| Drunkenness or the Liquor Habit Positively Cured by Administering Dr. Haine's Golden Specific.—It can be given in a cup of coffee or tea without the knowledge of the person taking it; is absolutely harmless and will effect a permanent and speedy cure, whether the patient is a moderate drinker or an alcoholic wreck. Thousands of drunkards have been made temperate men who have taken Golden Specific in their coffee without their knowledge, and today believe they quit drinking of their own free will. IT NEVER FAILS. The system once impregnated with the Specific it becomes an utter impossibility for the liquor appetite to exist. For all particulars, address GOLDEN SPECIFIC CO, 185 Race st., Cincinnati, O.

A Gentle Stimulus

Is imparted to the kidneys and bladder by Hostetter's Stomach Bitters, which is most useful in overcoming torpidity of these organs. Besides infusing more activity into them, this excellent tonic endows them with additional vigor, and enables them the better to undergo the wear and tear of the discharging function imposed upon them by nature. Moreover, as they are the channel for the escape of certain impurities from the blood, increases their usefulness by strengthening and healthfully stimulating them. In certain morbid conditions of these important organs, they fall into a sluggish state, which is the usual percursor of disease. What then can be the greater service than a medicine which impels them to greater activity when slothful? No maladies are more perilous than these which affect the kidneys, and a medicine which averts the peril should be highly esteemed.

EASILY ACCOUNTED FOR

"The success of Baugh's $25 Phosphate as an excellent crop producer and permanent improver of the soil, is easily accounted for

It is made of the bones of animals, and with special regard to a general adaptability as a plant food."

Every particle of which bones are composed, is a direct food of vegetables.

We render this food immediately available

In the $25 PHOSPHATE

Which we claim to be a very special advantage, as it gives the crop an early start and sustains it until fully matured, besides permanently improving the soil.

Modena, Pa., Jan. 1st, 1886.

"Having thoroughly tested HAUGH'S $25 PHOSPHATE, side by side with other makes costing $30 and $40 per ton, I am satisfied that Baugh's is the best for first crop as well as permanent results. I had better wheat and got more grass for two years where I used the $25 Phosphate. I will use no other kind and advise all farmers to buy Baugh's $25 Phosphate and see results for themselves on their own ground." JOHN FADDIS.
