C. I. Hood & Co., Lowell, Mass.

—There was a large audience in Putnam Music Hall last evening to witness the presentation of Uncle Tom's Cabin and those present were amply repaid for attending. The company was the best that has ever visited this section. Gas T. Wallace as "Uncle Tom," Gracie T. Peck as "Eva," Miss Kate Partington and Miss Marion Keller as the two "Topsy's," were the finest characters ever witnessed here. The dogs and the donkey were immense. The entire entertainment was first class.—Saratoga Daily Saratogian, Oct. 5.—Opera House, January 13.

GOOD RESULTS IN EVERY CASE.—D. A. Bradford, wholesale paper dealer of Chattanooga, Tenn., writes that he was seriously afflicted with a severe cold that settled on his lungs; had tried many remedies without benefit. Being induced to try Dr. King's New Discovery for Consumption, did so and was entirely cured by use of a few bottles. Since which time he has used it in his family for all Coughs and Colds with best results. This is the experience of thousands whose lives have been saved by this Wonderful Discovery. Trial bottles free at J. Zeller & Son's Drug Store.

MICHIGAN CITY, Ind., January 2.—There is over five feet of snow on the level in this locality, and railroads are seriously impeded, freight trains have generally been abandoned. The New York East Express was caught in a drift and the Grand Rapids train crashing into it, damaging the Wagner sleeping car and injuring the fireman and porter.

BOSTON, January 2.—The bakers of this city are organized in an assembly of Knights of Labor, but having become dissatisfied with the order are about to withdraw in a body and form an open trade union which will be attached to the national bakers' union.

ASTIN, TEXAS January 2.—The Dolores Land and Cattle Company has made an assignment with liabilities at half a million. The asset out up almost \$50,000. It is hoped the embarrassment will be only temporary.

—Mr. W. P. Hastings has retired from the editorial management of the Harrisburg Patriot. B. M. Nead, Esq., will be managing editor and W. Thomas business manager from this date.

DUBLIN, January 2.—Mr. Sexton, in thanking the corporation of Dublin for electing him sheriff, said that if the Government asked him to do anything that he considered opposed to the public interests or to the liberty or any Irish public man they would receive a short answer.

—The attention of our readers is called to the fact that the Franklin Institute, is taking steps looking to the formation of a State Weather Service. This work should be heartily co-operated in by those of our citizens who have the time and opportunity. Even the daily recording of the temperature and rainfall in a systematic manner will be of great value, and at a very small expense our agriculturists and others can arrange for duplicating the weather signals, hoisted at different points, so that anticipated weather changes can be read from every home throughout our state, and the value of weather forecasts practically utilized in the harvesting, and protection of crops affected by climatic changes. Those of our readers who are sufficiently interested in this work to volunteer their services are invited to address, Sgt. T. F. Townsend, Pennsylvania State Weather Service, Philadelphia, Pa.

AN END TO BONE SCRAPING.—Edward Shepherd, of Harrisburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. Have had a running sore on my leg for eight years; my doctors told me I would have to have the bone scraped or leg amputated. I used, instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well." Electric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve at 25c. per box by J. Zeller & Son.

"Uncle Tom's Cabin" has been thoroughly remodeled by Abby's company, and, as treated at the Opera House last night, afforded a degree of interest even for those who have seen the play regularly for the past twenty years. The audience was large and the performance pleasing.—Glens Fall Morning Star, Oct. 6.—Homes' Hall, Bellefonte, January 13.

—S. A. McQuistan sold five of his excellent sleighs within the past two days. He yet has several on hand. all enquire.
