Invention. has revolutionized the world during the last half century. Not least among the wonders of the inventive process is a method and system of work that can be performed all over the country without separating the workers from their homes. Pay liberal; any one can do the work either sex, young or old; no capital or any required. Capital and money are not needed. This is not a new invention, but a method of doing old work in a new way. It is a grand invention, and one that will revolutionize the world. Address: P. DUFF & SONS, Pittsburg, Pa.
