On Tuesday evening the Lodge of Good Templars gave a public entertainment in the hall of the Y. M. C. A. About 8 o'clock a fair audience gathered to hear what had been prepared on this occasion. Rev. J. A. Woodcock occupied the rostrum and acted as pilot and did it in a very acceptable manner. The first recitation was by little Josie Willard, entitled 'Vote as you Pray.'

Miss Maggie Teats, from Unionville then gave a recitation entitled 'The Old Maids Prayer.' This little lady bids fair to become a good elocutionist, her voice is clear and distinct, and her manner on the rostrum pleasing. The audience enjoyed it very much. Rev. J. A. Woodcock and Col. D. S. Keller made some earnest and appropriate remarks, after which Miss Fannie Twitnick rendered a solo while Miss Blanche Straub presided at the piano. Mrs. R. M. MaGee rendered a very affecting solo. Miss Maggie Teats again entered, tained the audience with a recitation. She was dressed as an Irish girl; it was about trying to cook a chicken in a spider. All appreciated it very much. Miss Lizzie Hughes, favored the audience with an instrumental solo, which was well executed. Miss Sadie Bayard sang a solo with Mrs. MaGee at the instrument. It was well received. The Chief Templar Dr. Dorrworth gave a synopsis of the origin of the order and gave some figures as to the advancement of its accomplishments in the past few years. The quartette composed of Misses Maggie Haupt, Rachel Mulholland, and Mr. Chas. Shuey and C. E. Schaeffer, with Miss Josie Shrom at the piano, rendered some very fine music, after which Rev. Woodcock dismissed the audience with the benediction. The Lodge is to be complimented on the success of this entertainment and it is to be hoped they may be continued and by them the Lodge may be built up and new members be induced to join and help on this great cause.

Co. B. Fifth Regiment, N. G. P. has always received high ratings at inspection, and this year the Co. will undoubtedly stand at the head of its regiment. When the Bush Arcade was destroyed by fire, all the guns were lost, which were replaced by the state upon the occasion of the recent inauguration. The guns furnished, however were not new, and it required considerable labor to place them in a fit condition for inspection. The inspecting officer made a rigid examination, and found them in first-class condition, demonstrating the fact that the Company could be safely entrusted with valuable property, when such good care was taken of the arms then in use. But whether or not that was the cause of their good fortune, we cannot say. At all events on last Friday fifty-five brand new 45 calibre guns arrived for the use of the Company, and the boys felt very much elated. The guns are of Springfield make, and are of the latest improved pattern with dark blue barrels, and quite handsome. Since they were earned, and not received through favoritism, all connected with the organization may justly feel proud, and are to be congratulated.

The Lock Haven Democrat is informed that the Wilkesbarre and Western railroad company is now surveying a line for a railroad from Watsonstown through Sugar and Nittany valleys to Bellefonte, with a branch from Washington Furnace to Mill Hall to connect with the Beech Creek road at that place, with a view of carrying coal from the Beech Creek coal basin to the eastern markets. It is said this will be the shortest line from the Beech Creek and Snow Shoe coal fields to New York.

Considerable "blowing" is being done by some of Bellefonte's base ballists and several challenges have been made. The Muckamullens defeated the Black Diamonds two games and now claim the championship of the county, but Charley Crider claims to have a nine capable of laying out the Mucks in good shape, and has issued a challenge and the game will be played on Saturday. From the tone of their card of acceptance the Mucks have plenty of cash, and guarantee lots of fun.

Outsiders frequently wonder where the railroads obtain proper return for some of the ingenious but costly methods adopted in advertising their lines. One of the latest to attract our attention is a nicely bound 64 page book entitled, "What to Do," containing a description and the correct rules of a large number of games suitable for parlor or lawn, which has been issued by the Passenger Department of the St. Paul Minneapolis & Manitoba Railway, and will, we understand, be forwarded postpaid upon receipt of 8 cents by C. H. Warren, General Passenger Agent at St. Paul. It is a book that would ornament almost any table and interest both old and young.

During the early part of this week two notable characters passed from earth, the first being ex Vice President William A. Wheeler, and the second Chief Justice Marcor of the State Supreme Court.

The following items are taken from the Centre Hall Reporter.

A valuable horse belonging to Mr. John Wagner, of near Tusseyville, had his leg broken by being kicked by another animal.

Fred Arnold, an old citizen of Centre Hill, died on Sunday evening, aged near 81 years. Mr. Arnold was an upright man, and a long citizen of that section.

Large quantities of iron ore are being shipped from our station to eastern markets. The ore is wagoned from the banks near Centre Hill, operated some time ago by Gen. Gregg. Shipments of lumber are also large at present.

The Piney Oil Co. of this place, which owns a farm in Venango county, purchased a year ago during the oil excitement, may have a streak of luck at last, a gas well having been struck on the farm adjoining the Piney company's farm. As the Piney struck no oil, we trust they will strike gas since it has been found so near their territory.

Reports from Nittany valley say the fly is committing havoc in the wheat fields through the valley. The outlook has been none too favorable, and now this insect seems to make bad worse. We also learn that the fly is getting in some of its work in this valley again, and its ravages are noticed among what escaped in the fall.

The Lutheran congregation of Pine Grove is rapidly increasing and it was found necessary to enlarge the church. Accordingly the gallery and stairway has been removed from the inside and a new tower is being erected in front of and connecting with the building, and admittance hereafter will be had by means of the tower. The interior of the church is receiving a fresh coat of paint and otherwise being beautified.

Fred Sourbeck, who on Thursday evening was amusing several spectators by performing some of the evolutions on the horizontal bar, using one of the bars that form the guard of the entrance to Nightharts barber shop, missed his hold and fell to the bottom of the stairs alighting on his head. While the lad was stunned, he received no serious injury, although his escape was miraculous.

An effort is being made to secure a new carpet for the Y. M. C. A. hall. All who desire to aid in this move can do so by either contributing rags for the filling or money to pay for the weaving. All contributions should be made to either Mrs. Jas. Harris, on Spring street, or Mrs. W. P. Wilson on High street.

We are in receipt of an invitation to the 109th anniversary of the departure of the Continental Army from Valley Forge, which takes place on June 18th. There will be a grand civil demonstration under the auspices of the P. O. S. of A., and the Centennial Memorial Association of Valley Forge.

On Tuesday afternoon ex-Judge Orvis arose in court and announced to the members, the death of Chief Justice Mercur. Mr. Orvis also paid a high tribute to the dead Justice, and then requested Judge Furst to adjourn court until next Monday, out of respect for the deceased. The request was complied with.

GOOD PARADE AND LARGE ATTENDANCE. —Wallace & Co.'s Great World's Show drew a big crowd of people to the city to-day. At 10:30 o'clock the street parade was made and all along the route the sidewalks were lined with persons anxious to witness the display. The parade was in every way creditable and with a splendid indication of what wealth and enterprise will accomplish when possessed by such men as Wallace & Co. Two cornet bands and a steam calliope furnished the music. The wagons and chariots, all freshly painted and furnished in the highest style, presented a rich appearance while the horses are spirited and in splendid condition. The performance this afternoon was largely attended, and greatly enjoyed by the audience. The collection of animals is unusually large, embracing as it does many rare species. In the circus, the performance comes up to the greatest expectations of the people, and no show has ever given better satisfaction here than Wallace & Co. to-day.—Daily Herald, Anderson, Ind.

A band composed of six or eight Germans was in town the latter part of last week, and discoursed some delightful music on our streets.

The General Synod of the Lutheran church is in session this week in Omaha, Neb., of which our townsman Dr. J. W. Rhone is a delegate. He sent Mr. John Musser several papers giving an account of some of the proceedings of that august body. It is one of the largest body of clergymen ever held by that denomination. They occupy one of the finest and largest churches in that great western city, and five or six different languages are represented by delegates from some parts of the old world. Many prominent lights are in attendance among whom was the Governor of Nebraska, who delivered a brilliant and masterly address, and it was responded to by several of their best men in the church. The music is said to be charming. From the census taken of this denomination last year shows that they have been on the increase. To-day they number about 48,000,000, the larger part of whom live in Germany and Switzerland.

On Monday evening about seventy invited guests assembled at the home of Mr. and Mrs. Christian Dale near Pleasant Gap in commemoration of the 21st birthday of their daughter Miss Blanche. The affair was arranged without the knowledge of Miss Dale, and her surprise at seeing so many people intrude their household can better be imagined than described in behalf of Miss Dale. Lawyer A. A. Dale delivered a neat and appropriate address of welcome, after which refreshments were served, and then came the fun of the evening. Games, plays, duets, etc., in which both old and young enjoyed particularly the former with considerable spirit. The fine music given by Prof. Reasick on the organ and the Pleasant Gap Band enlivened the occasion considerably. Miss Dale was also the recipient of a large number of handsome presents. Taking it altogether it was one of the most highly enjoyable events of the season and no doubt will linger pleasantly in the memory of everyone fortunate enough to have been present.
