There was no ques change political or other convic. his 35 per cent taxed bureau, when the woolens necessary is due to the sen there is an industrial school for the private citizen. tion that he had used the phrase "that infamous protective system." He repeated it now.

MR. CHANDLER called attention 30 the omission in Saturday's Record of two words in the report of a colloquy between Senators Vest and Hoar, the words omitted being "that infamous" before the words "protective system." He understood that they had been cy because it doesn't give over 40 window-sash and 93 per cent taxed er than we do. Nor is this the only female employes but also for the and urged Congress to do its duty in dropped by accident in the transcript of per cent. tariff taxes, and just now the report.

" Of course Mr. Vest "repeated it now." It is infamous because it robs hardworking men of a drop of sweat a minute and a drop of blood an hour. It is infamous because it fattens the fat man into such a state of capitalistic corpulency that he is as a stench to the nose of decency, and because it skins the skin from poor old Skin-and-Bones, who usly, with Heaven's help, seeks to feed his family.

TELL THE TRUTH. The Mills bill cannot become a Cieveland less, but because he spoon. He then takes his 50 per ufacturer is compeled to "skimp" his where they are taught seeing cro-

law this year nor can there be any reform of the tariff or reduction of taxa ion while the Republicans hold the Sena e though they are pledged to a reduction, consequently when a protected industry shuts high and needless taxes, he vey of his kitchen and inspects his the tariff but by the superiority of his factory which has had for ten years down it is not because of the Mids has the courage to say so 40 per cent taxed oilclo h; his 58 product, and very chen hy a patent, an institution for girls who live bill or any other bill.
