

The workman, that for the last two months have been repairing the old stone mansion on the corner of High and Allegheny streets recently occupied by Mrs. Boal, are fast bringing the work in some of the departments to a close, and when finished will be one of the most desirable business places in town. The corner room, now occupied by the Dale Bros., will be vacated and a new glass front being placed on the east side and will be fitted up as a store room where W. I. Fleming will open a gent's furnishing establishment. The Dale Bros. will move into the room on the west side of the same building and when fitted up will be two of the cosiest law offices. At says he will for the next two weeks give legal advice free.

SAN FRANCISCO, January 18.—The vote in both branches of the legislature to-day resulted in the election of Mr. Hearst for Senator.

SPRINGFIELD, Ill., January 18.—At the joint session of the legislature to-day C. B. Farwell, of Chicago, was elected United States Senator to fill the vacancy caused by General Logan's death, on the first ballot.

LANSING, Mich., January 18.—The Senatorial election to-day in the lower house resulted: Stockbridge, Republican, 65; Yapple, Democrat, 27; Robinson Labor, 5. In the senate the vote was, Stockbridge 21, Yapple 9.

LINCOLN, Neb., January 18.—In the first ballot for United States Senator Van Wyck received 11 in the senate and 33 in the house, the remainder being divided among a number of candidates. The indications for a deadlock are very favorable.

INDIANAPOLIS, January 18.—The houses of the legislature voted separately to-day for United States Senator. In the senate Turple, Democrat, received 31, Harrison, Republican, 18. In the house Harrison 53, Turple 43, Allen 4. Three of the latter were cast by Republicans. It is believed two conventions will be held to-morrow.

LOUISVILLE, January 18.—On October 22d one of the most frightful tragedies that ever took place in Kentucky occurred in the eastern portion of Knox county. The house occupied by the Poe family was burned down and in the ashes were found the charred remains of eight persons. They were the bodies of Mrs. Kittie Poe, Miss Mary J. Carson, Miss Mary Burns and Mollie Axie, Laura Realie, and Willie Poe, five children. It was afterwards developed they had been murdered, after which the house had been set on fire.

News has just reached here of the arrest of seven persons, all neighbors of the murdered family, charged with participating in the diabolical affair. Their names are Amelia Worms, Brice Mills, Balmer Mills, Wright Smith, Elias Jackson, Mollie Stamper and Pinda Hammond. The Worms woman is thought to be the leader of the gang and instigator of the affair. She is a notorious courtesan and had great influence over the others who were arrested. On the day after the murder the woman was overheard to say to one of the others: "Thank God that we burned everything up so their can be no trace left."

WILKESBARRE, Pa., January 18.—The Pennsylvania State Association base ball clubs will meet here Thursday, January 20. The organizations is now made of clubs from Scranton, Altoona, Williamsport, Allentown, Wilkesbarre, Harrisburg and Reading. It is more than probable that Bradford will also be admitted at the meeting Representatives from each of the above clubs will be in attendance.

New York, January 18.—One hundred special officers that were sworn in last night are on the scene armed with Winchester rifles, revolvers and night sticks. Inspector Lange, of the Jersey City police force, has twenty men at the dock. Fifty of the strikers this morning applied to Superintendent Reschner to be taken back, but were refused. A few of the boats have been loaded, but the majority of the canal boat captains refuse to load their craft. At noon to-day the brakemen went out and work has been suspended. It is believed that they were visited by a committee of some of the Knights of Labor. Coal was moved this morning from the Erie and Pennsylvania yards to the high bridge for the elevated road. In Jersey City fifty cars were shifted from the Pennsylvania Company's yards to the steel works. At Communipaw and Bergen Point no coal was moved and the men are still out.

Pattison's Last Death Warrant

HARRISBURG, January 14. Governor Pattison yesterday issued his last death warrant. The murderer whom the Governor has ordered to be executed is William Josiah McMeen, who poisoned his wife at Port Royal, Juniata county, nearly a year ago. The time for hanging is March 19, on which day the murderer will expiate his crime on the gallows, unless the Board of Pardons should grant him a further lease of life.

McMeen's crime was heartless. He was requested by his wife to procure her quinine, but instead he supplied her with strychnine, which was swallowed, supposing it to be the former. The evidence against her husband was conclusive, and he was convicted and sentenced to be hanged. A few months ago he escaped from jail, but was returned to the institution in a few days, having been found under some hay in a barn.

Poisoning by the Wholesale

BOSTON, January 14.—The body of the late Oliver Sleeper, who is supposed to have been one of the victims of Mrs. Robinson, the alleged Somerville poisoner, was exhumed to-day at Mount Auburn and the internal organs given to medical experts for examination. This is the seventh body that has been disinterred for the same purpose, and in the other six cases large quantities of arsenic have been found. If arsenic is found in Sleeper's body the investigation will continue and other bodies will be exhumed. It is alleged that Mrs. Robinson poisoned Sleeper in order to obtain possession of his property, and it is stated that at the opening trial of the woman some new and astounding revelations are expected.

RICHMOND, Va., January 14.—At 12:30 p. m., Mr. Beverly Crump, counsel for Cluverius, convicted of the murder of his cousin, Lillian Madison, returned to the jail from his last visit to the Governor, and announced that the Governor refused to interfere. At eight minutes past 1 o'clock Cluverius was hanged. He died without making any confession, and, speaking through Dr. Hatcher, his minister, said that in this moment, nearing the grave, he had no feeling of ill will toward any man on earth. He died of strangulation.

There were ten thousand people outside the jail and 250 inside.

HARRISBURG, January 14.—General Gobin, Grand Marshal, and Senator Reyburn, Chairman of the Inauguration Committee, have been busily engaged to-day perfecting arrangements for the inaugural ceremonies of Governor-elect Beaver. All indications point to a most imposing demonstration. It is likely the aids of the Grand Marshal will be announced on Saturday.

READING, January 14.—When the Philadelphia and Reading Road passenger train arrived here from Philadelphia at noon to-day an aged lady, who had entered the train at Philadelphia, was found dead in her seat, with her face pressed against the window pane, in which position she had been since the train left Manayunk. She proved to be Mrs. Martha Lukens, of Shamokin, 75 years of age. Death was due to heart disease.

Nicholas Heffley, a married man and a resident of Barr township, Cambria county, was found a few days ago frozen to death in a field on the farm belonging to Joseph Kirsch, in that township, about a quarter of a mile from home. The deceased left Carrolltown on Saturday evening about 5 o'clock, and was considerably under the influence of liquor. He rode to within a half mile of home with the Nicktown mail carrier, and parted company with him when their roads diverged. He took a short cut through the fields and went but a short distance when he was overcome by the liquor and cold and lay down to perish. He leaves a wife and one child.

Railroad Wreck's.

MIDDLETOWN, N. Y., Jan. 13.—The St. Louis limited express on the Erie Road, due at New York at 11 a. m. was completely derailed three miles west of Middletown at 10 o'clock this morning. The tender of a new Wooten engine was thrown from the track by the rails spreading, and was followed by two baggage cars, three day coaches and three sleepers. The cars came to a standstill an eighth of a mile beyond where the accident occurred, and when they stopped they stood in every direction. Baggage-master Hyland was the only person hurt. He was slightly injured by a heavy track falling on him. The train was running fifty miles an hour when the cars left the track.

Another wreck, growing out of the first accident, occurred at the Erie station here at 4 o'clock this afternoon. The wrecks from Jersey City had brought three of the coaches of the derailed St. Louis express here, and they were left standing on the main track above the depot. The Southern Tier express, due in Jersey City at 5 o'clock, dashed into them, wrecking two engines and five coaches and causing another blockade. No passengers were hurt.

ATTICA, N. Y., Jan. 13.—Lehigh Valley passenger train No. 23, due here at 10:35 o'clock last night, left the track about a mile and a half east. The baggage car and four passenger coaches were thrown from the track on their sides. There were only about a dozen passengers on the train, and one of them was slightly injured. Conductor James Stowell received several bruises, but was not seriously hurt.

The Vote for State Officers.

HARRISBURG, Jan. 10.—At noon the senate and house met in joint session to ascertain and declare the vote for state officers. Lieut-Gov. Black presided, and Senator MacFarlane and Representative Billings acted as tellers. The vote by counties was read, and James A. Beaver, was declared to be elected governor; A. Wilson Norris, auditor general and Thomas J. Stewart, secretary of internal affairs.

Republican Nominations.

PHILADELPHIA, Jan. 13.—The municipal conventions of the Republican party were held yesterday, and the following ticket was placed in nomination:

Mayor, Edwin H. Fidler; Receiver of taxes, Henry Clay; City Solicitor, Charles F. Warwick; Police Magistrate, Charles Fulmer. Mr. Fidler received 604 votes to 36 cast for Geo. DeB. Keim; Mr. Clay 648 to 49 for Geo. A. Hinckson. Mr. Warwick and Mr. Fulmer received the unanimous vote of their respective conventions. The Union Republican club met last evening and unanimously endorsed the nominations.

Abandoned at Sea.

New York, January 13.—A private dispatch received in this city to-day states that the Monarch line steamer, Celtic Monarch, from Cardiff to Philadelphia, had been abandoned at sea on the 2d inst., and that her passengers and crew had been saved. The agents of the Monarch line received a cablegram to-day confirming the rumor, but giving no further particulars. The Celtic Monarch was a screw steamship of 2,014 gross tons register, and belonged to the Monarch line, of London. She was built at New Castle in 1879.

Bismarck Defeated.

BERLIN, January 14.—The fate of the Army bill was settled to-day by the Reichstag adversely to the Government, and action was immediately taken to dissolve the Chamber.

On the reassembling of the Reichstag Herr Von Staudenbergs' amendment, limiting the duration of the bill to three years, was voted upon, and the amendment was carried, the vote being 186 to 154. The conservatives, Imperialists and National Liberals voted with the minority. The Socialists and most of the Alsatian members abstained from voting.

Prince Bismarck immediately read an imperial message dissolving the Reichstag.

The Altoona Tribune says the effectiveness of the automatic brake averted a catastrophe on the Pennsylvania Railroad Monday night. The express train, west bound, was ascending the mountain, and when near Crescon the engineer discovered that the train had parted. The three Pullman sleepers attached to it had broken loose from the forward passenger cars. The grade was so steep that all that saved them from speeding backward down the mountain was the automatic brake. As soon as the train parted the brakes were automatically applied and the sleepers were stopped within a few feet of where they parted from the train.
