-DRUNKENNESS OR THE LIQUOR HABIT POSITIVELY CURED BY ADMINISTERING DR. HAINE'S GOLDEN SPECIFIC. - It can be HAINE'S GOLDEN SPECIFIC.—It can be given in a cup of coffee or tea without the knowledge of the person taking it is absolutely harmless and will effect a permanent and speedy cure, whether the patient is a moderate drinker or an alcoholic wreck. Thousands of drunkards have been made temperate men who have taken Golden Specific in their coffee without their knowledge, and today believe they quit drinking of their own free will. IT NEVER FAILS. The system once impregnated with the Specific it becomes an utter impossibility for the liquor appetite to exist. For full particulars, address GOLDEN SPECIFIC CO, 185 Race st., Cincinnti, O.

A Gentle Stimulus

Is imparted to the kidneys and bladber by Hostetter's Stomach Bitters, which is most useful in overcoming torpidity of these organs. Besides infusing more activity into them, this ex-cellent tonic endows them with additional vigor, and enables them the better to undergo the wear and tear of the discharging function imposed upon the discharging unicition imposed upon them by nature. Moreover, as they are the channel for the escape of certain impurities from the blood, increases their usefulness by strengthening and bealthfully stimulating them. In certain morbid conditions of these important organs, they fall into a sluggish state, which is the usual percursor of disease. What then can be the greater service than a medicine which impels them to greater activity when slothful? No maladies are more perilous than these which affect the kidneys, and a medicine which averts the peril should be highly esteemed.
