Coroner.

Dr. JAS. NEFF.

Jury Commissioner GEORGE BOWER.

Trusts are all right are they Jingo Jim?

THE high tax wolf stalks abroad in sheeps clothing.

Blaines little speech on trusts.

rison's little grandson should be made the bob to the Blaine kite.

THE American party found itself growing too rapidly and wisely amputated itself in the middle. Whenever a party gets too big it is the part of wisdom to split up.

BLAINE by simply "working his jaw on trusts has struck dumb the entire Republican press of the country. Unlike Balaam's ass they don't even protest against the load.

THE county ticket is in the field and can and will be supported by ored by official position by the Rethe democratic voters of the county with hearty good will. Messrs. Holt confederate officers. The "how" of and McCormick represent the bone it is that southern men are only and sinew of the land, and will look "rebels" and trators while they vote carefully after the interests of their the Democratic ticket. Do you constituents.

DECLINE IN U. S. A. CARRYING TRADE.

In 1860 at the out break of the per cent. of the foreign carrying | work trade carried in American vessels creased each year under a benefi- \$302.50. European nations carrying it.

The percentage of the foreign vessels has increased from 33.5 per cent, in 1860 to 83 per cent. in 1885. trade is with the Republican party America and consequently he has alone. The policy of high tariff that advantage over his American taxation has not only pauperized competitor. How is the American American labor but has driven American shipping from the seas.

-Thursday, September 6th, is the last day on which you can get registered.

PENSION FACTS.

According to the Republican leaders any trust can corner the market on the necessaries of life run prices up to suit them and their acts cannot be questioned because as Mr. Blaine says they are private-

THE president of the American Protective Tariff League, who employs in his woolen mills Hungarian "Am I down?"

THE WRECK OF THE G. O. P.

To bear him company.

Sing Hop Lee and Hi Long Wo Manfully trimmed the salls; And "trusts" and "pools" were stowed below, Away from Free-trade gales.

Bold words were in his mouth. As he watched how the party breezes blew The "vote" now West, now South.

Had sailed there once before. I pray thee keep the Chinese low.

Or the West will treat thee sore." "Reform's effect we'll see, And then he waved a one-cent stamp

And a scornful laugh, laughed he. A gale from the Far West The vessel, though bound with railroad iron, Gave the straining planks no rest.

Morton, in fright, cried from below, "The boat has sprung aleak; The rotten plank where Tariff lies With ocean foam doth reck.

"Come up! come up! my anxious friend. The ship will brave it through:

O, say, what can it be: 'Tis a warning from the Texan coast: We'll steer for the open sea."

O, say, what may it be! 'Tis the people booming Cleveland up While throwing mud at me."

Say, Ben! Is it thy grandsire's ghost That dissipates thy fears!" "Hush!" Ben replied, "the very winds Have Democratic ears."

Meanwhile, like a steed beyond control, The vessel sped the main. She ne'er would rise again.

The Free-trade winds did blow; And the G. O. P., with Tariff and Trusts Went the raging sea below.

One short, sad crow he gave for Ben-Three lusty ones for Grover
